

## NEMAC Spring Lunch -- March 30 Email

Greetings Mountaineers!

Last Saturday, sixteen of us gathered at Sarducci's Restaurant for the annual spring lunch, despite Friday's heavy wet snow that kept four of us away, sadly. We offer our heartfelt thanks to Jerry Carruba for once again organizing the event, and to Paulette Gagne for the beautiful home crafted key fobs and the delicious s'mores on sticks — they look like exotic flowers in the photos

Many of the usual suspects came to welcome our newest members, Terry and Mark Rogers (Salem NH), and Beverly and Randy Snyder (Bedford NH). Unit officers Milo Cutler and Diane McElhiney came up from Randolph VT, as did Dave and Lori Peirce. Donna and David Thompson drove over from North Woodstock NH, and Marty Womer and Mary Keefe from Old Orchard Beach ME. Paulette and Jerry drove up from Northfield VT and Mary and Andreas from Waitsfield VT.

If you were among the missing, we love you anyway, and hope to see you down the road!

Cheers!

— Andreas

PS Marty Womer reminds us that there are still spaces left at the Rockland ME campsite for our Blues Festival Rally July 12-14 — you have probably recently received an email from him on the subject — you can contact Marty at [mainstreamer06002@gmail.com](mailto:mainstreamer06002@gmail.com) with any questions.
