## The President's Message

So, I said in December that winter was among us in so many words. This past week we had a string of beautiful days, warmth and sunshine. I thought it was so nice to see spring finally around the corner with the warmer days here. Well... Ha! IN a flash back to frigid temperatures and snow blowing every where.

Much like everyone else I can not wait to get my airstream back from the factory service center and get it ready to go to the pets and Paws Rally. We have jokingly call this rally in prior years a "break-out" rally. Everything will be new in it for me, so definitely will get to test out all the new systems, and have plenty of knowledgeable people around to trouble shoot things in case I have a problem. It will also take me plenty of time to get it all cleaned up and put back together from the work that the factory did this past winter. I am very excited to see everything that was done in person, not just videos and snap shots.

I hope that everyone is there summers planned out with lots of safe fun, I know my summer is getting booked up, and I am looking forward to that for sure. - RJ

Dottie update, she is home now and slowly recovering. She does have family with her and home physical therapy. We all wish he a very speedy recovery and enjoying the spring weather. She appreciates our prayers and cards. She is hoping to return to a 'normal' soon.

## Region 1 President's Message

Greetings from Region One. Following the leadership of Per Hamnqvist as your Region One President is an honor and makes for big shoes to fill. Per spent a great deal of time in his effort to make our Region leadership inclusive. The election that we all participated in is evidence of his success.

My goal is to continue to follow his example and to continue to improve and innovate. Your region officers,

who are Bard Fuller and RJ Dominic meet monthly to discuss items that are important to our community. When a vote is called for at the International level, we talk it over and reach a consensus before I cast the ballot. The reasons for this are many. My belief is that three minds are always better than one. Also, it will provide continuity as new officers are elected and old officers move on.

Please feel free to reach out to me if you have any questions or suggestions. I look forward to hearing from members of the Cape Cod Airstream Club and to seeing many of you at Pets and Paws in April. There is lots of pent-up demand for getting together in our Airstreams so grease up your hitches and get ready to camp! Feel free to email me at anytime [doug.hart352@gmail.com](mailto:doug.hart352@gmail.com)

### Region 1 "Oh the Places You'll Go!" Rally - Update

June 17th-29th, 2021

By Bard and Kathy Fuller

We are keeping a close eye on the changing regulations in these COVID times. Currently, we are cautiously limiting capacity of the Rally to 100 attendees as we wait for the new updated government guidelines. At this writing, we have openings for less than 15 RV's before we reach our anticipated 100 people outdoor quota.

With spring weather, increase in vaccinations and the push to open up the economy, we are very optimistic that the Region One Rally will be one of the first regions to be able to hold their Rally. Although scaled back, it will be done in a fun and safe manner.

The mornings will feature seminars and Region One activities. The evenings will be full of food and entertainment. Perhaps even the Dr. Seuss pet parade and campfire.

Because the rally, being held in Northhampton, MA is in an area with abundant attractions we are encouraging all to use the rally site as a base for the afternoon explorations. Let's get out and climb Mt. Tom or bike the rail-trails or kayak the Connecticut River or visit historic Deerfield Village, or try our chances at the new MGM Casino, or shop the Yankee Candle flagship store, or visit the Amazing World of Dr. Seuss, or even a visit to the Beer Can Museum just blocks from the rally site.

*There is something for everyone!*

## WBCCI Lifetime Memberships

Submitted by Bard Fuller, Region One 1<sup>st</sup> VP

Rates will be going up in a few months. If you have ever wanted to explore whether a one-time payment could be beneficial to provide you with a lifetime membership in the WBCCI check the WBCCI website/Current Member/Lifetime Membership. Benefits of a Lifetime Membership include:

- Special designations for the listing of Lifetime Member(s) in the Annual Membership Directory.

- A \$20.00 discount on the International Rally Fee
- A ten percent (10%) discount on goods purchased from the Airstream Club International club store.
- Other discounts that may be offered by Airstream Club International Sponsors.
- As a Club member, you can now have the choice of one of three approved Club logos to be used on your name badge and the decal optionally affixed to your Airstream.

### A note from Lucy Roche, 1st VP

It looks like warmer weather is around the corner. It's time to dust off your Airstreams, and get ready to roll!

I want to touch base on a few of our wonderful rallies that our club is having this year. You can certainly tell that we Airstreamers are ready to roll because Eddie is reporting that we have many reservations already in the books for all rallies that we are offering. My suggestion is that if your interested in any of them get the flyer from the back of the news letter and get it into Eddie as soon as possible.

Our Pets and Paws National Event Rally that we hold jointly with the New England Airstream Club is filling up fast. We only have a few sites left there. What a better place to break out your Airstream than Providencetown on the ocean, with lots of seafood and beaches to roam.

The Airstreams in Bloom Rally held over Mothers Day weekend in May is being held during a spectacular time of

### Lucy continued

the year with all of the spring flowers in bloom.

Lets get signed up for these rallies and get out there and enjoy being out camping again.

The Flea Market Finds Rally in Brimfield Mass. Is being held during the town wide Flea Market weekend. If you love antiquing, you will love this rally. We stay right at the edge of the town in the Village on the Green Campground which has easy access to the town for all of the bargain hunting you could want. We are in hopes that Laura Spencer, the host of 'The Flea Market Flip' TV show to inspire us in the art of finding great deals. We are hoping her schedule will have her there in Brimfield when we are there and she would be able to meet with us. Bill and I are looking for a co-host for that weekend. It's a laid back rally, so easy to do. If interested please contact us.

One of my absolute favorite rallies is the Columbus Day / Canadian Thanksgiving Day National Event Rally that is sponsored by CCMAC in Leichester VT. We have never yet been disappointed by the lack of fall colors and the great food. When they say a foodie's weekend it truly is. We have a campfire going literally the whole weekend. Plenty of hot food, and everybody pitches in to make it memorable.

The 64th International Rally will be held July 17-24, 2021 in Lebanon, TN.

Lebanon, TN is the county seat of Wilson County, TN with a population of approximately 37,000. Lebanon is located in middle Tennessee approximately 25 miles east of downtown Nashville.

There is a lot to see and do in Wilson County. Lebanon is nicknamed "The Antique City of the South" with over 20 antique stores in the county.

Wilson County has 2 state parks for swimming, hiking, horseback riding, picnicking, camping and fishing.

The Wilson County Exposition Center located minutes from Nashville. There is a historic village at the fairgrounds called "Fiddler's Grove." Many great restaurants. The Grand Ole Opry is a 25 minute drive from Lebanon.

## Welcome to the 2021 Rally Season!!

So far it appears that all of our rallies will go on this year! We are still dealing with the Covid virus and will have to abide by the rules of each state when it comes to camping.

As a result we have chosen to do things a little different this year as far as rally payments go. Our club has taken great strides with the use of technology and using on-line software. Eddie, our Treasurer, uses an online version of accounting software. I am authorizing him to do a small upgrade to include invoicing for our rallies. What does this mean to you? When you sign up for a rally through June you will not need to send money for the rally. As we get closer to each rally date Eddie will invoice you for the fee. This way we do not have to worry about money exchange if the rally is postponed or cancelled. When you send a completed flyer into Eddie he will add you to the list for that rally. When the time is appropriate he will send you an invoice via email so be sure to have a correct email address on your flyer.

All flyers are on this newsletter, and are on our Cape Cod website. Please complete one and get it to Eddie as soon as you can. As many of the rallies are filling up already. Thank you for your cooperation. I am staying positive that we will have a great camping season with every everyone safe and remaining healthy.
