### FROM YOUR PRESIDENT:

Greetings everyone,

Some of you may already know that the Region 2 rally has been canceled again for this year. I think that all of us were hoping that the roll out for the vaccine would have been sooner and quicker. I feel bad for Rich Short, he was so looking forward to this happening. But wearing a mask and distancing kind of defeats the purpose of socializing at a regional rally. Region 2 is however planning a socially distanced luncheon to happen during the International Rally in July. More information will be coming.

Camping remains to be very popular this year again, I have talked to people who tried to get an RV last year and nothing was available. I feel lucky to have our airstream. Don't forget to check out the Airstream Club Members Only benefits: Michelin Advantage Program, Passport America and Griot's Garage.

I am really looking forward to the Cinco De Mayo rally at Sharp's Campground in Shelocta the 3<sup>rd</sup> weekend in May hosted by Maria Tobin. It will be our first outing of the season. Our club will be getting together in June for a rally and in July for a picnic, thanks to Cody and Matt for planning these events. Craig and I are making our traveling plans for the summer. We liked the Pennsylvania grand canyon area so much we want to go back and explore it some more. We manage to get into Leonard Harrison State Park, it seems to be a very popular place. From there we are headed to Maine staying at Pemaquid Point Campground. We are planning to take a day trip to Monaghan Island and do a puffin cruise. Then we will go on to Naples ME to do some kayaking.

# GONE TO TEXAS...THE ADVENTURE CONTINUES

**By Denny & Gayle Gibson**

Here we are at the end of month three of our journey into southern winter living at Pleasant Valley RV Resort in Mission, Texas. (Part of the Rio Grande Valley.) Normally, in PA, time seems to stand still and the winter months drag on forever. However, our time here has just flown by. It's hard to believe at the end of March we head back home. But believe me, we have been having a splendid time. During the last week of January, we decided to spend four days at the KOA campground on South Padre Island. With our reservation secured we headed off to the island a short 80 miles away. South Padre is nestled along the eastern Texas coast with the Gulf of Mexico on its eastern side and the Laguna Madre bay on the west. Our first day was quite windy and overcast. It was a good day to rent a three-wheel Polaris Slingshot. The car was a very low-rider so we covered our faces and pulled our hats down low.

## NEWSLETTER IDEAS!

Hello WBAC members of the Al-Mon-O Airstream Club. Without news, there is no newsletter. Without rallies and luncheons, there is nothing to write about. Or is there? Some believe this is a time where we need one another even more. Please share articles, anecdotes, photos, recipes, jokes, member interviews, anything Airstream related that will let us feel connected. Throw out a prompt like “What is your new favorite small appliance?” or “Adventures with our first camper.”

Please send your offerings to Cody Klingler (cwk5292@gmail.com) no later than the 25th of each month. Thanks!!!

Meanwhile, be well and stay well.

Thank you!!

***Gone to Texas...the Adventure Continues***

***Continued from page 2***

Off we went to explore South Padre and city of Port Isabel. It was awesome! As we cruised down the road, we compiled a mental list of places where we would like to eat and activities for the upcoming days. Gayle, of course, checked out many of the unique shops and souvenir stores. During the following days of our stay, we visited many of the places on

our list. First stop was the South Padre Island Sea Turtle, Inc. Their mission is to educate the public, rehabilitate injured turtles, and lead with conservation efforts. We spent a few hours walking around the large tanks that houses the injured turtles. Recently flown in via private plane were 20 Cape Cod Kemp sea turtles, injured due to the extremely cold water. Many were found beached with pneumonia and will take months rehabilitate. Next stop was the Birding and Nature Center. There we hiked a 1 ½ mile raised boardwalk out to the bay for some bird watching. Truly an amazing place to observe wild life. Then off to the Convention Center where they also have a raised board walk out to the bay, although not as long as the Birding Center's.

We spent a lazy day walking for hours on the Gulf of Mexico's seashore gathering sea shells and playing in the waves. We even were able to drive on the beach! They have two public access points to the beach. One is free access but not very well kept.

Several cars where stuck in the sand with 4x4s extracting them. We chose the paid access which was well maintained and easy to get to the beach. In the evening we headed back to camp to change clothes and head out to dinner. Sea food was the order of the day. Over the course of our stay, we ate at Pier 19,

Blackbeard's, and twice at our favorite - Daddy's. After dinner we walked around the sand sculptures tent. The theme this year was Christmas scenes. So many talented people creating wonderful pieces of sand art. Our favorite was the pirate Santa. We also hit a few of the night spots where we enjoyed a few cocktails and live music performed with a back drop of the orange setting sun.

*Gone to Texas...the Adventure Continues*

*Continued from page 4*

Now, just so you don't think it was all sunshine and rainbows now here, I'm sure you have heard

about the unusually cold weather Texas is experiencing. Sometime during the night of Sunday, February 14, we lost all power in Mission. Temperatures dropped to the low 20's. We ran our furnace on battery power and recharged them with our truck during the first day. Lucky for us (and Bob, fellow AL-Mon-O'er) a French-Canadian couple in a 380 HP diesel pusher mobile home behind us offered to let us connect to his on

-board Onan generator. With his kind gesture we were able to keep our furnace running, or at least until the propane lasted. Yes, due to the high demand and abnormal weather propane soon became hard to acquire. Normally, Pony Express delivers Monday, Wednesday, and Friday and fills our tanks in the resort curbside. Just set your empty tanks out and they drive by and fill them. However, on Wednesday the demand was so high they ran out before reaching the resort. Most propane dealers did not have electric to operate their pumps. Gas stations either ran out of fuel or could not operate their pumps. If

they were able to operate, gas lines were reminiscent of the mid-70s. As our propane supply dwindled down to fumes, we started to prepare to winterize the trailer and dig out our down jackets, wool blankets and sleeping bag. Then as miracles happen, Pony Express showed up unscheduled on Thursday to make emergency deliveries of propane to the area. We now have two full 30 lb tanks of propane and the power did come back on. Things are slowly returning to normal, at least in our little part of Texas. I must add I'm proud to be part of the RV community here. Everyone pulled together to help their neighbors out. Whether it was sharing their generator power, supplying water to those in need, giving away extra food, or making soup to warm the soul, us winter Texans will survive.

Take care, stay warm and live the dream

## **REGION 2 NEWS**

Hello! My name is RJ Marquette (#13270), and I'm the incoming region 2 president.

I joined WBCCI in 2005 as a member of the Washington, DC Unit, after buying an Airstream B190, a small Class B motorhome made by Airstream between 1989 and 2000. However, this wasn't my first experience with Airstreams or WBCCI, as my parents are also Airstream owners and members of the club (#3270). As a teenager, I attended several Central Pennsylvania Unit rallies in the early 90s with my parents.

I admit I had some hesitation about joining the club after buying my B190, because my impression was that it was entirely old people (hey, I was 30 at the time). But I was convinced to give it a try. It's cliché, but we've gained great friends and have countless great memories with the club. Getting together at a rally is like seeing our second family.

My wife, Erica, and I are both past presidents of the WDCU. To date, we've attended two International rallies, Lewisburg and Doswell, and we're planning to go to Lebanon, Tennessee this summer. We also worked on the survey that was done on the membership in 2017. We have three cats and a dog that travel with us in our 1995 Classic 30' trailer, and I'm working on getting the B190 back into operational condition in my spare time. I'm hoping it'll make an appearance at some club events this year! (I've been saying that for a few years, though.)

I volunteered for the region president office because I wanted to give back to a club that has given me so much. Also, I want to help bring the younger perspective to the larger club. There are many members of WBCCI who are still in the workforce like Erica and I, and I wanted to help make sure we had a voice at the international level.

Speaking of region officers, we're going to need a new region 2 Second Vice President. This is your chance to help shape the club. While it looks like a 6 year commitment, the work doesn't really get going until just before you actually become the region president - until then it's mostly learning what happens and being available for some discussions with the other officers. Our new 2nd VP would serve as region 2 president from 2025 to 2027.

The region has several officers that help keep things running smoothly. I want to thank all of the outgoing officers for their service, and thanks to the people who have agreed to serve another term or who have already volunteered to fill open positions. The list of officers is at the end of this message. As you can see I still need a volunteer to write the region 2 newsletters. Please contact me at [rjm1@yahoo.com](mailto:rjm1@yahoo.com) if you are interested!

***Continued on page 7***

***Region 2 News******Continued from page 6***

I also want to thank Richard Short for his help and support in getting me up to speed so quickly, and for his hard work as the region president. In addition to the work he did for our region, Richard was also in charge of implementing the new discounts available for WBCCI members (such as for Goodyear tires), so his contributions will improve the quality of the club for years to come. Thank you from all of us!

Over the next two years we intend to join a rally or other event for every unit in the region, and we're looking forward to meeting you!

# Pennsylvania State Rally 2021

Hosted by:

## September 10-12 2021

Centre County Grange Fairgrounds-169 Homan Lane, Centre Hall, PA  
**'Exploring State Parks at the PA Rally'**

The Centre County Grange Fairgrounds offers a great location with many options for visitors. The camping area is large, open and grassy as well as flat. The campsites will have 30amp electrical service with water hookups and are pet friendly. There is a dump station at the entrance of the grounds and a large hall will be available for our use for meals, activities and demonstrations.

The Centre County area offers a great variety of activities for everyone, such as exploring one of the nearby State Park's to go kayaking (rentals available at Bald Eagle State Park), hiking, biking or wildlife watching. You may also enjoy local wine tasting, relaxing while learning at the H.O. Smith Botanic Gardens in the Arboretum at Penn State, or a visit to a local brewery. The Nittany Antique Machinery Assn. fall show (which includes a large flea market, daily tractor parades, antique car & truck displays, antique small engines & garden tractors, tractor pulls, steam tractors, cider press & apple butter) as well as the Outdoors Sportsman's Club gun show will also be held during these dates. America's oldest antique automobile museum, the Swigart Museum may also be of interest or a visit to the largest cavern in PA or America's only all-water cavern. We hope you take advantage of this great opportunity to explore Centre County where great opportunities and fun adventures await!
