#### Greetings from your new President

otice the huge smile on Kathy's face as she receives the club's appreciation for a job well done. Her calm and knowledgeable leadership was exceptional and helped guide our club through a very unusual and challenging year. Kathy deserves our sincere thanks for a job well done.

As I begin my term, I am pleased to know that there are so many experienced members always willing to support me as president. Knowing that I can call upon so many of you for guidance is most helpful. I also would like to thank the incoming slate of officers. I'm very pleased with the balance of experience and new energy that we have with the Board of Directors. I plan to reach out to them soon with decisions as the year progresses.

The 2020-2021 year will be challenging as our country continues to deal with the coronavirus. Adjustments to our rallies and social gatherings may very well be necessary. We do have a number of rallies planned for the coming year which I am very excited about. Please check out the event schedule included in this Chatter. As the season progresses stay tuned with the Chatter, Club website, Face-Book and weekly Zoom meetings for updated information as our response to COVID evolves.

#### Big Tom

by Richard Kushman

One gobble, two gobble, three gobble four! Big Tom, our turkey, rushed through the door.

One gobble, two gobble, three gobble meat! Tom squawked out a list of what we should eat.

One gobble, two gobble, three gobble bam! He made himself clear, we should all enjoy ham.

One gobble, two gobble, three gobble pow! Okay, Okay, what about cow?

One gobble, two gobble, three gobble fish! Tom even proposed this curious dish.

When Thanksgiving arrived Tom started to shake. Wondering and dreading what we would bake.

He then calmly smiled as he heard us all whisper. The dinner time prayer giving thanks for his sister.

What do you think?

What do you call a group of Turkeys?

What English word has three consecutive double letters?

*E*verything was very nice! Nice campground.....Nice turnout..... Nice weather .....Nice company.....Nice chicken dinner-....Nice fire.

Our group consisted of 16 Airstreams and one tent (Yasi and Brian Fuller) and made quite an impressive statement grouped on the hilltop. The campground and weather were so nice that many of us chose to stay put and just enjoy the surroundings. We walked, we talked, we read,

and we relaxed with the on-going thumps of Cornhole Competitions in the background. Others went exploring and visited Norwich and Jewett City to see what there was to see. Joyce and Gilles visited long-time members Aili and Val Galasyn who live in nearby Canterbury. Regretfully, health issues prevented them from joining us. They asked to be remembered and send their regards to everyone.

President Kathy presided over our annual Fall Meeting and the installation of new officers for the coming year. She reviewed her year as president and its challenges and successes. COCAC has taken in a sizeable number of new members. We are small, strong, energetic and have the distinction of having held more rallies than any other Region One club! Once officially installed by Region One V.P. Bard Fuller, President Glen Lessig shared his very ambitious calendar for next season with the group. It is going to be an exciting year! It might be a good idea to pencil in the dates NOW.

Both Friday and Saturday evenings ended with a cozy fire circle under a clear evening sky. The highlight of Saturday evening was a balloon volley ball game over the campfire. Toni Nolder's magic

powder made the flames flicker beautiful shades of blue and green and there were sharp pops whenever a balloon landed in the fire – which they all did eventually. Thank you Billy Steers and Bill Watts for keeping the fires going.

Last, but not least, this was a triple anniversary weekend. Bard and Kathy Fuller celebrated 40 years of wedded bliss, Bill and Evie Watts will soon be celebrating 60 years as Mr. and Mrs. and the Charter Oak Unit was officially formed 50 years ago, one of the inaugural rallies having been held at Ross Hill Campground on Columbus Day weekend in 1971. President Glen hopes to have a Golden Anniversary Rally in 2021 to celebrate this milestone.

Everything was sugar and spice, and very nice. Thank you Kathy and Bard. It was a great time.  $\sim$

President's Message Continued

There are several very special rallies planned that I want to mention. Bard and Kathy Fuller are still hard at work planning a "Region 1 Rally" for 2021 (Thank you for your tireless efforts), Gilles Rousseau and I are very excited to host our 'Québec Extraordinaire Se rallier', co-hosted with the Quebec Club, and Mike Sasuta and Rich Kushman have a fun "Storytelling Caravan" planned - but wait, there will be more

One of my goals for this year (along with Rich Kushman's and Russ Fuller's assistance), is to continue improving Club communications with technology. We are very fortunate to have Rich's excellent support

with the Chatter, Directory and our website. Rich has done an excellent job throughout the years with the COCAC Website, he has just finished a comprehensive refresh to the new Airstream site https:// airstreamclub.org/charteroak-connecticut. If you haven't checked out the new website, please do. Plus we are most fortunate to have Russ Fuller hosting our Thursday, 6 p.m. Zoom meetings, thank you Russ for a job well done. Rich and I will be working with creating online storage of club documents, photos and mailing lists to make it easy for future officers to communicate and access documents. Be on the lookout for correspondence from me arriving from 025president@wbcci.net.

Looking forward to an exciting year. Glen - COCAC President **BRN 2609**

any of us are getting tired of staying home so much because of COVID. I stood waving at my neighbor for 5 minutes before I realized she was cleaning her windows. Looking back at this year, the dumbest thing I purchased was a 2020 events planner.

It was wonderful to see 17 Airstreams and their owners at the Pumpkin & Spice Rally...thank you to the **FULLERS** for hosting and arranging everything, including the great weather. Here is some Pumpkin Trivia: Blaise & Sally Pascale #5829 Going back to colonial days, New England blue laws once dictated that men's hair be cut round in a bowl-cut; when no bowl was available a pumpkin often served the purpose, thus "pumpkin heads". The Installation went very smoothly and we congratulated the new slate of officers, giving them our support for 2021.

Congratulations to WILEY & GAIL DOWNING on the purchase of their new home at Travelers Rest in Dade City, FL, which now makes 11 COCAC couples living in the Village area, one couple in the Cabana section and 3 in RV South. We welcome any visitors during the winter season.

Helen Sandall

**EVELYN WATTS** shared an iPhone tip, you can just ask your phone "Siri, turn on my flashlight"; but, don't forget to ask her to turn it off.

We send our sincere sympathy to former Past President **BOB SANDALL** on the passing of his wife **HELEN**. She was a sweet, kind and gentle person that will be greatly missed.

#### by Glen Lessig

The coronavirus is continuing to give us Lemons, so let's make Lemonade! Considering that we already have club members in FL, SC, and AZ plus of course MA, NY and CT, we have the unique opportunity to have a Holiday celebration together this year! Unfortunately, we will not be able to hold our traditional dinner meeting due to COVID concerns, but we can still have a fun party!

Russ Fuller has agreed to handle the technical set up, while our board will be planning the party. Be on the lookout for additional information and please save the date, on Dec. 6, 12:30 (tentative) for our party.  $\sim$
