## President's Message

Greetings MAC Members,

Airstreaming = Fun

Rallies and Caravans are Fun, why? Because Airstreamers are Fun. We share a common love of the outdoors, traveling, and enjoy the company of nice people who like to have Fun.

We have learned to gather, while being careful following CDC guidelines. Some and maybe most will have obtained COVID vaccines prior to our summer rally season. Until more is learned we will continue to wear masks and social distance as conditions require.

I still need hosts for our installation rally, probably mid October. We also remain in need of a Recording Secretary, and a 2nd Vice President. We need officers as well as volunteers to plan our activities.

As you read this Newsletter you will find a schedule of Fun activities. Join us when you can. Feel free to contact any of our officers if we can be of service.

Your Fun guy in the sun,

President Jim Conant

There now is a Michigan Airstream Club Facebook page.

## URBAN AIR® 2021: LOGAN, OHIO

### Wake Up Downtown Logan April 29th-May 2nd, 2021

The City of Logan will close the streets to all motorized traffic. Our Airstreams will line the historic downtown, forming a quiet and safe pedestrian mall.

**We will Wake Up Downtown.**

**We've reached our capacity of 101 Airstreams for Downtown Camping and there is a waiting list.**

**However, you can still be part of the party. There are tickets available to attend Urban Air® 2021 by staying at the Fairground. It's a short bike ride or walk (about a half mile) away. You'll have water, electric, a dump station, restrooms and showers.**

**There's also lots of green space for your furry friends.**

**Simply click the BUY TICKETS button on the website and select the "EVENT CAMP at Fairground Th, Fr, Sat eve - and power & water" option.**

**Thank you very much!**

Enjoy lots of live music, restaurants, Airstream factory experts, company tours and more. You'll discover an authentic moonshine distillery, a brewery, and the scenic splendor of the Hocking Hills!

It's the gateway to the Hocking Hills Region, which is part of the Appalachian Landscape. Nearby attractions feature waterfalls, caves, the dark sky park, rivers and lakes for kayaking and fishing, horseback riding, zip-line canopy tours, hiking, and rock climbing.

- Pre-event camping at the fairground is available April 25 – April 28 for \$30 per night. Water and electric included. Bathrooms and showers available. Food trucks will be on site at the fairground for dinner on April 28.
- Camping on the downtown streets will sell out when we reach 101 units. You can be placed on an overflow list to be notified if a spot opens up downtown.
- You may stay at the fairgrounds and still attend all events downtown (half mile away).

Should you wish to extend your visit and explore the surrounding area, the fairground camping will be available after the event.

Hello campers,

Mark your calendars for an exciting event shaping up for the weekend of May 15th 2021.

Last year with so many events being canceled we got together with some great friends and created our own little event. We were familiar with the Gilmore Car Museum and their beautiful 90-acre grounds so we gave them a call. As it turns out they are not only the country's largest automobile museum they're also considered a park!

With the help of the museum staff, we hosted 12 Airstreams for a weekend and enjoyed the museum's displays, grounds and special events. Everyone wanted to do it again!

The museum is very proud of their campus and partially due to the success of our event will be hosting a vintage travel trailer rally Saturday, May 15th 2021. Airstreams of all ages will be featured in this year's event. Additionally, the museum will host the "Corks and Crafts Season Opener" wine and craft Beer tasting event the same Saturday.

We will be helping the museum reach out to WBCCI Airstream club members, Tin Can Tourists and other camping clubs for this event.

Check out the museum's website at [www.GilmoreCarMuseum.org](http://www.GilmoreCarMuseum.org) to get a feel for all the museum has to offer. Search for "Vintage Travel Trailer Rally" to check out the details. If you plan to attend Saturday and Saturday night only you can register online via the museum's web site. If like me you plan to extend your primitive camping stay you need to call 269.671.5089 to reserve a spot.

What to expect – The Gilmore is one of Michigan's best examples of how to reopen under Covid-19 guidelines, so your safety is their top priority. The museum has ~3 miles of paved roads along with beautiful buildings and barns to house their car collections. A 1950's diner serves food during museum and special event hours. Saturday's vintage (25 years +) event will be held on the main show grounds and longer-term camping and Airstreams will be parked near their oval track. This is a PRIMITIVE camping event with NO 110 V power or other hookup available (Quiet inverter type generators will be allowed during limited daytime hours). After preregistration (online or by phone) You will check in at the museum entrance upon arrival. A daily museum entry fee is requested if you are planning to take advantage of the museum or any special events beyond basic camping.

See the online event flyer and contact Josh for show specific inquiries at 269.953.9036 or [JRussell@GilmoreCarMuseum.org](mailto:JRussell@GilmoreCarMuseum.org).
