In 2021, we are going to expand the Schedule of Events to include popular destinations outside the state. For the Black Hills Rally, we're working with Custer's Gulch RV Park and Campground in Custer, SD. Since this is a very popular, high demand destination, it is a first-come/first-served booking. That is why we need everyone who is interested to BOOK NOW. **You CANNOT use their website or call-in to make reservations. You have to RSVP by email and follow the instructions on the document attached. (DO NOT register online!)**

**After you have reserved your site**, click the **Black Hills Rally** link above to register with CAC. Your registration helps us keep track of openings and is the only way to add your name to the attendees list to receive event updates.

*“Deadwood...the landscape is breathtaking. It’s sitting right on the edge of the Black Hills National Forest, with its eerie rock formations, beautiful pine forests, barren rock, canyons, and creeks. I can’t think of a more beautiful place on Earth.” – Author, Sylvain Neuvel*
