Message from our President

Happy July 4th to all.

Congratulations to our new International Board of Trustees and new Region 9 officers. Their dedication to our Airstream club during this pandemic is inspiring.

Save the date of April 13-18, 2021 for our Region 9 Rally. It will be in Mineola, Texas.

We welcome Andy & Lori Frerman and Edward & Yvonne Michek as new members to our unit. We look forward to meeting them in person.

The pandemic of COVID-19 is something we did not anticipate and is something we have never experienced. With over 2,500 deaths in Texas we must still exercise an abundance of caution. The fact that testing in our state is around six percent is alarming.

Our September rally is still on hold at this time. Our scheduled hosts Carol Wallace, Charlie Williams and Doug and Sheryl Wylie are excited and hopeful we will be able to rally in Fredericksburg.

The question many of you have asked is whether we can safely gather for a rally in September. We have been exploring ways to do so while maintaining social distancing. Should we limit the number of rigs attending? Should we limit tours or not do tours at all? Would you attend? What is your opinion? Text me your response and we will have the results in our next newsletter.

Thank you to Ally for her dedication to producing your newsletter. I know she would appreciate news of your activities during the summer. Pictures are welcome. Sharing is the way we stay connected when we cannot socially gather.

Now is the time to consider officers for 2021. I hope you will consider being an officer for our unit. Our unit exists for you because of you. Together we can make 2021 our most successful year ever.

As we practice humanity for others may you stay safe and we will see you down the road.

Joane

Thinking about renovating? Here's a renovating idea that you want to do to your rig from our members Charlie & Carol.

When Charlie and Carol purchased their 2013 Classic Airstream in 2019 they had a queen bed which was built diagonally in the bedroom. There was no room to get in and out of the bed easily and comfortably, so they changed the design to have two twin beds where both can more easily get in and out of the bed.

The renovation included getting out the old bed and pulling the old carpet where a leak was discovered. Thank goodness it was found! After the rotten plywood was replaced and the leak fixed, in went new carpet and twin bed frames. Amazon had the new mattresses which was cut to fit and a nightstand which seemed to have been built just for this job.

Cozy!!

If you would like to find out more about this renovation, let me know (ally.ebbers@gmail.com) and I will hook you up with Charlie or Carol.

Happy summer to remember pictures from our members—while being safe and socially distancing.

THCU Rally Schedule 2020

A mostly tentative 2020 Rally Schedule is presented for your review. Your comments as club members are requested. There are seven rallies on the list and we hope to see you at as many rallies as you can attend. We would like to have two (2) rigs sign up as Wagon Masters for each rally. Having two (2) Wagon Masters makes everything flow smoothly should one have to cancel close to the rally date. One wonderful fact is that our members all pitch in thus ensuring the rally is a huge success.

The Wagon Masters decide on the activities and choose a theme, if they so desire.

Thank you for taking time to review the schedule. Please text Joan Ermis at 830-263-8378 to reserve your choice city for hosting a rally. Don't delay---schedule today.
