International Rally in Virginia

President's update-coming home from Doswell, VA, site of the 2019 Silver City, I marveled at the beauty of the countryside and the joy of fellowship at the International rally. GSL had a great

group in attendance & most nights found many of us together by Joe's campfire. Most enjoyable times. I'm looking forward to comradery in Loveland next year!

Wow, did we ever have the best of times!

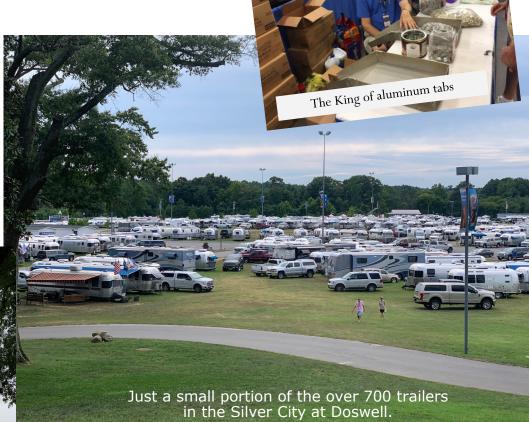

Now that's a suit!

Shade was great until the storm! The trailer was damaged but no one was hurt. (not a GSL member, but our neighbor)
