MAAC President's Message

Hello MAAC's!

Old news remains current. COVID-19 is surging again thanks to relaxing of restrictions and people thinking that their Constitutional rights override the virus' ability to infect. With that, we are canceling the Crisfield rally and will change MAAC's Business Meeting to a virtual event as there is no reason to put anybody in harm's way. Good news with this move is that it will enable us to gather together no matter where we are physically sitting. Watch for details on the Business Meeting as I have some homework to do for finding an acceptable conferencing tool and getting it ready (Editor's note: Not Zoom). Toward meeting face-to-face, I can wait until the risks of COVID-19 are gone; even if this takes another year as there is no need to jeopardize anybody's health or life.

How about we focus on a seasonal item for a moment as Summertime makes me think of kites and sports kites. Seeing as we cannot get out to enjoy watching these simple aerobatic machines, here is a video of one whipping around in the air: <https://www.youtube.com/watch?v=l52WDjdRqgo>

And just in case you think that boys get all the fun, try again: <https://www.youtube.com/watch?v=4f-SAzVbKF8>. Let's see if any of you all can do better :)

Will see y'all one way or another . . .

Hanging out with Keystone

In the brief period when things were looking out OK:

On July 13 I took my two children and went to meet with Andy & Rick Pitts (Keystone Unit) in the Greenbrier State Park, MD for a day.

The couple spent a week traveling through Shenandoah Valley and made a stop there for couple of days. Kids were out of school, I out of job, so what else to do on Monday morning when hubby Jonathan had to "go" to work anyway?

I and the children drove 1.5 hour to the Greenbrier from Severna Park, MD and enjoyed fabulous day with Andy and Rick. The park is beautiful with a man-made lake, lots of trees and spacious enough that we all felt pretty safe to socialize outside.

After several rounds of "Trash" (a card game!), picnic lunch and swimming in the lake, Rick had made Mountain Pies over fire for dinner. Few more card games and it was time to head back home.

At least, we got to spend little time together when no-one knows WHEN the next time will be.
