LUNCHEON OVERVIEW

Carl and Marlene Russell have been on thirteen National WBCCI Caravans since 2010 with more planned. Their fourth caravan was the Maple Leaf Caravan in 2013, and it is still Carl's favorite. Carl will give a talk after the luncheon describing the various activities on that caravan, hopefully capturing the pace and frequent surprises on Airstream National Caravans.

The McClures are long-time residents of Heather Gardens, and they previously hosted several DenCO luncheons here. The Russells just moved into a newly-remodeled Heather Gardens

condo in November 2019. Heather Gardens is one of the largest 55+ communities in Colorado. It was built from 1973 to 1984 on 196 acres that has 2,426 units in 35 multi-story buildings and 252 duplexes plus 64 townhomes. The community has a 9-hole golf course with a golf pro, tennis courts, and an extensive clubhouse complex that includes the Rendezvous Restaurant.

Following Carl's talk, Carl and Forrest will lead optional tours of the Heather Gardens Clubhouse. If Carl and Marlene's condominium is presentable by the luncheon date, CAC members will be welcome to visit after the clubhouse tour.
