# Club Capers

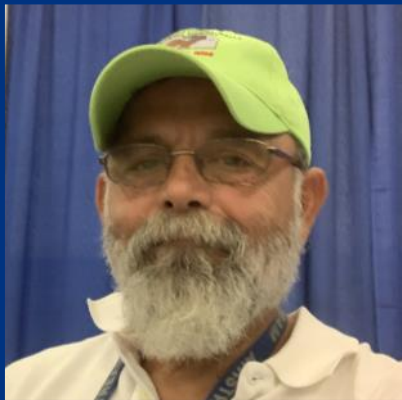

February

**2020**

***Cape Cod Massachusetts Airstream Club***

## ***The President's Message***

**RJ Dominic, President**

I am sure everyone bought a Valentine's Day gift for their special love... Your Airstream!

As you can see by the flyers in this month's Capers, our rally schedule is full; for some of us even more than full! Our first rally is starting in less than two months. How many of you have signed up for the Pets & Paws National Event Rally which is honoring our pets, past and present? I am hoping quite a few will be attending since we are filling up fast.

This year will be a busy year with, not only, our Region 1 elections but the International

elections. You should have already received an email for the Region 1 level elections. We will be doing International elections shortly, followed by the Unit level elections. If you did not receive an email for the Region 1 voting, please contact us at our unit email: [0167@airstreamclub.net](mailto:0167@airstreamclub.net). You can also contact Bill Clements at 978-394-4550 or email: [sandbillc@comcast.net](mailto:sandbillc@comcast.net). These elections are important and as a WBCCI member, you should vote.

Overall, we will be looking for volunteers to fill various positions in the Cape Cod unit. We now have a successful mentorship program in place which is making these positions, both Officer and appointed, easier to understand and learn.

For our unit members who are going to attend the International Rally, either regular or affiliate members, we are looking for an alternate delegate to represent our unit. As President I will be attending the International Rally and will be the delegate. If for some reason, I can not attend the delegate's meeting, the alternate delegate would take (con't on Page 2)

## **Pets & Paws National Event Rally**

Mark your calendars for the Pets & Paws National Event Rally. What a great way to start the

camping season. Bring your pets along and enjoy the wonderful Coastal Acres Campground in Provincetown, MA right at the tip of Cape Cod.

There is a copy of the flyer in this edition of the Capers. You can also go to the CCMAC website where there is also a flyer that you can print out and mail in.

Don't delay as there are limited sites and they fill up very quickly.

## President's Message (con't)

my place and cast the unit votes.

If you have any questions about this position feel free to contact Dottie, Tye, or myself. Dottie has a copy of the Delegate Responsibilities Form and she can email it to you if you are going to be the alternate delegate.

While some of us are sitting in front of our fires staying warm, I do hope that we all are checking out our 2020 rally schedule both in the unit, and in the Region, and are planning for a great camping season.

## CCMAC's New Logo

As many of you have noticed, several years back the CCMAC presented it's new flag, which was designed by Sarah Nelson and Mary Rosenbach.

In keeping with the theme of the new flag, Dottie Walbridge has used a portion of the new flag to design a new CCMAC logo.

RJ will submit this logo to Lori Plummer at headquarters for approval. We then as a unit will need to vote on this new logo to make it official.

## Valentine's Day Luncheon

On behalf of Scott and I we would like to personally say thank you to Trevor and Gail for so kindly arranging the February 16<sup>th</sup> Valentine's Day Luncheon at the Fireside Grille in Middleboro, MA.

We had a wonderful time meeting up with our Cape Cod Airstream Club friends. We arrived early and met up with some friends at the bar while we waited for our tables to be ready. Time flew by talking to the friends about what they have been up too since our last gathering which, for us, was the Columbus Day Rally. The staff at the Fireside had to come over to tell us our tables were ready since we were so engrossed in our conversations that we simply forgot to follow everyone else to the dining room for the luncheon.

The food was excellent as always. Fireside is one of my favorite places for dinner. The company was so awesome, and I could tell by the noise in the room that everyone was having a great time catching up on what they have been up too and what plans they have for upcoming events. We had such a nice time we hated to say goodbye, but we did with the promise of seeing everyone again soon at our first rally Pets & Paws.

## Caravanning No Better Way to Travel By Lucy Roche

If you had asked me ten years ago about joining WBCCI and a local Airstream group.....my husband and I would have said this is not for us. We want to explore what we want and when we want. No group travel for us.

We wanted to take a trip to Alaska and do it on our own. We bought the Mile Post, Fodors, and whatever else we could get our hands on. We soon became overwhelmed with planning our adventure. Our Florida Airstream friends encouraged us to join WBCCI and the Cape Cod Unit. By doing this, we could sign up for any caravan. Thanks to our friends we were welcomed into a wonderful community. Rich and Dottie Walbridge welcomed us like old friends. We told Rich of our hopes to go to Alaska and he immediately introduced us to Bill Johnjuly who just happened to be the Alyeska Caravan leader with his wife Sandy. We were put on the list and the rest is history. Everything was planned and we were to leave on the Caravan in July of 2014.

Somehow life always happens and in February our tow vehicle was stolen while wintering in Miami. We needed a vehicle to get our Airstream home and then to Alaska. Overwhelmed again and with very little time to search for a tow vehicle, we reached out to our Airstream group for help. Not long after we put the word out, Rich Walbridge called and told us of a vehicle for sale at TR. We

ended up buying the truck and making our dream trip to Alaska come true. We had the time of our lives and didn't have to worry about a thing. We always felt safe and welcomed. We never would have seen as much as we did on our own. Caravanning is for us....safety, time, knowledge and camaraderie.

Our second caravan was on the Nor by Nor' East with Trevor and Gail Lake. Another wonderful trip. The choices are endless, but, only if you take the

## 2020 Region 1 Rally Update

**Entertainment Update**  
**"Biggest 2020 Airstream Event**  
**In the entire Northeast"**  
**May 28-31, 2020**

We are pleased to announce that our Thursday night entertainer will be Tom Callinan. Tom is a storyteller, song writer and folk singer. He will be playing his guitar and welcoming everyone to Connecticut with his repertoire of Connecticut and New England songs and tales. He annually presents over 200 performances. He was appointed by Connecticut's General Assembly as Connecticut's first official State Troubadour. Tom will soon

Saturday night we will welcome Inner Grove. A Connecticut based band which will play easy listening, popular tunes, of varying genre. You will want to sit back, tap your feet and sing along with Denise Jones, the lead vocal and rhythm guitarist. Denise is an accomplished musician with years of theater and barbershop training.

Thank you to all the members throughout Region 1 who are contributing to the success of this rally.

Remember the discounted price of \$299 is only through the month of March. Please sign up early to secure your reservation and receive your discount.

## Caravan Leaders Needed for a New England Caravans

Trevor and Gail Lake will be leading their last Nor by Nor'East caravan this summer, so we are looking for new caravan leaders. I would like to have the caravan split into two parts, one in the New England area and the other in the Canadian Maritime provinces. There are plenty of attractions and activities to have two 20-30 day caravans in each region. They do not need to run concurrently, in fact it might be better if they did not because many folks might try to combine the two. The following is the description of the caravan as presented on the WBAC website.

*The Nor by Nor'East National Caravan will begin in southern New England and end in Prince Edward Island, Canada. We begin the caravan in RI and visit nearby Mystic Seaport, CT and Newport, RI. We continue on to Plymouth, MA which is steeped in history; visiting "Plimoth" Plantation, Plymouth Rock, Mayflower II and much much more. Boston's stop is a very busy one with 2 days of tour bus rides from the Topsfield Fairgrounds into Boston. All those sites you've read about in history books will be part of our journey. JFK Library, Bunker Hill Monument, Old Ironsides a chance to eat lunch in the North End and a tour ride on a trolley to see the rest of the historic sites around Boston. Continuing up the coastline to an Oceanside campsite in Searsport, ME and then nearby Bar Harbor will make you a firm*

*believer that Maine is beautiful. A will enjoy the Penobscot Marine Museum, Fort Knox and the Penobscot Narrows Observatory. We will enjoy a real Down East Style Lobster Bake at the campground. Continuing on to FDR's retreat at Campobello island in New Brunswick, Canada and enjoy "Tea with Eleanor". Then on to Moncton where we will visit Hopewell Cape to see the exaggerated tides of the Bay of Fundy. Nova Scotia's 3 stops include campsites that will be home bases so we can travel to Peggy's Cove, Halifax, Louisbourg, Beddeck and of course the Cabot Trail. This caravan includes many lobster dinners and free days to explore on your own. A trip across to Prince Edward Island on a ferry and you will think you are in Heaven. Enjoy the entertainment and restaurants in Charlottetown, local seafood PEI style and a great ice cream shop nearby the campground. We will have our Farwell Banquet in Charlottetown.*

Currently there are three caravans located entirely in Canada and led by Canadians (Viking-Leggatt, Canadian Rockies-Nentwig and Collinson, Northern Lights and Polar Bears-Harrower) and I would like to locate some more Canadian leaders for the Canadian Maritimes caravan. The two caravans already run, Viking and Canadian Rockies, have been very popular and successful as will be the Polar Bear. Keeping the caravans in one country makes the currency "tracking" much simpler.

It would be great to have someone from the New England region develop and lead a "New

England" caravan. Again, there are many locations and activities in the New England region to develop an excellent caravan.

Do you know of anyone who might be interested in leading the modified Nor by Nor'East caravan. I believe strongly that co-leaders, i.e. two, three or four people make a better combination of leaders if they can be found. We will make every effort to provide training for those folks. Also Trevor might be able to include them on the 2020 caravan.

Thank you for your consideration.

Jay Thompson

Caravan Chairperson

## Co Hosts Needed for the Columbus Day & Canadian Thanksgiving

It looks like the Columbus Day & Canadian Thanksgiving National Event Rally will be another sold out event.

Since this is a huge event and I am running it myself, I would love to have two couples come forward and co-host with me to help me out at this very popular rally.

I would need some help with setting up the tables for meals, serving at the few meals we have planned along with general duties that come with hosting a rally.

If you would like to give me a hand, it would be greatly appreciated. Please let me know ahead of time if you plan on being at the rally and that you would like to volunteer.

Please contact me at:

[rjdominic@airstreamclub.net](mailto:rjdominic@airstreamclub.net)

or give me a call: 914-204-6190

## Opening for a 1st VP

RJ is happy to announce that the position of 2nd VP has been filled by Lucy Roche. We would like to thank Lucy for volunteering for this position.

Being a 1st and 2nd V.P. is a great way to learn a lot about the Club and our Cape Cod Unit and have a fun time doing it.

As the 1st V.P. you will attend the Spring and Fall Business Meetings of the unit. You will also assist the President if needed and assume the duties of the President in the President's absence. This is the year that you will plan the next year's rallies, caravans and luncheons. You are not required to run all these rallies but will ask members and/or Directors to either host or co-host a rally, rendezvous or a luncheon.

The Caravan Chairperson will work with you on any upcoming caravans he/she has planned or any caravans that you may wish to plan. You will also ask or assign members to become Directors along with selecting members to head your committees.

The 1st and 2nd. V.P positions are one year positions. RJ and other long time members will be more than happy to mentor you on all aspects of becoming a 1st or 2nd V.P.

Becoming an Officer is a great way to enjoy the friendship and camaraderie with other members of not only Cape Cod but other units

in the WBCCI family.

Why not give it a try. You have nothing to lose and everything to gain from becoming an Officer in the Cape Cod MA Airstream Club.

Please contact RJ if you are interested in taking the position as 1st VP.

## Scusset Beach Rendezvous

If you were wondering why the rally flyer for the Scusset Beach Rendezvous is missing we would like to inform you that the rendezvous has been SOLD OUT!

We have a lot of great rallies and rendezvous this coming summer and some rallies have limited sites, therefore, we advise you to sign up early for these rallies.

Flyers are in this Capers and on our CCMAC website.

Don't miss out on some of these fun rallies.

## Email Addresses for Officers

It has come to WBAC's attention that throughout all the Regions the email addresses of our Officers are being hacked. Emails are being sent asking them for money as they are in a foreign country, etc. I'm sure you have heard of these scams.

Therefore, WBAC has decided that our Officers will be asked to not use their personal Email addresses but to establish email addresses with your name @airstreamclub.net

We hope that all our Officers will comply with this request from headquarters. We found that hackers were taking the email addresses from the unit websites. I instructed Dottie to take all the emails off of our CCMAC website and she did so.

Thank you RJ Dominic

## Member News

### Tom & Penny Angelini #6080

I have recently received some sad news from some Airstream friends of mine. They wanted to inform me that Tom Angelini is now in hospice care at his home in Pittsfield, MA. Tom and Penny are charter members of the CCMAC. They are wonderful friends who were on many caravans with Richard and I.

My prayers go out to Tom, Penny and their families in this very difficult time.

### Russ & Fran Stearns #6475

I received news just today that Russ has passed away. Russ & Fran were members of the CCMAC for many years. We enjoyed many rallies, caravans and rendezvous with them. We also spent some great times at Traveler's Rest in Florida.

My prayers to out to Fran and her family in this difficult time.
