A GREAT START TO THE NEW YEAR!

What a way to start the year! There were seven trailers at the Red Rock Canyon Rally and we had AMAZING weather! Although it was cold as soon as the sun went behind the mountain, the daytime highs were close to 70 degrees! Members spent the days hiking, biking, enjoying the scenic loop as well as exploring the nearby communities. Everyone enjoyed gathering in the evening to share their anytime experiences and catching up after the holidays.

Colorado River Rally

Come explore the Colorado River Basin from our base at Davis Camp. Davis Camp is a quaint county RV park located right on the Colorado river. The sites are back in for \$30 per night. There are parks nearby plus Laughlin, the Colorado River Museum, the town of Oatman is only about 28 miles away, Kingman is 33 miles away and there are nearby Grapevine Canyon Petroglyphs. Hiking and biking options also abound. Lots to do nearby or you can relax and do absolutely nothing at the campground.

In order to comply with safe Covid practices, all meals are on your own and there are no group outings/events scheduled at this time. However, it isn't a rally without happy hour. So happy hour will continue with social distancing.

Big Bear Rally

Stay tuned for information regarding the upcoming Big Bear Rally!

MEMBERSHIP CORNER

Over the past few months, we had quite a few new members join. We'd like to welcome you and let you know we are looking forward to meeting you and camping together soon! Some of you have even already signed up to attend a rally. How exciting!

Marcus and LaMona DiBenedetto Dustin and Teycee Meritt Jeffrey Waugh
Walt and Earlene Smith Donald Thompson and Lana Louthan Bart Cops

Just a reminder to members, if you have a name badge, please be sure to bring it to the next rally. With so many new members, we know it can be difficult to remember all of the new faces and names.

CHANGES

The only constant in life is change. Although, this past year has felt as if little has changed, due to the lack of travel in our lives, much has actually changed. And we must keep up! Over the past year or so, the Wally Byam Caravan Club International (WBCCI) has become more commonly known as Airstream Club International (ACI). Along with this change comes a change in both the international logo and website as well as our local club's logo and website.

I would encourage all members to explore both the international and local club's websites.

The ACI website address is airstreamclub.org. There is so much information available. It would be a shame to miss out. Once you are on the website, notice at

the top right corner, there is a “Login” button. Please take a couple of minutes to create your account. In your account, you will find your personal membership information, which you can update directly on the website with any necessary changes. On the website, you will find, rally information, member resources, how-to- articles, a club store to purchase ACI goodies, and much more.

There is also, a Member Portal, which provides tons of information.

- You can pull up a membership directory (by member name, number or club affiliation) for the entire Airstream Club International.
- Member discounts available from a variety of vendors such as Harvest Hosts, Michelin and others. The list continues to grow, so you may wish to check back on a periodic basis.
- Copies of the Blue Beret (current and past)
- Courtesy Parking

Our local club’s website is airstreamclub.org/las-vegas. On our website, you will find a list of officers, copies of newsletters along with a list of rallies and events.

As a result of all of these changes, effective **June 1st**, our club will no longer be utilizing the meetup website as a means of communication. All communication will be through email and rallies will be listed on our website as well as the ACI website. If you are not currently a member of our meetup site, don’t worry. All rally information is current on the websites. There is no need to join meetup at this time.
