President's Message

This edition of the Gold and Silver and the upcoming International Rally will wrap up my role as your region president. Since being tapped for a Region 12 officer position eight years ago, it's been an honor to serve in a leadership role. The activities I have participated in where I had the opportunity to meet so many of our members has been personally rewarding. I have found the unique activities our clubs provide and the value they bring to our members immeasurable. Thank you for the opportunity to represent Region 12 over the years. I will continue to serve the WBCCI in the role of International Treasurer for the year 2019-2020 and will look for you Down the Road.

Region 12 has a multitude of talented members who have contributed to its success over the years. At this time I want to share my gratitude for those members who hold or have held office at the club level. There would be no Region 12 without your commitment and your gift of time and energy.

My gratitude also goes out to all who have served at the region level. Thank you to Cecelia Stansbury, 1st VP and Eric McHenry, 2nd VP for your leadership and support. And to Jean and Alan Amundsen, Bill Kerfoot, Don Williams and Lynda Polk, thank you all for making my job as president as productive and satisfying as it has been. This has been one exceptional team which I have had the privilege to serve alongside.

Warm regards,

Jim

Road to Doswell and the 62nd WBCCI International Rally

We have just shy of two dozen Airstreams from Region 12 making the 2,800 mile one-way trek to Doswell, Virginia for the 62nd WBCCI International Rally and will have member(s) from each Region 12 club/unit on site!

In addition to the business meetings, gathering of friends and overall fun to be had at the International, there are an abundance of tours, both group and do-it-yourself tours! Are you into the Revolutionary and Civil Wars, got 'cha covered! Theme parks? You'll find Kings Dominion nearby. How about horses? Secretariat, the Triple Crown winner from 1973, was born right here in Doswell.

Have a safe, enjoyable journey to Virginia!

***Thank you to the members representing our Region's
11 clubs/units at the Delegates Meeting!***
