

Let's get our buggies on the road!

Greetings everyone! I'm feeling optimistic about having our scheduled rallies, starting with July. Our hosts, Carl and Louise Richards, who are 2019 new members and live near Springfield, are planning on it. I think the key is the reopening of the Lincoln Library and Museum as an indicator of State and Federal guidance. When that happens, I will consult our Executive Board about proceeding with the rally. Meanwhile, we continue to wait and see how things progress.

Don't forget the approaching deadlines for reserving sites; June 1 for the August rally and June 15 for the July rally.

Hang in there!
