

1st Ever Airstream Float Parade

Unleash your inner artist (or your inner comedian) and enter a float in the First Annual Airstream Float Parade at Lums Pond. All participants will receive a Free Lotto Ticket, have a photo of their Float published in the Newsletter and will help bring smiles to those at the campground. You can make your Float out of whatever you want and the theme can be anything from Airstream to Star Wars, funny or just pretty to look at...whatever you would like to build :-) There are so many great ideas out there and you can use things already made and then add you own touches or make everything from scratch. Really, this is just for fun and to see the creative minds we have around us.

Qualifications:

1. Your float must be rolled, pedaled, pulled or pushed by 1-2 people (sorry-no vehicles to tow it)
2. Your float must survive one loop around the campground and stay in tact
3. Your float must have a flamingo somewhere on it

Ideas for Bases: bikes, wagons, hand trucks, strollers, wheelbarrows, scooters from your kids/grandkids, wheeled shopping bags, a board with 4 wheels and a handle from any hardware store, etc

Come on and join in the fun by tapping into your creative side, because after 2020, we all could use more things to smile about :-)
