

JANUARY/ FEBRUARY 2020

KAREN SUKSI, EDITOR

## Happy 2020 ! to you All

Well ready or not ....here is the new year... a leap year filled with the normal curiosities of what will happen during year. But not only is it a year change... 2020 is the beginning of a new decade...

holding loads of possibilities and adventures for those willing to explore.

January normally is an interesting month all by itself... bringing unusual weather and serious physical opportunities [shoveling, drinking, wood retrieving, drinking and (I have read) grown men/women diving into cold waters...who does that?] which stimulate an urge to “get-out-of-town” or flee to places that require fewer layers of clothing or less arduous work...which some of our club members have begun to do.

So if you are still clinging to the notion that all this will get better on its own; consider this thought....

Download the RV Life App on to your device and use the RV trip Wizard to locate an interesting spot to visit...checkout the Campground Reviews site on the internet if you need support in choosing a place to explore or just go for it...much like jumping into a cold, ice rimmed lake.

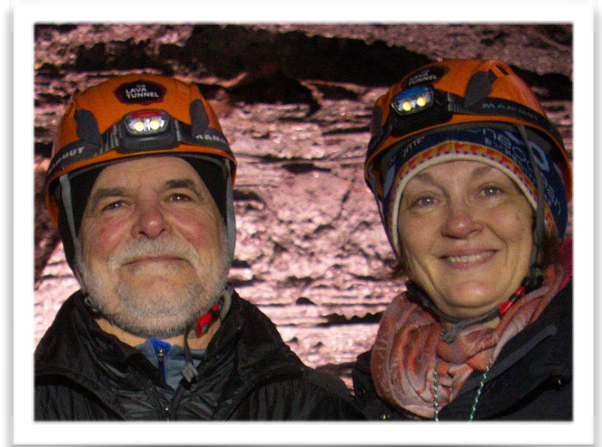

Then send the editor a couple of snaps that show how you are enjoying your Airstream adventure.

# A word from our club president...

We hope everyone had a wonderful holiday season wherever you celebrated. We remained in Fitchburg for our traditional dinners with friends and holiday cheer.

It was good to see those who attended the December Holiday luncheon organized by Vicki Engelstad and Dave Sherman who are now comfortably camped at Big Pine Key. Thank you, Vicki and Dave, for hosting the many luncheons you did over the years. Your commitment is greatly appreciated.

We have a new name! Our request to change our name to **Wisc-UP Airstream Club** was given final approval in November. Thanks to John Cooper for seeing this through.

While Winter may have us in its grip for now, Spring is not far off. We'll be camping again soon, and the entire event schedule for 2020 is posted on our Web site [<https://wisc-up.airstreamclub.net/about/rally-schedule/>]. Please look it over and plan on attending. I think we have good season planned; I hope you agree.

Even if you do not enroll in The Airstream Drivers Class that is scheduled for July 24 – 26, 2020 in Escanaba you could come to camp. The class will be held at the fairgrounds—the site of the 2017 International Rally. The fairgrounds has 500 sites with water and electric. It will not fill up and no reservation is needed.

The **Valentine's day luncheon** is next. It will be held at the Water Street Brewery, 1251 Gateway Drive, Grafton on February 15, 2020. Please RSVP by February 6, 2020 to Ginny Janssen at [vsjanssen@gmail.com](mailto:vsjanssen@gmail.com) or Bill Scheuerell at [bill.scheuerell@sbcglobal.net](mailto:bill.scheuerell@sbcglobal.net). Please include the number

of people who will attend and indicate if you need the kids and/or gluten-friendly menus.

The **St. Patrick's Day luncheon** will be held March 21, 2020 in La Crosse. Bree More-Lawrence and Charles Lawrence will host. Please RSVP by March 12, 2020 to Bree at [moorebree@hotmail.com](mailto:moorebree@hotmail.com)

It's not too early to Register for the May 1 – 3, 2020 **Dells Campout and Spring Business Meeting**. We will be at the Dells KOA again and they are again giving us the reduced rate of \$45. Please make your own camping reservation and register on our Web site. The Business Meeting Luncheon will be at the Moose-jaw Pizza & Dells Brewing Company again. But unfortunately, they are now charging a room rental fee, so even if you are not going to attend the campout please register at our Web site.
