President's update- Wow, what a great rally we had in Mulberry Grove & Vandalia, IL. Wonderful weather, fellowship & sites to see. Now I'm eating "Extreme Ice", frozen whey from the Marcoot Jersey Creamery, famous for Artisan & Farmstead Cheeses. Fabulous!!! We got a first class tour of this women owned and run, 7th generation family business. Check them out at marcootjerseycreamery.com.

A big thank you to Kathy & Kevin Welsh for this award winning rally.

It was an awesome feeling to be where Abe Lincoln walked & worked back in the 1800's in Vandalia. Even this statue was impressive, just ask Kevin how it grabbed his attention!

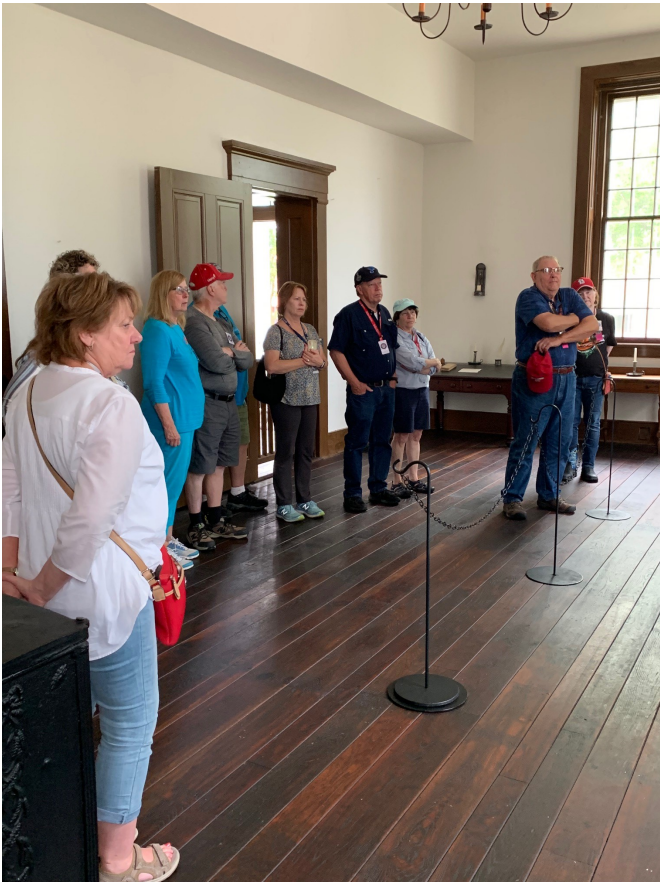

Do you have a favorite place to camp and visit? Why not share with our Club by hosting a rally!

Caravan Lovers

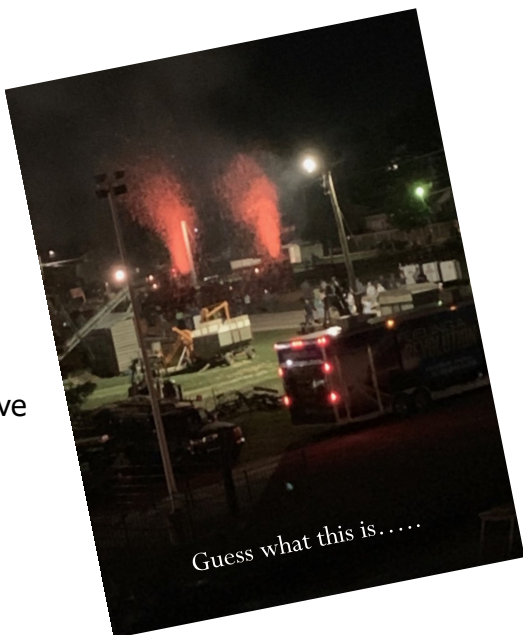

Have you ever thought about leading a caravan but are hesitant to tackle such a potentially big project with the need to coordinate with the International caravan leader and procedures. Think smaller, think our GSL Club, 5-10 trailers. Think shorter, 8-14 days. Think of less stops 2, 3 or 4. Think more locally, like a Missouri Winery Trail, distillery tour, or a Missouri mills tour or Century farm tour, saw mills, civil war sites... the list is long and creative. We don't have a club caravan leader, but that does not mean you can't lead a GSL club caravan! I bet you will find great interest within our membership in helping make your vision into a caravan.

2020 Membership Renewal Time

With 34 members renewing for 2020 as of this writing we are well on our way. Renew now to be included in the 2020 printed membership directory. It's not hard to do and it's not expensive. Less than a good meal with drinks for two, but more filling and lasts an entire year. Can't beat that!!!

*Is there a Herman Octoberfest Rally in our future? I bet you did not know that some in the Arkansas Airstream club are exploring a rally to the Octoberfest in our own Herman. If this dream becomes a reality it makes sense we would join in & possibly the Greater Ozarks club as well. I have pledged my support & when the call comes I hope we can count on you!!!
