

THE POINT

AL-MON-O PA AIRSTREAM CLUB

FROM YOUR PRESIDENT:

Immediately on the heels of a particularly violent storm this month, Dale stepped through our front door and was greeted by this spectacular view. Her photo seems so appropriate for this year's 4th of July holiday! Still, I'd much rather be sharing photos taken during our Airstream travel adventures but, alas, that is not meant to be this year.

Like many of you, we've been very busy catching up on overdue home projects and dreaming of grand travel adventures on the horizon. We're looking forward to making our maiden voyage this year to one of the beautiful PA state parks in the next couple of weeks to test the waters and then participating in the AL-MON-O July Rally in Knox PA. Cody mentioned that we should have a strong turnout for this rally, with all 10 of our reserved sites booked. Can't wait to see everyone!

I'm not aware of any of our members who have become ill with the coronavirus and hope & pray that you all are healthy and continue doing as well as can be expected during these times. Dale & I feel very thankful for our relatively good fortune, particularly while, sadly, so many others are suffering. We're proud to be part of the WBCCI & AL-MON-O Club and have always felt good about the wonderful compassion and generosity of our fellow members during difficult times like this. Please keep our less fortunate neighbors impacted by illness and/or effects of the struggling economy in mind and consider looking after them in any way possible.

From your President, continued from Page 1

On June 20th, our AL-MON-O Executive Board met to review planning for the July and August Rallies, along with a long list of other topics. A copy of the meeting minutes will be emailed to each of our members and will be posted on our AL-MON-O website so that you can read about the details. As always, please don't hesitate to reach out to me or any of our officers for further elaboration on these (or any other) topics.

Finally, as we are now officially at the mid-year, I'd really love to hear from any prospective volunteers for open roles in our club for 2021. We currently are looking for a 2nd VP and a 3rd VP, along with a couple of 2-Year Directors. These roles perform important responsibilities, even though the actual workload is very light. They provide a great way to become involved with the current operation and future direction of our club. Please take a look at the article in this month's Newsletter that describes these roles and let me know if you might be interested.

Please stay safe & healthy and keep your shiny side up!

Please share with the Region 2 members, our YouTube channel "Zephyr Travels" was able to get a 10% discount code for Clear2O RV Water Filters. Last January at the Florida RV Show we met the nice people from Clear2O and they showed us their new RV water filters. They offer a 1 solar carbon micron inline water filter and a 20 micron pre filter. Recently they sent me samples of both filters to test out on our YouTube channel, Zephyr Travels. They also gave my viewers a 10% off discount code that is good for their entire order until July 14th. (one discount per customer for any online order at <https://www.clear2o.com/>)

I would like to share with our Region 2 Airstream family our discount code. Use the code ZEPHYRTRAVELS to save 10%.

For more information about the Clear2O check out our videos review of the filters below:

Doug and Cindy Field and Cody Klingler and Matt Moore got together at Silver Canoe Campground in Rural Valley, PA. It rained all day on Saturday, but that didn't deter Doug and Cindy from grilling some veggies for dinner. It was a great weekend to spend with friends. Here are some photos of the trip!

NEWSLETTER IDEAS!

Hello WBAC members of the Al-Mon-O Airstream Club. Without news, there is no newsletter. Without rallies and luncheons, there is nothing to write about. Or is there? Some believe this is a time where we need one another even more. Please share articles, anecdotes, photos, recipes, jokes, member interviews, anything Airstream related that will let us feel connected. Throw out a prompt like "What is your new favorite small appliance?" or "Adventures with our first camper."

Please send your offerings to Cody Klingler (cwk5292@gmail.com) no later than the 25th of each month. Thanks!!!

Meanwhile, be well and stay well.

Thank you!!

JULY RALLY UPDATE!

It's official! We are completely full for the July Buddy Rally. I had spoke with the campground to see what we could do to get more sites, and unfortunately, they have no more sites available. I would encourage anyone that might want to attend to call the campground (see rally coupon) and see if they have had any cancellations in the park. If you do get a site, please let me know what site you are on and what day you are planning on arriving. I'm looking forward to getting everyone together for a fun weekend!

TRIP TO THE KINZUA DAM AND SKYWALK—ALLEGHENY NATIONAL FOREST

By Craig and Julie Jansen

We spent four days/three nights the last week of June camping at KOA-Kinzua East by Bradford PA. This site was picked because of its central location by the Kinzua Dam on the Allegheny River and proximity to Kinzua Bridge State Park. We found the area to offer interesting recreational activities as well as site seeing. Hiking the 1½ mile Rimrock Trail by the Kinzua-Wolf Run Marina was enjoyable both for the shaded trail, spectacular view of the Allegheny Reservoir, precipitous rock formations and diverse population of birds. Kayaking on the reservoir is

available at numerous coves: there are more than 8 sites to put in boats. We kayaked on Sugar Run Bay right off of PA 312 north of PA 59. It's a wonderful bay with pretty vistas. While we were there we saw a nesting pair of Osprey that amazed us with their flight over the end of the bay. Close to the KOA where we stayed is the Timberdoodle Flats interpretive Trail. There are two trails through diverse habitat for many song birds. We spotted various warblers and other birds on the walks we made at the trail. The most spectacular site we visited was the Kinzua State Park. At the park was a train bridge that stood over 300 feet above the Kinzua Creek which was destroyed by a tornado in 2003. On the southern portion of the bridge 6 support towers remained intact. This section was converted into a "Skywalk" which visitors can now walk to the end and see the stream below and the towers broken by the tornado. At the end of the skywalk the floor is partially glassed in for an incredible view below the bridge which can be walked on if you dare. There is an interpretive center and various hiking trails down to the stream. This park would be a great place to view fall colors. We spent 2 ½ days exploring and realize that this area

CALLING ALL VOLUNTEERS FOR IMPORATANT 2021 AL-MON-O LEADERSHIP ROLES!

We currently have some critical gaps in next year's AL-MON-O leadership slate that need to be filled soon. The most important role for us to fill is 2nd VP, followed by 3rd VP, followed by 2 Year Directors.

Please consider volunteering for one of these leadership roles. They each perform important responsibilities for our club, even though the actual workload is very light. It's a great way to become involved with the current operation and future direction of our club. AL-MON-O is our club and it counts on each of us to contribute at any level, whether simply participating in activities, writing articles, sharing photos, hosting an activity, or taking a leadership role like Vice President. Please help enrich this Airstream experience with your AL-MON-O friends!

Region 2 News June 12, 2020

We continue to work our way through the impact of the last 3 or 4 months, innovating and adapting as we go. With no Region Rally this year and subsequently no in-person Region 2 Business meeting, we did as many others have done...we went virtual. On Wednesday evening May 27th, Region 2 held its first ever Zoom business meeting. I am pleased to say our meeting was a grand success. It was well attended, and it accomplished all Region 2 business required. Thank you to all the local club Presidents and to our Region Officers who participated, reported, and voted. We had 22 attendees in all. It was great to "see" and interact with everyone!

It was extremely satisfying to present and elect a full slate of Region 2 Officers for the 2020-2021 term. Congratulations to RJ Marquette #13270 of the Washington DC club and Gary Russo #1061 of the New York Finger Lakes Airstream Club for stepping up to take the 1st and 2nd VP positions, respectively. I personally want to thank them both for working with me and, most importantly, with each other as we ironed out the details of their service to the Club and our Region. I am confident our future is in good hands and their efforts will continue our trend of a renewed, active, and dynamic Region 2. Thank you, RJ and Gary.

Although many events had to be cancelled as uncertainty concerning the pandemic prevails, not all is lost. A recent check of activities in our Region shows quite a few opportunities to get out and rally responsibly with our fellow members in the coming months. The Al-Mon-O Airstream Club has a Rally scheduled for mid-July in Knox, PA. NY Finger Lakes Airstream Club plans to be rallying in Owego, NY mid-August. Watchung NJ Airstream Club has one scheduled for late August in Rhinebeck, NY. The Pennsylvania State Rally is scheduled for Centre Hall, PA September 11-13 and the Hudson Mohawk club will head to Saranac Lake, NY the following September weekend. Please be sure to check with the local clubs for updates if you plan on attending and keep an eye on guidelines coming from Fed, State and Local government agencies as the country opens for business again. As we know, things can change rapidly!

The business of the Airstream Club, International will be conducted via Zoom with two IBT meetings scheduled for June to replace those originally scheduled for Loveland, CO. Be sure to check the latest edition of the Blue Beret and the Airstream Club website for details. I am confident my motions for a name change to Ontario Canada Airstream Club and for the new logo and flag of the New York Finger Lakes Airstream Club will be unanimously approved by the Board. Congratulations to those two clubs for continuing to update and improve their clubs. Thank you to club #124 President Kate Dowsett and #002 President Randy Hill for their leadership in initiating the new name and new look for their respective clubs. Well done!

Please keep me up to date on any changes to your schedules. Be sure to include me in your newsletter email chains and let's continue to be cautious as we exit the lockdowns we have had to live with/abide by these last several months. Stay positive, confident, alert...and healthy!

Kathi joins me in sending best regards to all Airstreamers in the sixteen clubs of our great Region 2 family. We are planning to see you down the road soon.

Hello Airstreamers

Who knew words from a car commercial of several years ago, with the young voice saying "zoom zoom" when the new sporty car models flew past, would become part of our present vocabulary and so heavily occupy our conversations and time! Well, after the almost 15 hours of Zoom video meetings and webinars I attended, spread out over four days, I'm here to bear witness to the fact that the "zoom zoom" is here to stay. Those Zoom meetings were conducted in lieu of the two (2) Region Officer Forums and the two (2) IBT meetings that were supposed to happen in Loveland, CO at this time. Hats off to the staff at HQ, our IT Committee and the Executive Committee for all of their efforts to make these meetings and the installation of the new IBT officers a success. It was a great accomplishment and all the meetings were well attended!

As I know many of your newsletter editors are preparing new editions, here is a quick update of the most important items from those meetings: Please share with your editors or incorporate into your President's Message as you see fit. Here we go....

All three (3) of the Constitutional Amendments passed. There were a total of 5,597 votes cast from 94 of the 106 local clubs

The 2020-2021 Slate of Officers and Members of the Nominating Committee were approved as submitted. At the IBT meeting, Incoming President Andy Selking named Immed. Past President Mona Heath as Chair of the Nominating Committee.

The Budget Committee presented a balanced budget that included a Dues Increase of \$10 per year. Both the Budget and the Dues Increase Motion were approved. The increase in dues was openly discussed at the Region Officers Forum prior to the IBT meeting and at the IBT meeting itself. There was a powerpoint presentation and several versions of a budget were presented for review at our Forum. This is the first dues increase to the membership in 10 years and will ensure that the Club is able to meet budgetary demands going forward. There will be information in the upcoming Blue Beret to support the decision. I was concerned at first. After review of the documentation provided, listening to the proposals and asking questions, I voted YES to the increase in dues. I believe it is in the best interests of the Club and its membership. I spoke again, several times, during the meetings of the importance of increasing member benefits. Other Officers, including members of the Executive Committee, are now echoing that and I believe we're on track to see tangible improvements coming in the months and years ahead. I will keep pushing.

Online Registration for the 2021 International Rally to be held in Lebanon, TN will open on August 5, 2020. Watch for more information in the upcoming Blue Beret. I will have the date on my calendar and will send out reminders to you all as we get closer to that date.

Both of the IBT meetings and the Region Officers Forums were streamed LIVE on the Club's YouTube Channel and can be found here. Proposed budgets and the powerpoint are also available there in the meeting of Thursday, June 25th.

<https://www.youtube.com/channel/UCM0W7edcbNd07Hehg2qyQmw>

The Installation of Officers was also streamed LIVE, recorded and available through the same link.

One of the most interesting parts of the meetings was listening to Justin Humphries, VP of Sales for Airstream, Inc., provided a lengthy update. You can listen to it in the Executive Meeting of Wednesday, June 24th. After the initial downturn, sales are exploding! Industry wide, the towables are rebounding much faster than the big Class A coaches. This bodes well for Airstream and our Airstream Club! Our HQ reported a surge in new members as well after falling during the early period of COVID. It has been a difficult year but the future looks bright!

Just as in our Region, other Regions of the Club are reporting mixed results in schedules of upcoming rallies. While many events have cancelled, there are still many events on the calendars but caution was still the common theme. Check the schedule of events often for updates and keep an eye on the State guidelines as well. What may be on the schedule for upcoming months may be subject to constant update.

It was with great pleasure that I introduced the names of both RJ Marquette and Gary Russo as our Region's new VPs. I expressed my gratitude to them for volunteering. I also expressed my thanks to all our Region Officers and Chairs who have supported me and our great Region 2 this past year.

Zoom Zoom, Airstreamers...see you down the road. One way or another!

Rich
