President's Corner

Greetings!

It is that time of year. Children and grandchildren are back in school, although in much different circumstances than in the past. My grandchildren are "attending" school through Zoom meetings and Google Meet from my dining room table. It is a different time for all of us.

We are holding our final rallies and thinking about getting our Airstreams ready to store for the winter or maybe checking it over to make sure it is ready for that annual trip to warmer weather for the winter.

But one thing that stays consistent this time of year is the changing of our local club leadership. Now some happen in September and some in October or some local clubs have two-year terms so they may not be changing this year.

(Continued on the next page)

But whatever your local club plans are, it is time to look at the past year and say a big “Thank you!” to the leaders of our local clubs. They have taken their time and effort to do the absolute best they could for your club during this difficult and challenging year.

And we also recognize those leaders who will be installed during the coming weeks to lead your local club into the next year. We thank them as well for volunteering to be a leader. I ask each of you to reach out to your leaders to see if there is some small job that you can do to make their lives easier. Maybe you can host a rally, plan a luncheon, be a committee chair, or volunteer to fill that empty leadership position in your club. If everyone does a little bit, then the job is not so overwhelming.

Someone once told me that the more you put into the club, the more you will get out of it. I genuinely believe that to be true as without the volunteer work that I am doing, I may not have met many of you.

So, recognize your leaders, both past and present, say or send a “Thank You”, and volunteer wherever and whenever you can. The blessings are well worth the effort.

I look forward to seeing you down the road.

Stay safe and travel safe,

Karen Fisher

Boy Scout Camp and Main Street Rallies – “Toto, we are not in Kansas anymore!”

2022 Region 4 Rally:

In the summer edition of the *Region 4 Newsletter*, I announced that the 2022 Region 4 Rally would be a Main Street-style rally in downtown Wooster, Ohio. I hope everyone has been practicing the way the locals pronounce Wooster. Remember to pronounce the double “oo” sound as in wood.

A few newsletters ago, I announced that I was planning a Main Street Rally for the 2022 and 2023 Region 4 Rallies. Since this will be combining two different style rallies into one (the conventional county fair venue and the Main Street rally venue), I asked that Region 4 members give me feedback on the activities associated with a conventional region rally they want me to make sure I include. The response I received can be characterized in a movie by deafening [cricket noises](#). Unfortunately, I did not hear back from a single person.

Currently, I am working with the local leadership in the Wooster Main Street Office to identify a meeting venue for the 2022 Region 4 Main Street Rally as well as developing the rally budget. The type and size of the meeting spaces are determined by the activities (both required and optional) that we want to have at the rally. According to the International Constitution and By-Laws, which regions follow, we do need to have a Region 4 Board Meeting, for example, so that is included in required activities.

Required Activities. What I have already planned to include (based on the Main Street Rally format and the need for a Region 4 Business meeting) are as follows:

- Registration
- One Region 4 Board Meeting that includes the following:
 - An abbreviated opening ceremony including State and National flag procession (This eliminates a practice. See below if you want to continue with the full-blown opening ceremony.)
 - Region 4 Executive Board and Region 4 Business meetings
 - Door Prizes (One nice prize from Airstream Inc. and each Airstream dealer in the region)
 - Ice cream social
 - Auction of donated items for the rally sponsored charity
- Officer leadership training
- Entertainment in an outdoor venue at the town square (bring your chair)
- Workshops, Seminars, and Hobby/Craft classes (hopefully, Sky-Med is included here).

Optional Activities. First, listed below are possible optional activities that you may want to include (or not) in the Region 4 Main Street Rally. Please direct your feedback about these optional activities to me by email (bfbriggs57@yahoo.com), phone call (614-207-1241), or smoke signals (you are on your own here).

- Local unit flag procession at the opening ceremony
- Region Baskets (I would suggest that instead of a drawing for the baskets, we have a silent auction as one way to raise money for the rally sponsored charity. This can be expanded to include the community.)
- Morning\Evening Hospitality (One of the purposes of a Main Street Rally is to patronize local eating establishments to boost the local economy. Dropping this lowers the rally fee and promotes meals to your liking and dietary needs.)
- Hobby Show
- Flea Market
- Swap Meet
- 50/50 Drawings
- Rally coin or some other keepsake to commemorate the rally
- Catered meals (One of the purposes of a Main Street Rally is to patronize local eating establishments to boost the local economy. Dropping this lowers the rally fee and promotes meals to your liking and dietary needs.)
- Inspirational service. (We will need to depart the streets on Sunday Morning as your turn comes up so not to block others. If there is interest in attending a local church, we may be able to provide a shuttle to/from the fairground. Also, note, there is a synagogue in Wooster.)
- Vendor area, including an Airstream dealer
- Other things I have missed

Region 2021 Rally

“Peace, Love, Almost Heaven” is the theme for the 2021 Region 4 Rally to be held at the Summit Bechtel Boy Scout Reserve (The Summit) in Glen Jean, West Virginia, on May 19-23, 2021. Additional details and the registration coupon are on the last two pages of this newsletter. Mark your calendars! Social distancing will be a breeze there! What a great choice for a Region 4 Rally!

Personally, I want to share how excited I am about this Region Rally. I see this location as a turning point, a new experience for all of us, and one that will change direction from a county fairground venue that has been the norm for Region 4 for the past forty years. I applaud President Karen Fisher for daring to do something different--not only in choosing a unique venue but also different in terms of the organization leading up to this event. Karen included her two VPs and spouses to join her in meeting with the venue officials. She encouraged us to share our insights and provided us with an opportunity for an on-the-job training experience in planning our region rallies.

The Summit is a thoroughly modern facility with new buildings and electric service for our Airstreams. The site in Glen Jean, West Virginia, was chosen by the Boy Scouts of America (BSA) in 2009 and later opened for their

first Boy Scout Jamboree in 2013. It has cell towers and WIFI throughout the camp. I encourage you to look at <https://www.summitbsa.org/about-us/summit-story>, to learn more about the history of this BSA camp.

A few weeks ago, Jane and I had the pleasure of attending a joint rally for SE Michigan and the Mohican Valley Local Units in Kalamazoo, Michigan, at Markin Glen Park. We thoroughly enjoyed the rally. Especially, meeting new folks and deepening our relationships with people we knew and were already acquainted with. One of the long-time, Region 4, couples we got to know better at this joint rally expressed concerns about having a Region 4 Rally at a boy scout camp and were expressing reluctance about attending the rally. I assured them, and I assure you that you will be surprised at this venue. As I have indicated above, it is a thoroughly modern facility. We will have exclusive use of one of the base camps with a modern climate-controlled dining hall and meeting room. The picture to the left, with your Region 4 Officers, was taken in the dining facility. In addition, we will be able to participate in some of the activity venues at The Summit.

What I can tell you is that I am looking forward to going on the [Zip Line](#), a first for me. If my memory holds true, they have three zip lines on the premises. I petitioned that they provide us with the opportunity to go on the longest one, 1300 feet! I also look forward to the possibility of white-water rafting down the New River, something I have enjoyed several times in my life. In short, this rally will be one for the history books! Plan to come and take your place in history and enjoy the 2021 Region 4 Rally!

Update: Brad's ~~Spring Summer~~ Fall Project #3080

Yes, I am still working on our Airstream remodel. Reassembly has gone much slower than I expected. I want to thank Fred and Kathy Kiehl publicly. Thank you, Fred, for coming to our house to work, not just once but twice to help with the trailer. You did a lot of work and gave me a big boost. And, a thank you to Kathy for allowing Fred to spend days at our house helping me.

Currently, I am deep in redesigning and building the bedroom. We are going from an Airstream Queen to twin beds--all built from scratch. (By the way, we have a custom made AS Queen 7" latex foam mattress with "cut corners" that we will let go at a bargain price. New mattress shopping will give you sticker shock!)

On a sadder note, I need to report that we received poor service from the Airstream Factory Service Center with missed deadlines, promises not kept, incomplete work, and overcharging--none of which can be associated with the Covid-19 shutdown. Their pricing scheme is not transparent, and the way they write the scope of work promotes double dipping. We were hoping for better from them overall.

Finally, I hope to see you at the Region 4's Charity Work Rally at Santa's Hideaway Hollow. Check out the article in this newsletter.

Stay healthy and safe travels,

Brad Briggs
1st Vice President, Region 4

A Time to Stop and Reflect

Hello Everyone,

How is everyone and what have you been doing? Seems like summer just got started and here we are wrapping up the season. We hope everyone was able to get out and enjoy your Airstream to some extent during this unusual year. Currently, Kathy and I are visiting friends in Georgia, and we are using our trailer for a hotel and restaurant parked at Top of Georgia Airstream Park. I am in awe thinking of how comfortable we are travelling with our Airstream the last four years. I attribute most of that to the wonderful members of the club.

It is fun to think about where we have been and where we are going. Have you been thinking about 2021? It is time to make reservations for our Region 4 Rally and the International Rally in Tennessee--both have limited availability.

Speaking of the future, while Karen is thinking about the Region Rally in 2021 and Brad is thinking about 2022 and 2023, I have started to think about 2024 and 2025. The only thing I know so far is that 2024 will be somewhere in Ohio and 2025 will be somewhere in West Virginia. I would love some input on possible locations and activities to make your Region 4 Rally more enjoyable. Feel free to drop me an email: fred@kiehlbuilding.com.

See you down the road,

Community Service Update

Chairs, Dan and Dawn Bihary

Thank you! We have made progress but are not quite there.

Several months ago, we introduced the Region 4 community service project. The membership of our region was asked to fund a project for Santa's Hide-Away Hollow in Middlefield, Ohio. Our goal is to create a fun, peaceful, and welcoming place where ill children could take a needed break and cool off during their visit. The theme of the project is "Wally's Christmas Tree Farm."

Our goal is to raise \$5,200. We have raised enough funds to hold the work rally on October 1 through 4, 2020. Full details can be found at <http://www.wallystreefarm.com/>. If you plan to attend the work rally, please let Dan and Dawn know [you are coming \(link to Google site\)](#).

Donations can be made using the following resources:

Visit Santa's Secure Website: <https://www.santashideawayhollow.com/donors/make-a-donation/>

Mail a check to Santa's Hideaway Hollow, 15400 Bundysburg, Middlefield, OH 44062. On the memo line, put "For Wally's Christmas Tree Farm."

Save Your Pull Tabs!

Next time you see Wally Kimmel, give him your aluminum pop can pull-tabs. In case you think he might elude you, give them to someone in your local club who can chase him down.

Wally has been tasked to turn them in at the 2021 International Rally in Lebanon for the supported charity. Thanks, Wally, for your willingness to help out!

Please Be Aware!

Fraudulent emails are happening all across the Club. A way to tell if the email is a fraud, is to look at the actual email address used to send the message. Even though it states the name of the officer, you can tell by the actual email address if it is bogus. An example would be "Karen Fisher <presfornow@yahoo.com>." It is the part enclosed by the <> symbols that is important. The Region 4 officers and chairpersons' email are listed on the front page of the newsletter. These are the addresses from which actual emails will be sent.

SPOTLIGHT: WHERE WE ARE GOING

Heart of Ohio Airstream Club

By: President, Chris Lang #08755

October 1-4 we are going to Red River Gorge in Kentucky. We plan to experience Underground Adventures and the local State Park. This is our third consecutive year in going to Kentucky in October. We affectionately refer to this as Fall for Kentucky; this has become our premier rally destination state.

We also have a December luncheon scheduled.

SPOTLIGHT: WHERE WE HAVE BEEN

Ohio Lake to River Airstream Club

Hosts: Dave & Nancy Brett #01315

September 17 – 20, 2020, Sauder Village
Living History Museum and Farm.
Sauder Village, Archbold, Ohio

The main attraction for the rally was the Sauder Village Living History Museum and Farm. Sauder Village is the brainchild of Erie Sauder, the inventor/craftsman that started the Ready-to-Assemble furniture industry and the Sauder Manufacturing Company. It was “Apple Week,” celebrating the fall season with a week dedicated to apples--a delicious event at Sauder Village!

Heart of Ohio Airstream Club Update

By: President, Chris Lang #08755

Heart of Ohio Airstream Club is coping with COVID-19 and has planned a couple of campouts while practicing social distancing.

The weekend of August 18, we went to Pennwood, the Airstream Only camp in north-west Pennsylvania. Some of us hiked through the local state park, which had a cool sway-bridge over the creek. It was a nice hike through the woods, which made the hot day more bearable. Corn-Hole was played in the evening, which fostered good fellowship.

SEMAC and MVOAC Joint Rally Update

By: President, Chip DeLeeuw #00810

The Southeastern Michigan Airstream Club (SEMAC) and the Mohican Valley Ohio Airstream Club held a joint rally in Kalamazoo, MI on August 20-23, 2020, at the Markin Glen County Park Campground. Members from the Michigan Airstream Club and the Northern Ohio Virtual Airstream Club also joined us. Fourteen rigs participated in the rally.

Markin Glen campground is an awesome venue! It boasts 38 sites in a park like setting. Each site has a large concrete pad, for parking & picnic tables, fire rings, full hook-ups, and privacy spacing.

The campground is immediately adjacent to the County Park, which has a beautiful lake for swimming and fishing, as well as a wide paved trail that winds around the lake. Paved trails meander through forests to the [Kalamazoo Nature Center](#) 1 ½ miles away.

Day activities included the [Air Zoo](#) and the [Gilmore Car Museum](#). By all reports these venues were rated a “10” on a 1-10 scale.

An “open grill” and potluck meal were scheduled for Saturday evening. Volunteer servers from each club donned face masks and gloves, before serving up the items brought by rally attendees, which were spaced out on a long row of tables. Attendees were served as they proceeded down the serving line, then sat six feet apart to eat.

Several Region 4 (R4) Officers spoke to those in attendance. President, Karen Fisher, provided an update on the 2021 R4 Rally. 1st Vice President, Brad Briggs, provided an update on the 2022 R4 Rally.

The Joint Rally concept was a big hit! There was talk of scheduling more joint rallies next year. Those in attendance were advised to watch SEMAC’s 2021 calendar, as incoming SEMAC President, Barb Derian, is planning something special in June 2021.

A big thank you to everyone who participated in the rally. It was fabulous to spend time with each of you!

RECIPES FOR THE ROAD

Tailgate Inspired Cuisine from Each Region 4 State

When summer winds down and the temperatures get just a few degrees cooler with lower humidity, of course, my thoughts turn to fall sports. I have always been big sports fan, probably more than Brad really. My father was a big sports fan, especially the Ohio State Buckeyes and University of Dayton Flyers, and there are several high school basketball coaches in my family. Even my grandmother, Ruth Deeter, played high school girls' basketball and was a spot-on forward.

Once we moved to Central Ohio, the Ohio State Buckeyes, Brad's alumni as well as my own, became a ritual. Brad's Uncle Bob, now deceased, purchased Huntington Club tickets for his Ohio family, only coming up from Virginia for one game a season. Boy, we were spoiled! Fast forward to 2018, and I find myself working for "The" Ohio State University. And, even if Covid-19 has postponed or cancelled our typical fall sport rituals, who says we can't tailgate? Afterall, I just watched the U.S. Open for Tennis, Major League Soccer, and the PGA Tour Championship. 2020 has really been a different type of year all the way around! - Jane

Enjoy these tailgate recipes (mostly healthy) from West Virginia, Michigan, and Ohio!

Craveable, Shareable Buckeyes

From <https://www.osu.edu/alumni/news/ohio-state-alumni-magazine/issues/winter-2017/buckeye-treats-galore.html>

INGREDIENTS

- 2 cups sifted powdered sugar
- 3/4 cup smooth peanut butter

Meanwhile, melt chocolate and shortening in small heat-safe bowl set over saucepan of simmering water, stirring often, until smooth. Remove from heat.

Insert thin wooden skewer or toothpick into the center of each ball and dip about three-quarters of it into melted chocolate, leaving a small circle of peanut butter exposed at the top. Transfer to baking sheet. Remove toothpick and repeat dipping process with remaining peanut butter balls and chocolate, reheating chocolate if necessary.
