K. IRS Filings (01/23/20)

Any WBCCI entity, which employs one of the International Club's Tax Identification numbers (EIN) to conduct its financial affairs is required to file the applicable IRS Forms annually within five (5) months of the end of their fiscal year. The filing shall follow current guidelines, policy and procedures established by the IRS and WBCCI. The entity, not Headquarters, is responsible for preparing and filing the IRS forms and sending a copy to Headquarters. The entities requirements for filing I.R.S. reports are as follows:

1. All WBCCI entities issued an EIN from Headquarters are required to file an IRS Form 990. The form has three versions:
 - a. Form 990-N, Return of Organization Exempt from Income Tax,
 - b. Form 990, Exempt Organization Income Tax Return, and
 - c. Form 990-T, Exempt Organization Business Income Tax Return.
2. YOU MUST FILE FORM 990 IN SOME FORM:

An entity, which normally has annual gross receipts of \$50,000 or less, is only required to file the Form 990-N Electronic Notice with the IRS. Those with gross receipts over \$50,000 must file Form 990 in its entirety. Gross receipts are interpreted as the total amount received from all sources without subtracting any costs or expenses within their fiscal year. International dues are not considered to be gross receipts or disbursements since the Local Club is merely acting as an agent for WBCCI in the collecting of dues. International dues should be excluded in the Local Club reporting on any of the Form 990s.

An entity's gross receipts are considered to be \$50,000 or less if the entity is:

- a. Up to a year old and has received \$75,000 or less during its first tax year.

- b. Between 1 and 3 years old and averaged \$60,000 or less in gross receipts during each of its first two tax years.
- c. Three years old or more and averaged \$50,000 or less in gross receipts for the immediately preceding 3 tax years (including the year for which the return would be filed.)

A majority of the entities will be in the 3-year or older category with normally \$50,000 or less in receipts and are required to file only the Form 990-N Electronic Notice. Entities having gross non-business related income in excess of \$50,000 must also file a Form 990.

3. YOU MAY NEED TO FILE FORM 990-T IF:

An entity has a gross income of more than \$1,000 from sources unrelated to the entity's exempt purpose, such as income from investments and advertising. You may be exempt from filing Form 990, but required to file Form 990-T due to unrelated income. Rally fees and dues are not income items that would be classified as unrelated

Income and expenses reported on Form 990-T must also be included when the entity is required to file both forms. The amounts reported on Form 990-N should be reported in gross amounts for income and expenses. Based on this limitation, a large majority of the entities are not required to file a 990-T report annually.

4. WHO AND WHERE TO FILE:

All Forms of 990 are required to be filed by the 15th day of the fifth month after the accounting period ends. If an entity is on a calendar year basis, the forms would be due on May 15 following the end of the year.

Form 990-N must be filed electronically. Form instructions list the addresses of the Internal Revenue Service Centers where 990 or 990-T should be filed, based on geographical location.

Gross income limitations are subject to change. Refer to the instructions for Form 990 for current limitations. If you have additional questions, please contact your local tax preparer.

It is the responsibility of the entity to prepare the proper IRS form and file it. Headquarters is not responsible for filing entities' forms.

5. LOCAL CLUB/REGION NAME AND ADDRESS:

When filing your form, please use the address shown below as the filing address where XX is your Region and YYY is your Local Club number. e. g., 03 021 is Region 3, Carolinas Airstream Club:
