### FROM YOUR PRESIDENT:

Greetings everyone,

I'll start off by letting you know what's going on with Region2. On January 14th there was a zoom meeting lead by Rich Short, in which Region 2 club presidents participated. Several items were on the docket, but foremost was the rally being planned for June 10-13, 2021 at the York Expo in York, PA. There was a lot of concern expressed about meeting in such a large group with current covid cases and the slow distribution of vaccines. So Rich asked us to get feedback from our members. Some of you replied to my email about the rally and I appreciate your response. We will have a zoom meeting later this month so Rich can hear what our members had to say. One possibility is that it could be rescheduled for later in the year.

Region 2 is looking to recruit a volunteer to join the "Airstream Club Foundation". This is a foundation with the purpose of fund raising, non-profit, charity, to serve those in need. A way Airstream can give back through its membership. If you are interested in this position or the second VP, please contact Rich Short, Region 2 President at [rcshort49@gmail.com](mailto:rcshort49@gmail.com) or 609-619-0355 for more information.

Within our own club... I have been contacted by Maria Tobin who would like to plan a Cinco De Mayo rally at Sharp's Campground in Shelocta the 3rd weekend in May. I think by May we will be able to do activities outside and be very safe.

Craig and I are hosting a rally at Laurel Hill State Park the weekend of the Blue Grass Festival. The dates of the festival are August 21 to 22. We will probably have a dinner together on Friday August 20th and plan to meet whether the festival is held or not. The festival was cancelled last year but we still had a rally with Denny and Gail hosting and it was very successful. So if you think you might go I suggest you reserve a site ASAP either at Laurel Hill SP or a nearby campground.

Stay warm, stay healthy and we will see what happens in the next month.

Julie

## NEWSLETTER IDEAS!

Hello WBAC members of the Al-Mon-O Airstream Club. Without news, there is no newsletter. Without rallies and luncheons, there is nothing to write about. Or is there? Some believe this is a time where we need one another even more. Please share articles, anecdotes, photos, recipes, jokes, member interviews, anything Airstream related that will let us feel connected. Throw out a prompt like "What is your new favorite small appliance?" or "Adventures with our first camper."

Please send your offerings to Cody Klingler (cwk5292@gmail.com) no later than the 25th of each month. Thanks!!!

Meanwhile, be well and stay well.

Thank you!!

## BIRTHDAYS

## ANNIVERSARIES

## FEBRUARY

7 Cindy Field  
8 Cody Klingler  
20 Don Clayton

10 Dan & Linda Moore  
12 Robert & Pamela Arnhold

## Directory Updates

The following changes need to be made to the 2021 Directory:

Chip & Erin Eckhard—Change their Bambi to a 22'; Chips birthday is 1-15 and Erin's birthday is 4-2

Doug & Cindy Field—Change their zip code to 15736

Bob Kuszyk—Add a 2011 20' Flying Cloud to the Airstream list and change his phone number to 412-610-5445

## CLUB LEADERSHIP

Calling all members! The club is looking for someone to fill the 3rd Vice President role. This is a wonderful opportunity to contribute to our AL-MON-O family and ultimately guide the future direction of our Club. If you are interested in serving in this position, please reach out to Julie Jansen.

# ONE OF MANY TRIPS WE HAVE BEEN BLESSED TO TAKE

By **Budy & Alice Roberts**

This article will detail a nice trip we took in one of our Airstreams back in 2015. This was one of several trips out west we took after we retired. I basically traveled for work every week, often times much if not all week and visited virtually every city in the US. So, a desire of Alice and a promise of mine we would take an RV, which we had been doing for almost 40 years, but travel extensively out west which we had not done.

Our ultimate objective of this trip was to stop at Best Friends Animal Society where I would volunteer as a dog walker and more if they wanted as I've trained and or rehabilitated dogs for all of my adult life. Best Friends is a private facility in Kanab, Utah that takes in all kinds of animals that have been abused, neglected or abandoned. My desire was to work in "Dog Town" as they call the place where many dogs are held until rehabilitated and prepared for adoption OR when they can live out their lives in comfort and great care at the facility. While there after my first day where they watch all new volunteers on hidden cameras spaced throughout the high desert walking trails, I was asked to come back if I wanted and work with two different groups of dogs. One where new dogs which had not been assessed and the other were two of the "Vick Dogs" or "Victory Dogs" as the courts and Best Friends called them. There were two left out of a number of about 20 which the courts assigned to Best Friends with substantial fines imposed on Vick for their care and for the Society. The whole experience was one not to be forgotten and taught me a tremendous amount. We loved our time there and I've enclosed some pictures of the two-spot campground.

Picture of our campsite at Best Friends Animal Society

*Continued on page 5*

*Continued from page 4*

Here are some pictures of the facility and volunteers who can “overnight” a dog from the Society to a local motel or cottage or their RV. Second picture is of dogs in their outside runs and their kennel behind them.

Volunteer walking one of the residents.

The society had been on our bucket list for years. But, prior to that we visited a number of wonderful places. Lake Powell, The Grand Canyon, and then after up to Yellowstone and on to Glacier National Park. We put a little over 8,000 miles on during this trip as while at Best Friends we also visited, Zion and Bryce National Parks and then the aforementioned parks. But, on our way home we decided to also visit Moab, UT, where we also visited Arches and Canyonlands National Park. While in Moab we had service done on our truck at the local Ford dealer, half the price of back home in Pittsburgh and they did a terrific job. We enjoyed everyplace we visited with Moab right up there as one of our favorites.

We have revisited every place again and if things work out will do so at least one more time, but the Covid and age both could restrict us to some extent.

*Continued on page 6*

*Continued from page 5*

Lake Powell, which is in AZ and UT and has two different time zones as AZ does not observe daylight savings time. Which messed us up on a boat rental as I showed up an hour early.

Campsite at Lake Powell, where the temperature was 107f in the shade. The two ACs on the Airstream did a good job, keeping it at about 85f during the day and about 75f at night as the air temperature did not cool off much at night. Do not go in July.

*Continued on page 7*

*Continued from page 6*

On our way I had to stop at Laramie WY to see the “wagon ruts” from the many wagons which moved west during the western expansion. Yes, the ruts are still there and, in some places, still in the grass. Alice and I were in awe of the ruts, but more so in the people who picked up and headed out to parts unknown. These people left with all they had and their entire families. Amazing.

We only had Abby at the time and the heat and altitude often got to her. But she was a trooper and loves camping.

*Continued on page 8*

*Continued from page 7*

One of our favorite places we have ever visited – Spearfish SD and this is by the Spearfish Creek. On another trip I volunteered at the DC Booth National Historic Fish Hatchery where they gave us a free campsite full hook ups and cable right on the creek for my Tour Guide volunteer one summer.

I'll end here with this picture of the cemetery at Best Friends Animal Sanctuary where people can bring their pets and for a donation have them interred here, the chimes are all over the cemetery and are beautiful.

Our Best to all – Safe Travels  
Bud and Alice Roberts

# GONE TO TEXAS—THE GOOD, THE BAD AND THE UGLY

By Denny & Gayle Gibson

The Good: We left for RGV (Rio Grande Valley) after Thanksgiving and arrived at Pleasant Valley Resort in Mission, Texas on December 1, 2020. As you read this article, we have been here for two months. We are officially “Winter Texans”. Yes, “Winter Texans” is what the locals call snowbirds. The first few weeks we spent acclimating ourselves to the weather and believe me it didn’t take long to get used to the warm climate, swimming in December and January, and making use of the hot tub! Most days have been in the mid 70’S to mid 80’s with a constant breeze, however, as of January 12, 2021 we are in the middle of a cold spell with the day time high in the 50’s. (Still better than Pennsylvania!)

Activities at the resort are limited due to Covid with most being held outside while practicing social distancing. Every other Friday evening there is a band providing entertainment and dancing. Wednesdays it’s burgers and Karaoke with the residents providing the evening’s entertainment. Gayle has been taking advantage of some of the crafting classes being offered here. So far she has taken cookie decorating, card making, rock painting, and power walking. There are also classes for quilting, sewing, darts, Petangue (very popular with the Canadian residents). I have taken up darts while Gayle attends her classes. Ron & Brenda (from Penn Wood and 14- year PVR residents) are the official dart gurus here and with the help of some of the residents have set up a world class dart room.

Gayle and I have been exploring the area. So far, we visited/hiked in the Bentsen Rio Grande Valley State Park World Birding Center. This is an excellent place to hike/bike and observe many of the local and migratory birds. The National Butterfly Center was next on our list where we spent the day walking the many trails searching for these beautiful delicate creatures. We enjoyed a bike ride at the 12-mile Mission Hike & Bike trail with Bob Kuszyk (a fellow Al-Mon-O), who is also spending his winter down in the valley. We took a cruise down the Rio Grande River with Bob and a group of work campers we met while here. What a relaxing day on the water with the US shoreline on one side and the Mexico on the other! Of course, we also ate lunch at the Riverside Restaurant. Speaking of food I have added another 5 pounds since we’ve been here. We’ve been trying the local cuisine in the area and there are oodles of authentic Mexican Restaurants here. While visiting one of the local outdoor markets I discovered the Elote (eh-loh-teh) Mexican Street corn. Roasted corn on the cob smothered in butter, mayonnaise (yep mayo, I thought yuck), spices and grated cheese. I opted out of the cheese, but the elote was excellent! Totally hooked now. We haven’t had a bad meal yet.

*Continued on page 10*

*Continued from page 9*

We have planned a trip with our Airstream to South Padre Island the last week of January. South Padre is only about 80 miles from us and we'll be staying at the KOA on the island for four nights. Looking forward to island living!

The Bad: Can you believe this, in our haste to leave I forgot to pack our cameras? So, we are relying on just our cell phones. Not nearly as good, but at least we'll be taking some memories home with us.

The ULGY: One of the most annoying little things are the tiny burs which we found out are grass seed pods. These little stickers (s#\$\*!) are everywhere and like to embed themselves in rugs, carpets, and bare feet. "Ouch, damn it!", has become our battle cry. But at least I don't have to go out and shovel snow!

Adios por ahora!

Until next time, stay safe and we will see you down the road.

Denny and Gayle

## **OUR FLAGS PAST & PRESENT**

**By Vinny Rossitto**

I'm happy to report that we are now in possession of a newly constructed AL-MON-O ceremonial flag that embodies our new club logo with our updated name! When our officers and I set out to update the flag last year, I thought the process would be a simple administrative undertaking. We completed the design and approval processes pretty quickly, and then began the adventure of finding the best flag maker to fabricate our new custom design flag, carefully considering cost, capability & reputation. After speaking with three top companies, I selected Flag & Banner in Little Rock, AR and have been very pleased with both the overall professional experience and the excellent quality of the resulting flag.

*Continued on page 11*

*Continued from page 10*

An important goal was to make sure our new flag would have similar construction quality and beauty as our legacy flag, which is a very tall order. The workmanship of the legacy flag is quite extraordinary and I was absolutely convinced that it was professionally made using stitched appliqué techniques (careful layering of fabric pieces) by a top shelf company. That was not the case! In fact, our legacy flag was hand made by a former longtime AL-MON-O member, Daryl Roll, and I found that her construction technique could not be commercially replicated. After a bit of interaction with Flag & Banner, we settled on going with digital single reverse printing on a white nylon background. The resulting flag is quite attractive and something we can be proud to display as a symbol of our club, even if it does not have the uniqueness of Daryl's beautiful handiwork.

I'd like to share some of the history I learned about our legacy flag along this journey. Daryl was truly AL-MON-O's "Betsy Ross". In the early 1990's, she was "persuaded" by Bev Clayton and Frank & Louise Cannistra (long time members...Frank was the club's unofficial photographer and Louise was the chaplain) to make a flag using the AL-MON-O logo that they had just recently designed on paper. Daryl bought fabrics at Joanne's while wintering in Florida with her late husband Robert and she constructed every aspect of the flag based on that design. The logo is actually pieced and sewn together, with logo features and line art stitched for effect. Her work included a combination of hand stitching and machine stitching that she performed right on their Airstream dinette table! Except for the appliqué layering of the lettering, the rest of the flag is only a single layer of fabric. Even the fabric she selected was perfect for a ceremonial flag...it falls and drapes just right!

*Continued on page 12*

*Continued from page 11*

Daryl Roll & AL-MON-O Flag Shown at the 2017 International Rally at Escanaba

Daryl told me she was amazed & happy to hear that the flag was still in service almost 30 years later! It has been passed down to each president and has obviously been carefully looked after; it remains in near perfect condition. As we retire our legacy flag and begin to display the new one, we will definitely continue to take great care to safeguard Daryl's creation so that we can treasure this important piece of our history.

## **REGION 2 NEWS**

The Mid-Winter IBT meeting held in Sarasota, FL January 18-22 has concluded, and it was a successful blend of in-person and Zoom attendees. This hybrid model of meeting has proven to be excellent and continues to be improved upon by our staff at Headquarters and the team of on-site club member volunteers. It was reported that 58 rigs were camped at the Sarasota Fairgrounds where the meetings, Club Officers and members were hosted by Region 3. Our travel plans changed, and I attended and participated in the meetings via Zoom. I want to thank our R2 1st VP RJ Marquette and R2 2nd VP Gary Russo for participating by Zoom as well.

There will be several Constitutional Amendments up for approval at the International Rally Delegates Meeting in July, to include continued efforts to simplify the Constitution and move some sections to Bylaws and Policy where they belong. There will be one to simplify the Amendment process and one to allow for electronic or mail ballots for electing International Officers. That motion will eliminate the need for Delegate Meetings at the International Rally unless there are Constitutional Amendments proposed. One of the results of our push to increase Member Benefits was the approval of a motion to add an additional paid staff person at Headquarters, in the position of Marketing and Communications Director. A permanent charter was granted to the new Indie Streamers Intra-club. More info can be found at <https://airstreamclub.org/indie-streamers>. There was one local club name change and several logos and flags approved. Due to the recent membership dues increase and persistent low interest rates, the Lifetime Membership fund was re-analyzed and an increase in the one-time fee will take effect August 1st. If you have thought about becoming a Lifetime Member of the Airstream Club, now would be an opportune time to do so and save some money.

One of the highlights of the IBT meeting for me is getting to listen to Justin Humphreys, the VP of Sales at Airstream, Inc. give an update on Airstream and the RV industry. His assessment of the sales environment, in one understated word, was BUSY! With no slow down in sight, dealers are literally sold out of product and have hardly any inventory in stock. Airstream is faced with fulfilling thousands of retail sold orders. Although the expansion of the manufacturing plants in 2019 and early 2020 was worrisome when the pandemic hit, it turned out to be perfect timing. The expansion, the largest in the company's history, now includes a 700,000 sq. ft. trailer manufacturing facility, a 230,000 sq. ft. motorhome facility, and a Base Camp shop whose size was increased by 50%. There are now almost 1100 employees in Jackson Center and the company is looking to hire another 200 to 250 people by July! Our Airstream Club is reaping the benefit, with new memberships being added at record pace. Please, take advantage of the efforts of our Membership Chair, Lea Plant. Reach out to those new Airstream owners in your area. Invite them out to a rally, to have some fun and learn about their Airstream and what the Airstream Club can offer them.

It was announced that the 2022 Mid-Winter meeting is now scheduled for 01/17-21/2022 in Savannah, GA at the Creek Fire RV Resort. More info will follow later in the year. The 2021 International Rally to be held this July 17-24 in Lebanon, TN is still a "go", with over 550 rigs registered to date. There is still time to register and reserve your spot. The 2022 International Rally is scheduled for Fryeburg, ME and it was announced the 2023 Rally is now planned for Yakima, WA. I love how our Int'l Rally moves around the country, providing more opportunities to travel and see this great land. Get out the maps and start planning a trip!

***Continued on page 14***

*Continued from page 13*

Speaking of planning, your Region Officers are still working on a plan to hold our Region 2 Rally at the York Expo Center in York, PA June 10-13. Concerns regarding the pandemic persist and we are hopeful the release of the vaccines will allow more of our members to feel comfortable to come out and attend. To that end, your local club Presidents joined a Region 2 Zoom meeting I conducted on Jan. 14th, to discuss the R2Rally and get some feedback. To successfully plan and hold a safe, enjoyable Rally will take a commitment for participation and cooperation by our local clubs. The expense cannot be borne by only 40 or 50 rigs. We will need about 75 rigs in attendance for it to be feasible, with a reasonable Rally fee to cover expenses. Your local club President will be polling you shortly and looking for an indication of your interest in attending. This Rally will be designed with an eye on current local health protocols and best practices to provide a safe environment, with an emphasis on outdoor activities, meetings, and gatherings. Instead of a rock & roll dance band in the building on Saturday night, think about a 4-piece Bluegrass band under a large, open tent in the late afternoon, a delicious, individually boxed Food Truck meal, and an Ice Cream truck! How about a Corn Hole Tournament, with each local club fielding a team? How about a walk around Flea Market, where you post your items outside your own trailer? Group bicycle rides and small group walks or hikes at outdoor attractions in the area are great ways to have fun and stay healthy, regardless of current health concerns. The health and safety of our members is paramount. As I said at the meeting...this is not something we have to do but it is something we want to do. But we need to know if we plan it, you will come! Please give your honest assessment to your local club President when given the opportunity. **Our next R2 Zoom meeting will be held Feb 11th at 7pm.** Invites to local club Presidents will go out soon.

As I reminded everyone at the Zoom meeting, Region 2 will need a 2nd VP to step up and join the leadership team, as my term as your President ends this Spring. Please consider volunteering to continue the efforts of these past few years to Renew Region 2. We have made great strides, have able leaders in RJ, Gary, and others on the Executive Committee but we need a full slate by Spring. With so many talented and enthusiastic members, I am confident someone will step forward. Please feel free to call me anytime to discuss what you can do for the Region. Thank you.

Kathi joins me in sending our best regards to all the members of our 15 local clubs in Region 2.

Rich Short #1512

64<sup>th</sup> WALLY BYAM AIRSTREAM CLUB  
★ INTERNATIONAL RALLY ★  
★ July 17-24, 2021 ★ LEBANON, TN ★

## REGISTRATION

**RALLY FEES** – \$265 for an RV On-Site with 30 amp electric, water, and pump-outs; \$125 for each Adult (18+); \$40 for each Youth 13-17; Free for Children (12 & Under).

**ADA ACCESSIBLE PARKING** – Special parking, if requested, is near the central rally area for members. We ask that you provide your government/state-issued placard or supporting documentation during registration.

**REGISTRATIONS** – Through the courtesy of Airstream, Inc., members registered before the start of the Rally are entered into a prize drawing. Gift certificates for parts and service will be drawn with a total of \$2,000 in prizes to be given away. Registrants must be present at the Airstream presentation to win.

**STAGING AREA** – In an attempt to keep the rigs moving, you will receive a rally arrival date in the Spring of 2021. If you can't make it on that date, the Rally Arrival Team will be ready to park you when you arrive from 8:00 am to 8:00 pm. Arrivals after dusk may stay overnight in the Staging Area, with no hookups, until parking begins the next morning.

**CANCELLATION POLICY** – Refund requests received by May 22, 2021, will be assessed a \$50.00 fee. Refund requests after May 23, 2021, will be assessed a 50% fee. NO refunds after July 3, 2021. *If you might have to cancel after that day, please consider obtaining travel insurance.*

**RALLY PARKING DATES** – General parking is tentatively scheduled to begin around July 14<sup>th</sup>. Parking dates will be sent via email in Spring 2021. Caravans of 5 or more need to contact HQ at [rally@airstreamclub.org](mailto:rally@airstreamclub.org) for available arrival dates.

**HOW TO REGISTER** – Go to [airstreamclub.org/Lebanon](http://airstreamclub.org/Lebanon), call HQ at 937-596-5211 or fill out this form, make a check payable to WBCCI, in **US Funds Only** and mail to: WBCCI, P.O. Box 612, Jackson Center, OH 45334. Email questions to [rally@airstreamclub.org](mailto:rally@airstreamclub.org).
