START SAVING ON TIRES & SERVICES TODAY WITH MICHELIN!

Prior to purchase, register your Credit Card in Michelin's System

As you will be purchasing the tires directly from Michelin, through a Michelin Dealer, you will need to pre-register the credit card for the purchase. This is done to ensure you are billed correctly and for the security of your credit card information.

To pre-register your credit card, call MICHELIN Customer Service at 1-888-532-6435 Monday - Friday between 8:30 a.m. - 5.00 p.m. and select option 1. After hours you can call Michelin at **1-800-847- 9855**. The **AIRSTREAM CLUB** account number is **1521194**. You will need to provide this number to the representative to register your card. Your card will remain on file for 30 days and will only be set-up for one-time use. If you make additional purchases, you will need to call and pre-register your card again in the future. Michelin only accepts Visa, MasterCard or American Express.

Get Started

1. Determine the tire size and tread design that you require by visiting MichelinTruck.com.
2. Find your nearest Michelin tire dealer at www.michelintruck.com by entering your zip/postal code in the dealer locator. The dealers will be listed in the order closest to your location. Select the dealer that best suits your tire needs.

Call the Dealer

1. Call the dealer and check for availability of the specific size and tread design that you require.
2. Tell the dealer you will be purchasing your tires through the **AIRSTREAM CLUB** account number **1521194**.

*At the time of purchase the Dealer will only ask for the name on the card, the first digit, last four digits and the expiration date. This protects your full credit card information for security purposes.

*Michelin will place a hold, also known as a preauthorization, on your credit card of up to 5% over the estimated invoice price. This hold will be removed once the transaction for the actual amount has been processed; it may take up to 72 hours. If there are any changes to the invoice, such as additional tires, parts, services, or tax changes, a new preauthorization may be required to accommodate the new amount. Ultimately you will be billed the discounted price, not the Preauthorized price.

MNA reserves the right to discontinue, modify, and/or supplement all of the policies, terms, prices, credits, discounts and/or commissions at any time without prior notice.
