President's Message

by Glen Lessig

Christine & Glen enjoying Florida.

Ahh March! We are definitely looking forward to spring and summer adventures. I will be honest, Christine and I have escaped the brutal winter weather of Connecticut for warmer relaxation. Our friends in Charter Oak South (aka Travelers Rest), have been very welcoming, many fun social events even a friendly game of croquet. We have been exploring bike trails in northern and western Florida, discovered Honeymoon State Park with its beautiful white beaches on the gulf and a long nature trail with multiple osprey's and an eagle's nests.

With Rich Kushman's assistance, we are making progress on several digital/online fronts. You may have noticed that you are now receiving emails from both Rich and me using the clubs 025 gmail accounts. The goggle platform allows us to store resources, manage surveys and easily pass on digital data to the next set of officers.

Rich has done a remarkable job with our [website](#), a great place to find all of our club information and a map with our rallies to plan your next adventure. The ACI site also allows easy searching with a constantly updated map for other clubs and Region 1 events. A second website you may find interesting is the Region1 site.

From hobby to business

After building his own travel trailer, Wally published a DIY guide in *Popular Mechanics* for others to do the same. Soon his neighbors started asking him to build trailers for them like the one in his front yard, and he obliged. Noise complaints quickly followed, so Wally rented a building and opened a small trailer factory in Culver City, California in 1931 – Airstream's first factory. They soon relocated, but the Airstream dream was born.

What Do You Think?

What do you call a group of toads?

I never was but always will be. No one ever saw me but everyone knows I exist. I give people the motivation to better themselves every day. What am I?

Presidents Message Continued

Online registration is an experiment we are trying with the "Travelers Woods Revisited" rally. Saves the need for a registration form, and creates an convenient listing of attending members for the sponsor.

Our 2021 stunning printed and digital directory should have been received by all. Thanks again to Rich and his dedicated team for a job well done. The digital copy is easy to save on your iPhone or Droid (ask Rich or me for help if needed).

Check page 6 for results from the recently completed directory survey, the response was good, 27 of our 76 memberships for a 36% return. The club will continue to review directory distribution and decide on the appropriate method for our 2022 directory. At first blush, it appears that we may be able to reduce the printing workload by only printing and charging for those members who want a printed copy and providing digital to all.

The summer Charter Oak camping season is shaping up to be busy and fun. First, up will be the KEEP CALM AND RALLY ON event, this should be a great small rally to kick off our season, if you haven't registered please do so soon as we are near to capacity.

Gail and Wiley are planning Travelers Woods Revisited a fun rally in northwestern, MA, in May and of course, we have the Region 1 Rally that our club is hosting. Thanks to Bard and Kathy for their excellent preparations for planning this fun region rally. Be sure to check out the 2021 Rally and Event Schedule for additional events. Our rally schedule is coming together though some of the details of the Quebec Rally are tentative due to the current Canadian Covid concerns. Stay tuned.

See all of you down the road.

Welcome

New Members

Michael & Patricia Rollo #1161
Newtown, CT

Nineteen days until spring; looking forward to spring flowers and happy times ahead. Most of us have had our first Covid-19 vaccination and soon to have the second. Hope everyone gets their turn.

It was good to see President & First Lady **GLEN & CHRISTINE LESSIG** here at Travelers Rest. Would you believe they made reservations over a year ago, and when they arrived and set up, who was parked right next to them but their friends from CT...what a small world.

Our very own **GUY WEIK** has volunteered for a new job, he is now the Activity Coordinator at Travelers Rest Resort, Dade City, FL. We wish him the very best in his new position.

How many miles per gallon do you get: The average person walks 913 miles per year, drinks 556 glasses of wine per year (27.8 gallons), which is 33 miles per gallon...pretty good.

Don't forget to sign up for the Region One Rally before May 1, 2021 for a discounted fee. Let's get back to Airstreaming! ~

FIFTY YEARS AGO

by Bard Fuller

Membership continues to grow for the new Charter Oak Connecticut unit over the winter of 1970-71. Acting under a provisional charter, they capped the "charter membership" to the 46 family/couples that had signed up for the new unit as of January 3, 1971. The following is a list of our pioneer members from the 1971 directory which was likely published in the spring of 1971:

Adams	New Milford	Freeman	Marlborough	Morettini	Durham
Alexander	Stratford	Fuller	Kensington	Natorski	Brooklyn
Arquett	Wolcott	Fusco	Danbury	Pederson	Gaylordsville
Baldwin	Norwich	Gifford	Bristol	Raboin	Bristol
Bismack	Wallingford	Hall	Unionville	Roger	New Milford
Bobalski	Bridgeport	Hennig	Niantic	Ryan	Wethersfield
Bourgeois	Plantsville	Herbert	Summers	Sheehan	Stamford
Brennan	Wolcott	Howard	Salisbury	Sheffield	New Hartford
Butterfield	Trumbull	Hulbert	East Hampton	Spector	Williamantic
Clark	Norwalk	Hultin	Ansonia	Squier	Clinton
Coburn	Simsbury	Johnston	Vernon	Stachkunas	Forestville
Cogan	Wilton	Kelly	West Hartford	Steucek	Guilford
Coote	New Milford	King	Orange	Strew	Orange
Crockett	Torrington	Klimkiewicz	Bristol	Sturchio	Strafford
Cruise	New London	Malerbo	Bristol	Sweeney	Oakville
Dirga	Bristol	Marquis	Norwich	Taylor	New Milford
Droheim	Bristol	Maxim	Danbury	Withington	Bethany
Engel	Concord, NH	Metzler	Milford	Wyckoff	Suffield
Fields	Meriden	Mitchell	Norwich		

Of all of the original charter members we believe only Roger Crockett remains. We salute Roger and his late wife, Ruth, for being the guiding source of inspiration for our club for the past 50 years.

Attention: Mystic Rally Action Needed

by Bard Fuller

Our scheduled rally for August 13-15 has had a few new developments.

We were to be joining the New England Airstream Club (NEAC) for this rally which was to be held in conjunction with the Mystic Art Festival in downtown Mystic that weekend. Note this rally is **not** on the Mystic Seaport property. Tess McShane from NEAC has notified me that the Festival is questionable whether it will be held. The campground fees at the Seaport RV resort & Campground which are now over \$100 a night can only be discounted to \$88 per night for group camping with a deposit needed very soon. With this in mind I am requesting those interested to please email me of your interest ASAP so I can coordinate with the NEAC club our club's level of participation.

Latest survey shows that 3 out of 4 people make up 75% of the world's population.

The Brick Airstream

by Bard Fuller

In 1989 US Brick Inc of Owosso, MI, promoted their new innovative ½ inch thick brick panels by displaying them on the only known brick Airstream. By laminating their thin brick product, they showed how it could be used on curved surfaces.

They used a 1975 31' Airstream and adhered 500 sq ft of this brick veneer which added some 3000 pounds to the trailer. The trailer also featured over \$11,000 of oak trim millwork around the windows done by the Precision Millwork Corp of Cherry Hill, NJ. The brick trailer was seen at trade shows in St. Louis, New Orleans and Las Vegas. ~
