We have had several of our trips canceled and seems like we have not seen some of you in so long.

Our August Rally got canceled - so our next opportunity to get together is the September Rally. This will be a camping rally due to COVID - tours have been canceled - BUT, not CAMPING! Agenda below

Scott & Jodi Jensen

Road Trip – We took a road trip to Olsburg, KS to the beautiful home of Lee & Joyce Cantrell, July 23rd-26th. Scott helped Lee replace the axles on their Argosy. It sure was a HOT job! But, happy to have it done. We utilized their Curtesy Parking & their Hospitality was wonderful!

Friday evening, July 24th, President Jim Wright & First Lady Jeanine of the Nebraska Club came for dinner and visiting. On Sunday, July 26th we went to Olsburg Lutheran Church with Lee & Joyce.

July 30th – August 1st Lee & Joyce utilized our Curtesy Parking while getting some more work done on their trailer. He said that with the new axles he could really tell a difference in the way the trailer pulled.

August 1st Region President Mike Sisk & First Lady Cheryl, NE President Jim Wright & First Lady Jeanine, Gordon & Debbie Opp, Dan & Dale Ann Hoyt traveled to our home and then we Caravanned to the Amana's. 1st VP Greg Vadner joined us there. We stayed August 1st-5th. Great plans are underway for our Region Rally for next Spring 2021!

Scams - No Gift Cards – Received this from HQ – BE AWARE!

Hi All,

I have received numerous emails from concerned members and them receiving emails requesting gift cards. These emails are scams. Unfortunately, these scammers are taking advantage of the world's current situation. There is not much we can do except stay alert and pay attention to the details in these emails.

Here are some things to remember and pass onto your Local Clubs:

Always look at the actual email address and not the name. This is typically the first clue.

- Odd URLs
- Our Club does NOT request gift cards.
- Misspellings or poorly written emails
- The message creates a sense of urgency
- Make sure your security software is up to date
- Never open an attachment or follow a link from one of these emails.

These are just a few tips. There is more information out there to learn how to protect yourself. If you do receive one of their emails, block the sender.

Be safe!

Have a great day!
