Bill Steddum, Treasurer	Christine Wyles, Trustee
Nicole Scott, Secretary	Joanna Love, Trustee
Ann Weaver, Parliamentarian	

New business to discuss:

Rally Committee Update
Edward has appointed Allana Patterson as Rally Committee Chair. The committee appointed to support Allana in rally planning will be Barb Johnson and Jessica MacLean. The purpose for this committee is to find new locations and assists hosts with rallies.

Social Media Chair Update
The club is not utilizing social media as it could to notify members of upcoming events in a timely manner.
Edward will contact current Social Media Chair, MariBeth Pappas, to discuss looking for an alternate club member to fill that role if she no longer interested in updating our events on social media. In addition to a Social Media Chair, the goal is to create a committee of several members to assist in member engagement with various activities.
Currently, Edward is creating the posts for upcoming rallies.

Official Club Email
Edward has reactivated the NTxAC official airstream email address for correspondence to club members in hopes the emails will not be labeled as spam. The email address will be more official and do away with the need for executive team to use their personal email addresses.

Upcoming Rally Changes
June rally will be cancelled. The RV park that DFW Airstream was working with to host is not quite complete and will not be ready for us by June.

June 13 - Sips & Sunsets @ DFW Airstream 6-8pm
Invites have not yet been sent out for this event. We had a great NTxAC turnout at the last DFW AS event of the Stetson+6666 preview. We gained two new members from that event.

July 11 – Rigless Rally @ The Steddum House
more details coming soon.

Executive Committee Update
All current positions of the executive committee, excluding President & Vice President, agree to continue in their position for another 1 year term.

Meeting adjourned at 8:15pm
