PRESIDENT'S LETTER

Dear Fellow Travelers,

I trust you've all had a happy, healthy, productive and prosperous April and are ready for the Spring Rally at Lake Tiak-O'Khata. Even if it's just three-out-of-four (for me), Elizabeth and I are looking forward to getting together with our old friends/new members of the Mississippi Airstream Club.

Lake Tiak-O'Khata is a beautiful place to relax and savor the wilderness -- plus enjoy a few rounds of MT to boot. The Noxubee Wildlife Reserve is a really interesting place. Bring a camera -- there are nature trails, birds, flowers, and alligators galore. Wear sensible shoes.

Fun and games aside, there is a more important aspect to this rally: preparation for International in Doswell. Those of you *not* going to Doswell should bring your aluminum can tabs, as well as your items to donate to the local Doswell charity *Home Again* (see page 44 in the April *Blue Beret* for items needed). Also bring any caps, gloves, Teddy bears, baby blankets, etc., that we can give to First Responders there. Someone going to International will take them for you. AirStreamers are known for their giving nature -- let's not disappoint.

We will also, at our rally, elect a delegate and alternate to attend the International Business Meeting in Doswell. And on Friday, May 17, we'll have our annual Cents-for-Youth auction, so bring your trash-to-treasures, homemade jellies, thrice-read books and other stuff for that.

Happy Trailers,

A handwritten signature in black ink, appearing to read "Bob", with a stylized flourish at the end.

Robert Hawkins, President

GOOD FOR THE ORDER

Did your parents teach you about life's basics?

Contortionism – "Look at the dirt on the back of your neck!"

Stamina – "You will sit there until all the spinach is eaten."

Genetics - "You are just like your father."

Wisdom – "When you are my age, you'll understand."

Medical science – "If you don't stop crossing your eyes, they'll get stuck."

Religion – "You'd better pray that comes out of the carpet!"

Envy – "There are millions of children who would love to have wonderful parents like yours."
