## Presidents Message

~ Bard Fuller

Standing here upon the immense battleship USS Massachusetts gives me pause of what sailors and other military men and women had to endure during World War II. So many gave so much so that we could enjoy the freedom and prosperity of America today. As Airstreamers, we enjoy the best of life traveling from weekend to weekend finding the great attractions that this country has to offer. Our first camp out of the season was outstanding with all the history that the New Bedford/Fall River area had to offer from the life of whaling to a WWII

battleship to the proud Portuguese people of the area that provided us with the mouthwatering seafood.

For more about the last couple of events, including the Region One Gathering, plus info on rallies this summer, this issue is filled with informative reading. Please note that there are two new rally locations being presented for the first time in the Chatter.

In August we will be at Brook n Wood Campground not far from our featured attraction the Old Rhinebeck Aerodrome in the Hudson River Valley. Bill and Evie Watts will be our hosts. In September we will be on the beach in Milford, CT -- a first for any camping group ever! This rally will feature a visit from the Milford Police Canine Patrol for a canine demonstration. Thanks to Rich Kushman and Mike Sasuta for putting this new intriguing event together.

Even though the New York City Rally is sold out all other upcoming rallies have openings at this time. So, for those who have not gotten their trailer out this season it is time to kick the tires, wash off the pollen and meet us down the road for some great fellowship. Let's venture out and take advantage of what America has to offer. ~ Bard

**Question** Which word in the Webster Dictionary is spelled incorrectly? Answer page 7

We really enjoyed the May 15-17 rally in Fall River, Massachusetts thanks to the **GALASYNS** and **FULLERS**. It's a unique area to tour.

**RICK & BETH PETRIE** are happy to have sold their home in CT. They are anxious to spend time at their summer place in NY and home in Florida at TR. Sounds like a good plan!

Congratulations to first time great grandmother **CECILE LEMAIRE** on the birth of Andrew Joseph. Be sure to have pictures to show us!

Please keep our dear members in mind by calls/cards, as they are going through health issues: **LYDIA ROSENBECK** , **AILI GALASYN** and **GALE LAKE** (spinal surgery June 11<sup>th</sup>). We wish everyone well.

Today is the oldest you've ever been, yet the youngest you'll ever be, so enjoy this day while it lasts. ~

### Our Visit to New Bedford, MA ~ by John & Grace Fuller

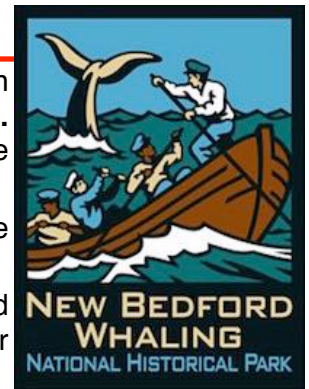

After getting parked at the rally site we were off to the city of New Bedford . Our destination was the National Park Visitor Center where we viewed the film **The City that Lit the World**. Here we learned the importance of the whaling industry, the smoke free whale oil to light the homes of the people around the world. It was a good introduction to the history of the city.

Our walk around the historic district of the 1800's city was enjoyable with views of the old large sea captains' houses, cobblestone streets, and views of the harbor.

The next day we returned to New Bedford to visit the Whaling Museum. The museum is filled with paintings of whaling, artifacts from the whaling ships, articles the whalers made during their free time. So much to see we were there all morning.

After a delicious seafood lunch at a nearby restaurant, Freestone we took a drive around the harbor area. This gave us wonderful views of the fishing boats and pleasure boats. Then on to the pre-Civil War fort, a lighthouse and a great sea wall with its water gate to keep out flood waters. Also in the area was the war museum which we toured.

A most enjoyable weekend. ~

What a handsome group.

### Portuguese Maritime Rally ~ by Mark & Marie Lupien

The, "Portuguese Maritime Rally" hosted by, Val & Aili Galasyn and assisted by, Bard & Kathy Fuller was a Great Success. Aili was unable to attend due to health issues; we wish her our best for a quick recovery. Our thanks to the hosts for choosing the Westport Camping Ground which is located close to many attractions and served two delicious breakfasts to start off our daily adventures.

There were 17 members at the rally and everyone had a wonderful time exploring New Bedford, Fall River, and the surrounding beaches, and museums.

We especially enjoyed touring Battle Ship Cove in Fall River. The USS Massachusetts with its enormous 16 inch guns was a sight to see. As we were leaving Battleship Cove we saw Boy Scouts running everywhere. They planned to camp overnight on the battleship "Big Mammie". What a great opportunity for these young boys to experience this ship and its history.

On Saturday evening Grace Fuller was pleasantly surprised when her family presented her a birthday cake and the group broke out in a resounding chorus of Happy Birthday. After devouring the delicious cake 15 of us went to dinner at the "Portas Da Cidade", a Portuguese restaurant in Westport MA. which was highly recommended by Rose and John Tavares. Many thanks to Rose and John, the restaurant was outstanding, both the service and food, especially the top notch seafood. ~

Westport Camping Grounds was very accommodating and very pet friendly.

Bard, at the helm...

Happy Birthday Grace!

A cozy and friendly rally.

Never argue if the lady has a gun!

## IMPORTANT INFORMATION FROM THE EDITOR

OK - what's so important? The big bold title is to encourage your reading this section. Not that you don't read every word of every Chatter of course but June can be a busy month. The flyer for the September rendezvous is included in the second part of this Chatter and we may not be able to fit more than 20 units. Before even publishing this information there are several spots already reserved - soooo **GET THE LEAD OUT - SEND THE CHECK!** capeesh?

### Americana Personified

Submitted by Kathy Fuller

On Sunday, May 3<sup>rd</sup> fifteen club members were treated as family at Bill and Evie Watts' charming home. The farmhouse was surrounded by stone walls and lots of trees. It was like Thanksgiving in a Norman Rockwell setting. The homestead smelled from the roasted turkey, everyone brought something to share and after we ate we sat around the dining room table and talked. Bill and Evie were proud to talk of the history of the house, its previous inhabitants and the plethora of antiques. Across the road was the big white barn with the Airstream framed in the barn doors.

Oh, did we forget to add that the sun was shining, the daffodils were blooming and the birds were chirping? Yes, it was the Spring Luncheon and Business Meeting. In addition to welcoming back some Snowbirds we enjoyed meeting new members Roy and Silvana Bertalovitz. They are on their second Airstream and spend part of their time in Texas. We all had a wonderful time catching up on family and travels since many of us had not seen each other since last year. ~

### Spring Business Meeting

The Spring Business Meeting was held in conjunction with the Spring luncheon at the Watts' home. The basics are the following:

The treasury report showed a total of \$9,161.12 in our club bank account.

Profiles of international candidates were circulated at the meeting. At this point no all candidates are running unopposed. Bard Fuller will be our delegate at The international delegates meeting in New Mexico. He was given the authorization from the membership in attendance to vote his conscience at the meeting should other candidates be presented from the floor.

The membership endorsed the constitutional amendment to change the wording to be more specific on how and when the delegates at the international delegates meeting can request a vote by "Unanimous Consent" in place of the traditional "Role Call" vote when it is likely that there is unified agreement on a specific delegate issue .

Membership also endorsed the request from Rich Kushman for the club to subsidize the Milford, CT Rally in September in the event that attending participants not fully cover the cost of the donation needed to allow us to use the city's park.

Membership voted to reimburse Bard Fuller for any activities or meals that were needed while he was officially representing the unit at the International meeting up to \$200. Note that Bard believed it would be far less than this amount. ~

# Region One Gathering *~ by Bard Fuller*

The weather was splendid for the 2015 Region One Gathering in Greenfield, MA.. Billed as a “gathering” it was a no frills, no fuss outing. However, one thing that was not cut back was the bounty of food. There was plenty throughout the weekend culminating in a 36 foot spread pot luck dinner Saturday evening. Job well done by Ernie & Tye along with organizational skills of Rick Cipot.

The featured program was the Quebec Unit's 2016 Region One Rally audiovisual presentation featuring the highlights of touring nearby historic Quebec City. Sounds like a must see we will all want to put on our 2016 agenda. The dates are August 4-7 2016.

The purpose of this rally or

“gathering” was the annual Region One business meeting. With no regional old or new business, time was spent by president Ernie Bauer articulating a recently released report outlining proposed constitutional and bylaw changes to be covered at the international delegates meeting in New Mexico. Topics included lifetime membership wording, payments and benefits; acceptance of holding two elected offices simultaneously; an international rally site search committee; wording of how the Wally Byam Caravan Club International is referenced within the constitution; and overhauling how the midwinter meeting rally is financed. All changes looked logical at first glance yet as your delegate I will be working with our region officers to make sure these proposed changes are appropriate for the membership at large. ~

# Bard's Good, Bad, & Bizarre Airstreams “Top Dog Airstream”

Portland, Connecticut's own “Top Dog” concession stand represents a growing number of Airstream trailers that have been converted for a second life. Just four blocks away from the the Portland Riverside Marina it will serve as a lunch destination for those attending the June Marina Rally.

The modified trailer, a 1963 Bambi, is the creation of Andrea and Allen Spaulding of East Hampton, CT. They have been selling hot dogs from this trailer for 30 years. Originally they were under the Arrigoni Bridge in Portland. They have been a fixture on Route 66 near Airline Ave. for the past 25 years. Originally purchased as a travel trailer, Allen converted the trailer to a traveling lunch stand. He built all the counters, steamers and added new plumbing. The classic silver outside was first painted red. Then with a little imagination and the help of a neighbor in the fiberglass business they built the hot dog ends at home and secured them to the trailer. It was repainted to the familiar hot dog and bun colors. They then topped the trailer with custom made fiberglass mustard, ketchup and onions.

Today it rarely ventures away from its Route 66 location. Its longest trip was to the WBCCI Region I Rally in Woodstock, CT several years ago. Occasionally it is hired for church fairs or private parties around the Middletown area. The tow vehicle is a classic 40 year old Checker taxi cab complete with a ticking meter.

Dine with us at “TOP DOG” while at the Marina Rally. Flier and coupon are attached to newsletter.

***Boston Harbor Islands***

***July 23-26***

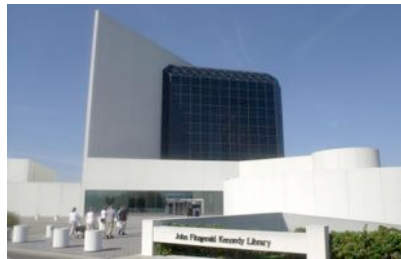

The featured attraction at this rally are the islands in Boston Harbor including George's Island with Fort Warren, a National Park Site. Centered around Hingham are several other attractions that one may want to visit Thursday or Friday.

The Old Ship Church is the only surviving 17<sup>th</sup> century Puritan meeting house and is the oldest continuously worshiped in church in North America. Presently it is the home of an Unitarian Universalist congregation. A tour and talk of its rich history are available weekdays from 1-4 PM.

In the neighboring town of Quincy is the Adams National Historical Park featuring presidential homes of both John and John Quincy Adams. Regular ranger tours and trolley excursions to the historical sites are available from the Visitors' Center.

The JFK Presidential Library and Museum is located in South Boston about 30 minutes away from the campground. Here you can relive the 1960's with movies, family photos and political memorabilia of the Kennedy's. You will be taken through the political rise of John F. Kennedy, the US Space Race, the Cuban Missile Crisis, the Civil Rights Movement and other world events of the times. View the Oval Office and exhibits of First Lady, Jacqueline Bouvier Kennedy.

In nearby Marshfield is one of the largest collections of historical silver aluminum aircraft like camp trailers. The collection includes a '35 Boulos Roadchief, '36 Airstream Clipper, multiple Silver Streak Clippers and a restored Spartan.

For those that would like to stroll or bike the old carriage roads along the coastline "The World's End Park" has magnificent views of the islands and the Boston skyline.

***Old Rhinebeck Aerodrome***

***August 21-23***

The Old Rhinebeck Aerodrome Rendezvous is coming Aug. 21-23. However, Bill and Evie Watts **absolutely need your reservations for the campground by July 20.** Brook N Woods Campground started as an Airstream park years ago though few Airstream are left today. It is a premiere campground with level grassy sites, 30 amp electric, water, sewer, cable and wifi. We have 15 sites reserved for our group. The featured airshow is scheduled for Saturday afternoon and just a few miles from the campgrounds.

If you have never seen this airshow I believe you will be impressed. The following description is taken from the Aerodrome's website:

"The Old Rhinebeck Aerodrome is a true "living" museum of antique aviation located in the historic town of Rhinebeck, New York. We present one of the largest collections of early aeroplanes in the world, as well as automobiles, motorcycles, early engines and memorabilia spanning the period from 1900-1939.

During our exciting weekend air shows, the Aerodrome turns back the hands of time and relives the early years of aviation (weather permitting). This colorful era is brought back to life amidst the roar of rotary engines and is great entertainment for all ages. The Saturday shows chronicle the history of flight with pioneer, World War I and Lindbergh era aircraft taking to the skies. If the winds are calm you will even see our 1909 Bleriot (the oldest flying aircraft in the United States) take to the air. "

# BOSTON HARBOR ISLANDS RALLY

JULY 23-26, 2015

Hosts: Mark & Marie Lupien

Assisted by Bard & Kathy Fuller

**Attention:** The Boston Harbor Island Rally requires Reserve America Reservations. Early sign up is highly suggested so we can get grouped together. There is no guarantee how long these sites will be available. We would hate to have you miss out on this awesome rally opportunity!

We will be camping at Wompatuck State Park in the heart of historic Hingham, Massachusetts, an idyllic colonial town with its stately 18<sup>th</sup> and 19<sup>th</sup> century houses. The park entrance is just a few minutes drive to the harbor docks where you can hop on a non-stop passenger ferry to center city Boston. Our agenda on Saturday is to take the ferry to Georges Island, the centerpiece of the Boston Harbor Islands National Recreation Area which is composed of 34 islands and peninsulas of undisturbed coastline. Georges Island is located alongside the main channel to Boston's inter harbor making it a strategic location for Fort Warren which provided coastal defense in previous centuries. Today it is the heart of the National Park Preserve with Ranger tours of the fort. It is also the stepping off point for ferries to many of the other unspoiled islands which have wonderful kayaking and hiking opportunities. With the skyline of Boston in the background these islands are a hidden jewel in the metroplex of greater Boston. To preview this special island and the history of the fort check out this 9 minute YouTube video: <https://www.youtube.com/watch?v=Xp7LEjvOXOo>

For those days that we are on the mainland, history abounds in neighboring Quincy, known as the “City of Presidents”, the birthplace of John Adams and John Quincy Adams as well as John Hancock. Just minutes away one will find Nantasket Beach or the stunning vistas of the Cohasset coastline. Hingham is the location of the Old Ship Church, the oldest continually operating meetinghouse in the United States. Hingham is also the site for World's End, a 251 acre waterfront park designed by Fredrick Law Olmsted offering fabulous hiking and biking trails. All this and more are available for those who book this 3-4 day weekend adventure.

Back at the campground your hosts will be providing 3 breakfasts and overseeing a Saturday night potluck dinner. The campground offers 20 amp electric service at each site. Although there are no water connections at each site water spigots are found throughout the campground to use to fill your tanks. The heavily wooded campground provides a nice canopy of trees for shade. Nearly all sites are level and long enough even for our longest trailers. Check in time is 1 pm. A dump station is available upon your departure. **This rally has been designated as a buddy rally so bring along a non Airstream friend.**

### **Reservation & Camping Requirements:**

**1. - Book a site on the computer** using Reserve America for Wompatuck State Park in Hingham, Massachusetts.

(presently \$26.00/night for out of state residents + R.A. service charge)

Your host will be at site # **F-017**. So pick a site on row F or close by.

2. - Contact Marie Lupien with:

- a) your site number,
- b) number of nights attending,
- c) payment of kitty fee: Thursday-Sunday = \$8/person  
Friday-Sunday = \$5/person

**Friday: Pancakes, sausage, coffee/tea/juice**

**Saturday: Muffins, yogurts, coffee/tea/juice**

**Sunday: Muffins, yogurts, coffee/tea/juice**

**Note:** The islands are free of charge however there is a \$16 round trip ferry charge to the islands which will be purchased individually at the dock Saturday morning.

3. - Provide a pot luck item for Saturday supper.

**Directions:**

Take I-90 E to I-95 S to I-93 N. Take Route 3 South to Exit 14 and the intersection with Rt. 228. Follow Route 228 North for approximately 4 miles. Turn right onto Free Street. Continue one mile to the park entrance at 204 Union St.. The camping area is 1.5 miles in the park on the right.

Pet Policy: Well mannered pets on a 6 foot or less leash are welcomed in the campgrounds. However, pets are not allowed on Georges or Spectacle Islands. Other islands and World's End Park are pet friendly.
