President's Message ~ Evelyn Watts

Wiley said "8 a.m. is too early for breakfast", Joyce said "8:30 is too late", Gill suggested "8:12 a.m.", -- that sounded good, so we settled on that for the time to start our day at the "Who's on First Rally" in Cooperstown, New York.

Sharing the area with our COCU friends has been Bill's desire since we became members, and we finally did it! The KOA campground was perfect and owners Kaaren and Kate were the best. The magnificent hill-top location is nestled between pastures and cornfields. The mooing of 300 cattle grazing nearby greeted us each morning, and lulled to sleep us in the evening. Cooperstown, on the shores of Otsego Lake, is a beautiful village with numerous activities and points of interest to visit.

The Easy Breezy Rendezvous is next on the calendar. Its location is beachside on the Long Island Sound in Milford, complete with a

boardwalk for taking a stroll in the morning or evening hours. Saturday is free to explore the many attractions in our home state. Send in your reservation to Sandy Sasuta today.

Our last rally is a joint gathering with the New England Unit from September 29 – October 1 in Newport, Rhode Island. The available sites are all taken and the rally is on a standby basis. Then COCU's fall membership meeting and Installation of unit officers and Staff will follow on October 15, at the Manchester Country Club. Send your reservation to Jim Burnham today.

Our summer is drifting to a close and incoming President Joyce is busy planning the coming season and lining up the Executive Board. Do not wait to be asked to pitch in – STEP UP TO THE PLATE AND VOLUNTEER! Being involved is fun and "many hands make light work." ~ President Evie

Bill delighted in sharing his knowledge of the Cooperstown area and the many local breweries.

Ballad of the Blue Beret

Sightseeing ones on the road,
mighty ones who hitch and go,
we who mean just what we say,
the brave ones of the Blue Beret.

Silver dome behind a truck,
on the road, we are in luck.
All of us who tow today,
we all wear the Blue Beret.

Passing up those SOBs,
paying only Airstream fees.
We must have those silver domes,
though in hock we've put our homes.

Those strange numbers way up high,
and what's "WBCCI"?
Go on rallies, caravans,
just to live inside a can.

Snug and warm, tonight we sleep
on those special fitted sheets,
and just try to get them flat...
Off they flip and cause a flap.

Trained to level and unhitch,
hook up lines without a glitch,
trained to live off nature's land,
trained in dumping, wash your hands.

Ninety miles from the last site,
seems I've made some oversight.
I blame last night's campfire foray:
Where the heck's my Blue Beret?

COOPERSTOWN A HOME RUN

~ Ruth Crockett

A wonderful rally was enjoyed by all, it was an outstanding location. The weather could have been more co-operative, but the rain did not dampen our spirit.

We arrived Thursday, August 7th, to a very welcoming KOA and rally attendants. Happy hours, pot luck breakfast, hot dog supper with Friendly sundaes for dessert were enjoyed by all.

There was so much to do - here are several attraction:

- National Baseball Museum
- Farmers Museum
- Fenimore Art Museum
- Fly Creek Cider Mill
- Local Distilleries & Breweries

We invited fellow Airstream campers, Jonathan & Melissa Schau, to our happy hours. Jonathan is the author of "Ballad of the Blue Beret" which is sung to the Barry Sadler classic "Balad of the Green Berets" - give it try. ~

Duh duh duh, duh duh duh duh - everyone hummed along while Rich Kushman presented Jonathan's famous Ballad of the Blue Beret.

Airstream lyricist Jonathan Schau with Melissa and Jonathan not wearing his Blue Beret!

If you don't know where you are going,
you might wind up someplace else.

The very friendly KOA hosts and staff come waving by.

With his wiener in hand Billy served up a true Cooperstown dinner.

Good dogs!!!

One of our hosts, Kaaren, giving Billy a very special tour.

Put the 3 things Billy loves in the correct order.

Close attention by all as Bill Watts expounds on beer, baseball, and Cooperstown.

Watts for Dinner

~ Bill Watts

COOPERSTOWN DINER has been a landmark on Main Street since 1926. From a business standpoint, it was a struggling landmark. That changed very quickly when my parents, who were experienced short-order cooks and had previously owned a diner, took over the management in 1948.

Father believed in serving generous, high quality meals, starting the day with large, farm-fresh, golden-yolk eggs. The aroma of fresh-brewed coffee and Mother's warm clover-leaf rolls greeted the locals as they entered. As the morning progressed, fresh-baked pies came out of the oven accompanied by hearty, home-made soups. Business prospered.

The diner was a gathering place for townspeople and local officials who came in regularly and discussed what was happening in the community and local area. It was a great way to grow up.

My parents ran Cooperstown Diner for a number years, moving on to manage the refreshment stand at the Farmer's Museum until their retirement. ~

Still in operation the cute little diner where Billy toiled.

News from Joyce Rousseau

"I returned home from our Cooperstown trip to get some very upsetting news from my breast surgeon. Cancer has been discovered again and surgery will be Sept 6. I know that all of you care, and I thank you for that, and ask for your strength and prayers for a complete and rapid recovery. I have a goal of not missing any COCU activity, so I'll see you at Walnut Beach and the installation in Oct. I might need to do a bit less and move a bit slower, but I'll be there if at all possible." ~

Things to Ponder- Continued...

(Joyce Rousseau- 1st VP with the Pres's permission)

Time is fast approaching (October 1) when our 2018 schedule is due to headquarters. We've made progress but there are still some months without an activity and a very important office to fill. You might be anxious about volunteering for 2nd Vice President but it's an office that leads to knowing the club members better and stretching beyond our local unit. There are many people to lend a hand with the job, but we need one person to accept the position and lead us in 2019-2020. Won't you consider accepting this challenge and volunteering or saying "Yes" when asked? All of your friends in Charter Oak will be appreciative!

The months of April, July and September need a rally location and/or sponsor. Again- your club needs **volunteers** to fill these vacancies. You don't need to do anything elaborate. We have fun together almost anywhere doing lots or little. There's always something to visit and food to share! (August could fit in a Charter Oak activity after the Region 1 Rally, so add that to the list.) I am confident that volunteers will appear soon.

The Installation of Officers is Oct. 15. It is also our fall business meeting. You've probably heard about a potential name change to incorporate "Airstream" into our unit/club name as recommended by headquarters. We'll talk about the issue and perhaps come up with a few suggestions so please try to be there. Along with that comes another idea-how about a club flag that is more colorful and reflective of our great unit. In the next Chatter I will have examples of what other states have as their flags and perhaps a design or two to consider for us. If you have some input please send it to me and it'll go in the Chatter along with the others. We will not vote on either of these topics at this meeting but I'd like input to set our direction as a club.

Having said all that - *have a wonderful end of summer.* I'm looking forward to more adventures and good times with friends during my year in office. Hoping to see you there! ~
