

## Merry Christmas and Happy New Year Everyone!

It has been a great pleasure to serve as your president this past year. What a year! I want to thank all of you for your help in getting our club through the challenges of 2020. Our wonderful hosts did it and our great participating members enabled it.

It was fun as it should be. I want to especially thank Greg Vadner for his many contributions to us and to me. His leadership and hard work on our website, Constitution & Bylaws revisions, officer nominations, and getting our club logo and flag approved through the International bureaucracy were invaluable to us.

I am hopeful that 2021 will see an end to the coronavirus and allow us all to return to normal. We are very lucky to have Joe Hauser as our new president and I know that you will support him as you have me. **Take it away, Joe.**
