2. Policy covering activities within Region 12 may be proposed by either the Region Executive Committee, consisting of the Region President and the two Region Vice Presidents or the Region Board consisting of the Region Executive Committee and each Club President or Alternate. No policy shall be effective until presented to, and approved by, a majority vote of the Region Board. Any email or other electronic ballot will be confirmed in the minutes at the next meeting of the Board.

4. Each policy statement shall bear a certification by the Region President of the Region Board's approval and the date and place of such approval.
5. Each policy statement shall be restricted to one specific subject. The policy shall be assigned a number and the approved version will be posted on the Region 12 web site and made available to all members.
