### **EARLY-REGISTRATION FOR THIS RALLY IS "OPEN"!**

#### Registered Attendee List

Pre-Payment of the Registration Fee (campsite reservation) is required with Early-Registration; the three-night total is: (\$98.50) (includes processing fees and non-refundable reservation fee).

In light of the current situation (Covid-19 Pandemic), we are "cautiously optimistic" that time and circumstance will allow this rally to be held. Of course, we will adapt to the reality of the situation as the date of the rally approaches.

"Early-Registration" is the process of Registration and collection of payment for campsite reservations significantly far in advance of the rally, which will allow the club to recover the advance funding that was required for the reservations.

At present, Arizona Airstream Club has advance reservations for wenty-seven (27) Kartchner Caverns State Park campsites.

The schedule of events, activities, meal planning, excursions, etc. are unknown this far in advance. Once the rally plans have been finalized, a second confirmation of attendance, collection of rally fees and optional event/excursion fees (if any) will be accomplished approximately two to three months prior to the rally for those who have secured Early-Registration.

A wait-list will be established in the event all campsites are Early-Reserved.

Approximately two to three months prior to the rally, Early-Reserved site holders will be notified of the need to complete a second confirmation of attendance and payment in order to remain on the rally attendee list. Any early campsite reservations not reconfirmed will be refunded and the campsites with be made available to wait-list participants in order (if there is a wait-list).

Finally, if there remain any unreserved campsites two to three months prior to the rally, complete Registration/Payment of rally campsite fees and rally event fees/rally fees, etc. would be opened to all WBCCI members for those remaining sites, just as in a normal rally schedule to fill any non-reserved sites.

We know that we are asking for your commitment to a rally that is significantly down the road and due to circumstances, might present multiple challenges. The Club will continue to plan for the future, fully acknowledging that we are clearly planning for events in an unprecedented and unknowing future. As always, we are appreciative and grateful for your support.

#### CANCELLATION AND REFUND POLICY: (AAC Policy - 3/17/2020, Pg. 2-3)

REGISTERED ATTENDEES; PRE-RALLY CANCELLATION: Members who cancel after being Registered will forfeit Non-Refundable Fees such as Reservation Fees, processing fees, non-refundable site cancellation fees, non-refundable pre-paid excursion, tour, entertainment and event fees. Every attempt will be made to return "Refundable" pre-paid expenses if and when the Club is able to recover those funds.

Site fees are subject to the cancellation policy of the [rally venue].

Our rallies require significant advance planning for camping venues, events/excursions, advance food purchases and preparation. Any cancellations within 30 days of the Rally start date will forfeit those pre-paid rally fees and depending on the venue, potentially RV site fees.

If the timeliness of cancellation of your attendance does not allow the Host(s) to find replacement attendees or obtain refunds for any of the RV site fees and various tours/excursions, a refund cannot be made, and forfeiture of those costs will be incurred by the cancelling member.

WEATHER RELATED DELAYS OR CANCELLATION: If the Rally is cancelled due to weather conditions, or if members cannot attend or are delayed due to weather conditions, THERE WILL BE NO FULL OR PARTIAL REFUNDS OF THE RALLY FEE.
