## THE MAC COMPUTER ATE MY REPORT

I worked on such a great Winter IBT report for the March Region newsletter, and it has completely disappeared. Can't even find it on my back up drive. Maybe I just thought I wrote it. Maybe I didn't save. Not like me. Anyway, here goes again and with all the trouble I've had, Region 7 members, you better read it word for word! Just kidding.

This was the best Region Officers pre-IBT meeting get together I have attended since being Region 7 President. They really addressed the 'politics' of issues facing us, with the spotlight on 'what our members wanted and were asking for.' This is a recap:

Officers to be voted on by Unit Delegates in Gillette:

President - Joe Perryman  
1st Vice President - Jim Schwerdfeger  
2nd Vice President - Richard Girard  
3rd Vice President - Jim Cocke  
Secretary - Vickie Courtney  
Treasurer - Adolf Knopp  
Nominating Committee - Karin Kurkowski,  
Tom Smithson, & Jay Thompson  
(From which 2 will be elected)

Look for great things to happen with this slate of officers.

Three motions will be sent to Region 7 units to have membership vote on (by the time you get this newsletter you may have already received this). Please discuss and vote at your spring meeting. Note: Your Officer Training Manual has the formula to calculate the vote which your delegate will report at the IBT meeting in Gillette.

Motion 1: Provision for chartering units outside the established geographic regions and for supervision once chartered (for example, the recent Australian Unit).

Motion 10: Changing the Constitution to read: The period for holding the International Rally and Annual Delegates Meeting shall be between June 20 & July 30. This gives more flexibility, moving the International Rally away from the 4th of July and Canada Day, July 1st. Many members have asked for this change. Contracts have been signed for International Rallies thru 2016 so this would not go into effect until 2017.

2015 International Rally in Farmington, New Mexico

2016 International Rally in Lewisburg, West Virginia

Start planning Unit slow caravans. Travels to both sites offer great caravanning experiences.

Motion 12: Strike the words 'to a Unit' referring to pay Unit & International dues. This paves the way for setting up online dues renewals.

The following motions were policy and bylaw changes. I will just highlight those which might interest you:

Motion 13: A policy voted on so that any motions of the IBT would reflect the action sought to have all votes be by roll call, except when a request for a unanimous consent is approved. The minutes would show the names of members voting for, against and abstaining. Passed. (Did this ever speed up the meeting!) Thank you to Pat McFadden, Region 2 President.

Motion 5: Region boundary change taking the Upper Peninsula of Michigan from Region 4 and adding to Region 7. Members in the UP asked for this change as they are closer to Wisconsin and belong to the Wisconsin Unit. Thank you to Bill and Marti Upton for addressing the IBT and helping to get this passed. And a BIG WELCOME TO THE YOOPERS!!!!

Motion 15: Reinstate the News & Views Newsletter by the Electronic Communications Committee subject to editorial review.

Motion 16: Remove yearly allotment of \$45,000 for Headquarter's Services from the International Rally budget starting in 2015. The net result should be lower rally fees.

## HELP NEEDED AT THE INTERNATIONAL RALLY

Can you spare an hour or two to man one of the tables that we are responsible for during registration? 1. Region 7 Table - 2. Pet Show Table - 3. Unit Publications

or Gail Harrower - airstream4478@gmail.com

## REGION 7 GET-TOGETHER AT GILLETTE

This year we are going to do something different. As a Region Officer I have spent out of my own pocket between \$100-\$150 on meals (and this is only the ones required that I attend). Because of the costs of luncheons in Gillette, Gail, Pete & I have decided to have an 'on site' Social Hour Sunday afternoon June 29 at 4:00 pm in Equality Hall Main Dining Room, which will be listed in the rally program as EQ Main. No cost to Region members and a small charge to our friends. Sign up at the Region table during hours of registrations.

## COMBINED RALLY

A first time ever combined spring rally has been planned among the Iowa Unit, the North Iowa Unit, and the Minnesota Unit at Clear Lake, Iowa (please note I said Iowa and not Minnesota) on May 15-18, 2014. So if you are not involved in your own Unit rally please join us. Contact: Wanda Paine, 507-237-5106 or email: jnwpaine@aol.com

## Region 7 Second Vice President Position

by Linda Agre

We are STILL looking for an incoming 2nd Vice President for the Region. Will someone PLEASE step forward????? I have enjoyed almost every minute of my term. I love the members of our Club. I love working with and visiting the other Units & Regions. So I send out this challenge: Step up to the plate. Keep Region 7 the strongest and most active Region in WBCCI. We may be little, but we're loud! You can count on help from me, Gail, and Pete. We are a GREAT team! Come join it!

Folklorama is the world's largest and longest-running multicultural festival of its kind and you will enjoy two nights of VIP Premium Group Tour experience with luxury motorcoach transportation to bypass the line-ups at the door for a progressive, three pavilion, cultural meal with lively, world class entertainment at each.

"All Aboard!" the Prairie Dog Central for a private railway train charter.

We'll go on a historical train ride to the Hitch 'n Post and you'll be able to look inside ... and outside ... at hundreds of "one-of" items from long ago. The train leaves Inkster Junction Station and travels to Grosse Isle, Manitoba. We will be greeted by a volunteer from the Prime Meridian who will chat with the passengers about the trail and the various species that can be found there.

Tour the art, music and food in Winnipeg's French Quarter and visit the St. Boniface Museum, St. Boniface Cathedral and cemetery, and Fort Gibraltar, a replica of a circa-1810 North West Company fur-trading post. The costumed interpreters relive the daily life of the inhabitants of the

site in 1815 as you visit significant buildings in the fort such as the blacksmith shop, the winterer's cabin and the trading post.

Enjoy a prime-rib buffet at Assiniboia Downs and the excitement of live thoroughbred racing comfortably in the air-conditioned dining room or on the outside stands.

Be a part of history in 2014 with the opening of the "Journey to Churchill" exhibit at the Assiniboine Park Zoo. Your guided tour of the zoo is where you will meet "Hudson" the polar bear in his new enclosure.

Be sure to bring your best Chili recipe and enter the Chili Cook-Off. Judging will take place and a winner will be acclaimed. The judging criteria: Chili should look good, smell good and taste good!

Arrangements are being made for you if you medically require an electric hookup to operate lifesaving medical equipment such as CPAP machines. There is a charge of \$160.00 and you **must** pre-register.

Of course, if your unit is equipped with a generator or you have one, bring it along - you will be able to use it. We will have a special generator section.
