Thank you for allowing me to be your President for the last 2 years. This year has been very interesting as we all know. Wish we could have gotten together more - hopefully we can in the near future. Please see the next years schedule for more opportunities to camp together.

I would like to thank Jeff for the great job he will be doing as he takes over as the President of the Club. Also, would like to thank Tim for stepping up to be the 1st VP.

I would like to thank First Lady - Jodi for all the support she has given me and the wonderful job she is doing in all of her roles (Recording Secretary, membership chair, newsletter editor, webmaster ect).

Thank you to Ted for his keeping the books/accounting & Constitution/Bylaws current.

Thank you to all the Members & Associate Members of our Club - We appreciate all you do! For those we have not yet met - we hope to see you down the ROAD!

We had a nice time at Saylorville camping. It was rainy and cool – COVID put a damper on our

plans to tour around Des Moines. However, it was great to just get together and get caught up. (Exploring Our Capitol 2.0 will happen next year)

We had 10 Airstream Trailers. On Saturday evening Tom & Shirley Herron stopped out to visit.

The kids had a great time picking up sticks or logs to help keep the fire going all weekend long.

THANK YOU
*Dave &
 Candy Jones*
 for hosting
 the Rally!

**Thanks so much for a
 GREAT RALLY!**

We had the pleasure of meeting Werner & Christiane Leibrandt & Greyhound Heela from Seattle, WA. They came all the way to RV ONE in Altoona, IA to purchase this beautiful 2021 Globetrotter 25'. Many other locations were out of trailers. They are 'Newbies' as they like to call themselves.

They were looking to have someone help with answering more questions. Initially they contacted John Heckman and Tom Herron who referred Werner and Christiane to us.

After they took possession, they came out to DJ's RV Service and we were able to spend about 3 hours answering questions regarding - Towing & Hitch/parking; Electrical System & LP tanks; Water & Wastewater handling; Batteries; AC; Fans and a variety of other topics.

We talked about WBCCI and joining a local club when they get back to WA – We sure hope they do and that our paths cross again!

We have joined a Southern Baptist Disaster Relief group from Missouri to work chain saw clean up in Cedar Rapids, Iowa. The devastation is crazy horrible from an inland hurricane (140 mile hour winds). It traveled 770 miles going 55 mph. The destruction hit 4 states.

Some of the hardest hit was Cedar Rapids. Don & Kay work with a Chainsaw group that helps with disaster relief. Here are some of the pictures. They brought GERALD with them and stayed in Winterset on August 21st & then at our place with Curtesy Parking on August 22nd.

They went to church with us on Sunday, August 23rd before heading to Cedar Rapids for the week. That was one of the hottest weeks of the summer! I know that the folks in Cedar Rapids were blessed by the work they and their team did.

Since their trip back from Cedar Rapids – Hurricane Laura hit and they were called to Deridder, Louisiana to help with the cleanup.

We first met Don & Kay Arnold during Region 8 Rally last spring in Topeka, KS. What a neat couple and now friends. They have a Safari Airstream named GERALD! They had been working on the trailer but, found a major leak. This last Spring they contacted us and Scott was able to work and fix their major leak. Once completed they traveled back from Kansas to pick up GERALD.

A couple of weeks later they set out on a 16-day trip along Route 66. We loved hearing and seeing pictures from their trip.

Then on August 10th the Derecho hit!
