## HAPPY THANKSGIVING

### SEASONS GREETINGS

#### READY.....SET.....GO!

**READY** – It is the time of year when everything seems to gear up! We have enjoyed our first rally at Larry and Penny Thompson Campground. Several new members joined us: Judy and Lewis Fogel, and Jim and Julie Nicholas, and Harry and Sandra Gonzalez. New officers were elected: Eileen Frerking, President, Judy Harrison, 1<sup>st</sup> Vice President, Emilio Caragol, 2<sup>nd</sup> Vice President, Essy Donoso, Secretary, and Susan Quintana, Treasurer. We have been working since last spring to get READY for our club activities. Be sure to look at the page that lists our planned activities for this season.

**SET** – Thank you to those who have already renewed their dues to the International club and our local club. I also know that many of our affiliate members have also renewed. Part of getting set is to make sure your unit is in good shape. A maintenance program is planned as part of our rally in Sarasota.

**GO** – As Wally Byam said, “Wheels are round for a reason – that’s so your unit can GO! Our club did GO to a Joint Rally in North Fort Myers in September, where we renewed friendships and met new people. Thank you to Vicki Digby for planning this and to Airstream of South Florida for their hospitality and generosity. Take a look at the activities in this newsletter - join the fun!

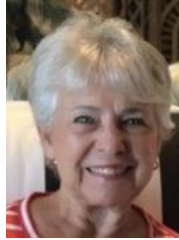

See you down the road!

Eileen Frerking, President

**Minutes:** President Donna Laurie asked to not read the minutes from prior meeting as they had been published in our recent Newsletter. Susan Quintana made a motion to accept them as reported, Tony Laurie second the motion, the motion was approved by all.

**Treasurer's Report:** Susan Quintana, Treasurer, reported that there is \$1561.44 in our checking account. We have the 2 CD's of \$5,017.980 & \$7,020.51. A question was raised by John Frerking regarding the 2018 Taxes. Susan advised that we will be filling in December 2019. Direct deposit is now in place. Susan advised it has been a little confusing. She will continue to work on it to make sure she can identify the deposits coming in.

**Corresponding Secretary's Report:** Nai Carlson was absent, but Donna Laurie advised that we had a couple of members sick. Nai Carlson had surgery, and Myra Joseph injured her arm in a fall. We had two members pass away, Gundolf Boerner, and Jack Chew. Sympathy cards were sent out. A memorial information was sent out and a donation will be made by the club. The club has a designated amount that goes out to an organization or the family. Eileen Frerking advised us that Barb Selking, wife of the International 1st Vice President, also passed away. **Committee Reports:**

- Membership reported by Beth Racavich. We have had a great number of new members. As agreed before, Beth Racavich divided the names and asked Patricio Donoso, Emilio Caragol, and Nai Carlson to make welcoming phone calls to the new members. Beth advised we can also recruit members as affiliates of the club. This works for members who have various homes. Beth Racavich also explained the club card information that can be

left in the windshield of possible members.

- Members Birthdays and anniversaries were mentioned. If you want your birthday and anniversary mentioned in the club's newsletter, please let Tony Laurie know.
- The Club newsletter is in the process of being updated to the main WBCCI website. Tony Laurie is in the process of updating the site with our club information.
- Our club has a new flag with our new name; South Florida Airstream Club. They are for sale for \$33. See the current President (Eileen Frerking) if you would like one.
- Tony Laurie was recognized for the great job he does with the newsletter.

### **Old Business:**

- Emilio Caragol went over the Emergency Procedures sheet to be put into the book. Emilio went over the procedures on how he gets it done. Emergency Procedures Sheet has the information of the local, Hospital, Fire Department, Dentist, Eye Care, Pharmacy and Animal Hospitals. Emilio Caragol mentioned that in the International Rally he realized that no one else is doing this pre work. Emilio Caragol said that it takes him about an hour to complete. He offered to do this for any member who needs it. Just give him the names of the places you will be visiting.
- Emilio Caragol has written the procedures as to how it can be done.
- This Emergency Procedure has been sent to the International Board and will soon be printed in the Blue Beret magazine and will be sent to all caravan leaders.
- Vicky Digby mentioned that she has an app in her phone/apple watch that if she falls it sends a message to the 911.
- Eileen Frerking mentioned that she completed the Emergency Procedure form. She prints it and puts it on their RV screen door.
- John Frerking suggested that we send the Emergency Procedures as a resolution to John Leake, who is the President of Region 3, for him to present to the International Board for consideration, so that this procedure is required in all Rallies and Caravans. Emilio Caragol will be mentioned as the sponsor.
- John Frerking offered to write the resolution and submit it to John Leake on behalf of the club and Emilio Caragol.

### **New Business:**

- December 7, 2019 is our Club Holiday Party. It will be in Ft. Lauderdale. An e-mail will be sent out with more information. It will probably be in the same place as last year in Las Olas. Members are asked to bring Christmas Presents to be presented to the PEPPI Head-start in Belle Glade. Presents are for children of the ages of 3-5. Please bring an unwrapped present. Men buy for boys and Ladies for girls. Also, a monetary donation will be made. John and Eileen Frerking will be delivering the presents to the school.
- The club now has a Tax-Exempt number that can be used when purchasing items for the club. This will prevent us from having to pay taxes on items bought. The certificate is good for 5 years. When buying items, you just have to let them know you are buying for the club and present them with certificate number.
- Eileen Frerking went over the Club's upcoming events such as:
  - ◆ Maintenance Rally explained by Beth Racavich. Several experienced members will talk about different topics like tires, hitch, or general RV maintenance.  
January 12, 2020 Luncheon, Judy Harrison is coordinating. Please let her know if you are attending.
  - ◆ Sarasota Rally, February 19 to 24. For information on the Elvis impersonator please see the web site called Shake, Rattle, and Soul. More information to come from Eileen Frerking. Sarasota camping fee will be \$25 per night. It can accommodate 30 rigs.  
Charlie May will get with the site management. Events in the planning stage.  
More information to come via e-mail.

◆ Club Caravan to three State Parks.

1. Lake Kissimmee State Park 3-16 to 3-18
2. Lake Louisa State Park 3-19 to 3-21 Hosted by The Laurie's
3. O'Leno State Park 3-22 to 3-24

You may attend the entire caravan or partial days/weekends

The difference between caravans and rallies is that caravans move from one place to another, the rallies are in just one place.

Each site may have a sponsor/host. A sponsor is someone who researches things to do in the area of the rally or caravan. Eileen is looking for Hosts for O'Leno State Park.

The meeting was adjourned at 11:45 a.m.

Respectfully submitted,

Essy Donoso  
Recording Secretary

Susan Quintana  
Judy Harrison

Discussions:

- Urban Rally coming up in Havana Florida 3-27 to 3-29. Judy Harrison explained her attendance last year and recommended for us to join the fun.
- New Members Mentoring Program. It was decided to include all current members in the partnering so that all can participate. This way the welcoming phone calls are not a burden to just a few. Board members thought the idea was good and should be moved forward.
- State Caravans, we need hosts for each site. Judy and Elwyn are hosting Lake Kissimmee. Laurie's are hosting Lake Louisa. We still need a host for O'Leno SP.
- The maintenance meeting was discussed, Emilio Caragol suggested we conduct such meeting in our upcoming Sarasota Rally in February 2020. The board members agreed to move forward with this idea. Emilio will work on the scheduling of experts.
- Judy Harrison went over the 2021 Club Caravan. The parks are still pending. There are four possible parks for a total of 11 days. More to come once Judy finalizes the plans
- Eileen is still working on the concert information. That information will be coming by email very soon. Watch for the email.

Larry and Penny Thompson Campground and Park  
12451 SW 184 Street, Miami, FL  
October 24-28, 2019

Being a resident of Fort Lauderdale, I have been a bit hesitant to sign up for this event hosted each year in Miami. I go for wooded campsites that are not densely packed with people. I am looking for park like scenery, fun adventures, good food, and don't want to be bogged down with meetings. My objective is to play and relax with old and new friends. To my delight, this rally delivered on all counts. The Larry and Penny Thompson county park is one of the best I have ever camped. I found it miles ahead of Pennekamp or those in Key Largo where I thought I wanted to camp. Perfectly located just south of the Miami Airport, it was an easy drive to many activities like John Pennekamp State Park, Everglades National Park, Robert is Here, Miami's South Beach, Schnelby's Winery in Homestead. I am the type that gets bored easily and there was plenty to keep me entertained. We had a terrific turnout of Airstream friends old and new. That always makes for special memories and keeps our enthusiasm up for returning to future airstream events. Last but not least was the expert planning by our President, Eileen Frerking, and her team of volunteers who made the weekend run flawlessly. This is no small task for a crowd our size. Congratulations to all for a fabulous rally. We can't wait to see what you have up your sleeve for next year.

Stephanie Farmer

# The Importance of **Emergency Planning**

Emilio Caragol, # 9332

The best way to handle an emergency is to be prepared for one. Knowing what to do ahead of time can help you stay in control so that you can help.

Most of the time we travel to new destinations out of State and sometimes to remote locations having no idea of the availability and response time for emergency assistance. Having an **Emergency Plan** included in your travel itinerary is simple and should be a part of your trip preparation whether you travel by yourself or with a group.

Generally, a travel plan would include, miles driven per day, re-fueling stops, tools & equipment, overnight reservations, food stops, and site-seeing. However, we don't include information on what to have or do in the event of emergency.

## **Following are areas of consideration during your trip planning stage:**

1. Basic electronics (Communications)
2. First aid kit & fire extinguisher
3. Personal needs
4. Clothing
5. Your medications and Rx
6. Necessary documentation
7. Cash

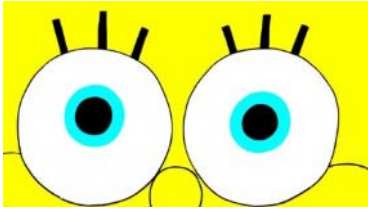

## **Things to consider when reporting an emergency:**

1. Take a deep breath and stay calm
2. Call 911
3. Say your name and location of emergency, including address, site and trailer number
4. Explain what the emergency is and how many people are hurt
5. Follow all operator's instructions carefully
6. Stay on the phone until operator says it's OK to hang up
7. When First Responders arrive do not interfere, they have operational control of the emergency

## **Things to include in your emergency form:**

- A. Campground information: Name, Address, Phone Numbers, and Rally Dates.
- B. Rally Primary and Secondary Contact: Name and Cell Phone Numbers.
  1. Hospitals
  2. Fire Department & Emergency Medical Services
  3. Dental Care
  4. Eye Care
  5. Pharmacy
  6. Animal Hospital

## PRESENTS FOR THE CHILDREN AT PEPPI HEADSTART IN BELLE GLADE, FLORIDA

This year our club will continue our tradition of bringing unwrapped gifts for children of PEPPI Headstart Preschool Program in Belle Glade, FL. The children are from one of the most economically depressed areas of Florida. Carrie Leining of Faith Lutheran Church has led this effort for many years. Our plan is for the men to buy a toy for a boy and a woman to buy a toy for a girl. The children are 3-5 years of age. Each child will receive a gift bag that contains a toy, a book and an outfit – the parents promise to have them wait until Christmas to open the presents. John and Eileen will transport the gifts from Ft. Lauderdale to Carrie at Faith Lutheran Church in North Palm Beach. Any additional gifts or donations are always welcome! A BIG THANK YOU TO THOSE MEMBERS WHO DONATED THEIR BOAT RIDE REFUND TO THIS PROJECT. Carrie will fill in the gift bags as needed. Volunteers from the church and community have a wrapping party to get the bags ready. More information about PEPPI can be found at the following website:
