## COVID-19

### Changes about everything, In 2020

It was decided to have a Virtual (Zoom) annual business meeting. On November 4, 2020 first attempts was around 7 pm. Collister had problems with connections. George called meeting to order at 7:46 pm. Participating in the Virtual meeting were Fred and Sharon Schultz, Glenn and Donna Lippincott, Jim and Marguerite (Glaser) Ridolfi. There were no minutes of previous meeting available to be read. Fred presented the Treasurer's Report approved by Glenn and seconded by Jim.

First on agenda was the 2021 Slate of Officers. Marguerite Glaser accepted the Presidency. Cindy Collister moved up to Vice President. Fred Schultz agreed to remain as Secretary and Treasurer. And of course Georg Collister is now Past President for the 3<sup>rd</sup> time.

We discussed a Christmas gathering, possibly at Top of 80's restaurant the second weekend of December. When Cindy was checking to make reservations found out they were only open on Saturday evening but open Sundays 12noon to 4pm. Well COVID was becoming more spread and it was decided to forgo any Christmas gathering. Really missing seeing everyone.

During the meeting we discussed the 2021 schedule of events. You still see a lot of **TBDs**. As we get more information concerning the Region and State Rallies, we will keep you informed. Also, as you can see, we asked if we could partake of some joint rallies with Keystone Airstream Club and some

12/17/2020

other joint club rallies. They look like fun, and as Jody Dietz says "more the merrier". Over the years we have enjoyed these joint rallies, meeting new people and making and reuniting acquaintances.

Another topic discussed was ordering new badge holders including new Airstream Club logo.

Still under discussion and consideration is whether to include Sugar Creek, Ohio rally (9/26-10/4) and/or the Storytelling Rally (9/29-10/4) at a fairground in Tennessee. Maybe do part of Sugar Creek and move onto Storytelling. Still to be decided.

## Region 2 News

Richard Short, Pres.

November 2020

It is practically November as I write this and the year has been quite different, to say the least. No need to recap or review all the events and non-events of the year that made it so. I think we have all heard and read enough to understand. Suffice to say I will be both sad and glad to see 2020 end. I'm sad for the fact of missed opportunities in the camaraderie and travel adventure our Club is known for. But I am glad in the hope that much of the fear of the unknown and the disappointment of cancelled events will be behind us. We have learned to adapt. The future may look different, but I know the Airstream Club will remain strong and vibrant. Fact: our Airstream Club has added over 475 new memberships in the last three months alone. That is almost 1000 new members and is amazing. I know you join me in welcoming all new members to our Club family. Let's enter the coming year with confidence together. Kathi and I were able to get out and camp with our home club, the Watchung NJ Airstream Club, in mid-October. We spent 3 beautiful days up in the Pocono Mtn. region of the Delaware Water Gap. Fall colors were on full display against a background of clear and bright blue skies. Although there were no shared meals or close quarter happy hours, the "socially distanced" campfire each evening was wonderful. Thank you to hosts Harry and Lori Sacks! This past weekend took us, along with Region 2 Membership Chair Lea Plant, down to Centerville, MD and the DelMarVa Airstream Club's Rally. I was honored to preside over the installation of their 2021 club officers. Congrats to President Katharine Dowell and the DelMarVa Club. A special thank you to Chuck Helwig and Malcolm Comstock for their efforts in providing a great installation dinner... a DelMarVa tradition. The first weekend in November we will head down to Harpers Ferry, WV to camp with Jody Dietz and the Keystone PA Unit. Should be a great way to end the camping season with their "Time-to-Wrap-it-Up Rally". I guess the title says it all!

We have no definite plans for a 2021 Region 2 Rally to report on currently. I will say we are looking at several different venues for a possible mid-May or early June rally. If it happens, it will be reduced in size and scope as we continue to deal with and adapt to the demands of the pandemic. I would like to have our Region 2 Business Meeting and Officer Installation in person rather than on Zoom, but we will have to wait a bit and see. The Mid-Winter IBT meeting is still scheduled for Jan 21-25, 2021 in Sarasota, FL and the International Rally for July 17-24, 2021 in Lebanon, TN. There is still time to register for both.

Please don't procrastinate or forget to renew your Airstream Club membership. Online is still the best way to accomplish that and you have until the end of the year to do so and still be included in the annual Membership Directory. The Directory will be published in February, giving everybody time to hit the RENEW button on the website. Don't wait... please do it now if you haven't already.

As you have read, I am leading a team of Club members in a quest to improve and expand the tangible benefits of belonging to the WBCCI. Recently announced was a new partnership with Passport America, a discount camping membership club. Other benefits to include discounts on quality goods such as tires and safety products and for services like travel and pet insurance are in the works. All of that and more is being incorporated into the new "member only" portal on the [airstreamclub.org](http://airstreamclub.org) website. There you will soon be able to maintain your member profile, access "member only" info and product discount codes, see your history of club offices held, participation in Caravans and more. You're going to love it.

Kathi joins me in sending our best regards to all for a wonderful Thanksgiving. As our new Watchung NJ Airstream Club President, Meg Riley, signs her emails... **"Stay well and Purell"**

Last issue we told you about the passing of long time member **Art Elliott** and about the Model A Club (that George Collister is a member) cruising in on Art's 99<sup>th</sup> birthday. Art's nephew gave George a copy of one of Art's compositions: "How did I get to be 92":

*"1<sup>st</sup> and foremost, Learn to laugh even when you are hurting. A good laugh will get you a long way. #1: Good parents but poor, kerosene lights, etc. who want you to go to school and do well. #2: Work hard in school sit in front seat with the smart kids. #3 Read books, gain knowledge, Read how others have done well. Oops #3 again: Want things, learn how to repair what you have. #4: Find a good wife. #5: Work hard at your job and be in the top worker. #6: Go to schools and keep learning get good at what you do. #7: Think about anything that could get you in trouble, avoid people who are in trouble. #8: Be a good husband, take care of your wife and educate your kids. Get involved in all phase of your family. #9: Sunday! Take your family to church of your choice. Take part in church and support financially. #10: Be a good brother to your family, support them or help them do good. #11: Get involved in activities: dances, fraternal organizations, hunting clubs and do your part. #12: Learn early in life to keep your mouth shut."*
