

Hi Attendees,

The La Veta Rally schedule is attached. Below are some highlights, but first, an important update on payment and directions.

PAYMENT AND DIRECTIONS TO THE CIRCLE THE WAGONS RV

To make the arrival process more streamlined, Circle the Wagons will begin to call those that are paying their own site a few days ahead to collect their fee.

GPS ALERT – DIRECTIONS INFORMATION

If you are coming to La Veta from the West on Hwy 160, GPS has you turn on Co. Rd. 450. As you are approaching town, GPS will want you to turn on 2nd St. **It is a dead end and there are signs that say that. Do not turn on 2nd Street or 1st Street as GPS may instruct you to.** Just stay on Co. Rd. 450 and it will bring you into La Veta. You will stay on that road until you come to **Main St.** From there you will turn left and go approximately 3 blocks to 2nd Street where you will turn left and come into the park. **If you don't pay attention, GPS sends you down a dead end road and you will be backing up your rig.**

LOCAL AREA ATTRACTIONS

STONEWALL CENTURY RIDE

Join us in La Veta, Colorado for the 16th annual Stonewall Century Bicycle Ride. You'll be treated to scenic vistas, friendly volunteers, great feed stations, and steep hills. The route follows Highway 12, a Colorado Scenic Byway known as the "Highway of Legends". The grade on this beast exceeds 10%. Have no fear, the steepest section lasts only one mile and the grade lessens toward the top. Then you'll enjoy the 17-mile descent into La Veta, where a BBQ dinner and massage tables await you.

Information on the ride and how to volunteer can be found on their website.

DOG AND BAR GRILL

Specializing in burgers and pizza, the dog bar & grill is the perfect lunch and dinner stop after a day of exploring the Cuchara Valley on highway 12.

HIGHWAY OF LEGENDS SCENIC BYWAY

Very scenic drive with places to take pictures. Lakes, mountains, pines and valleys abound. Cuchara is a very small village with old time character. Colorado's Highway of Legends Scenic and Historic Byway is the perfect detour for those exploring southern Colorado. If time is on your side and you're driving south on I-25 to New Mexico, skip the interstate stretch from Walsenburg to Trinidad and take the road less traveled — the Highway of Legends.

LA VETA GALLERY ON MAIN

A unique Art Gallery on La Veta's Main Street featuring paintings, ceramics, photography, fiber art, jewelry, scratchboard, mixed media, and paper crafts by local and regional artists.

SILENT AUCTION ITEMS

Several items will be auctioned off on Friday night during the Chili Dinner. **All proceeds from the auction will go to the La Veta Fire Protection District.**

- Flamingo earrings
- Décor pillows
- Flamingo aprons
- Airstream cards
- Other items

LOOK FORWARD TO SEEING YOU ALL SOON!!
