### President's Message

#### Spring Rally and Monthly Luncheons

The Daffodils are blooming and the Magnolia Tree buds are swelling, so that means the Spring Rally is just around the corner. April 22—25. **At last count, we had about 15 Rigs signed up to attend**, which I think given these times, is a good number. For those who either forgot or have simply not signed up yet, the **Registration Form** and **Site Map** of the Basswood Campground and **Information Sheet** are in last month's [March 2021 Newsletter](#). If you are interested, call either Steven or Misty at Basswood at (816-281-6989) to hold your site. You can pay Basswood for the camping sites at the time of arrival. The sites remaining are 81-84, 90-93, 127 and 128. Then fill out the Application Form and send the Form and a check to Treasurer, **Linda Poage**. **Remember though, the Club will return our "hold" on the remaining sites on April 1<sup>st</sup>** so Basswood will be free to rent these sites to others after then.

Regarding activities, last week I spoke with a representative of the Weston Historical Museum about giving our group an outdoor walking tour of the Historic Town of Weston on Friday, April 23rd. She will let me know this coming Wednesday if they can offer this service.

The Rally Schedule is still being planned and assembled and will go out soon, but I would like to state now that the **Executive Board**

**Meeting** will be at 9:00 AM Saturday morning,

April 24<sup>th</sup>, either inside or outside of the

Clubhouse. The **General Membership Meeting**

will be at 10:30 AM. I encourage all Club members to attend if they wish, even if they are not signed up for the Rally.

**One of the Agenda Items for the membership to discuss will be renewing our Monthly Saturday Luncheons!** Of course, there will be pros and cons, so bring your opinion for the discussion.

Thanks, and hope to see you all soon!

- John

Please remember to be **“COVID Considerate”** at the Spring Rallies you may be attending. Let’s beat this thing and maybe get back to full “Rally Mode” in the Fall!

I understand there is a good response for the **Region 8 Rally**, so far. I am asking all those Mo-Kan Club members who plan to attend the Region 8 Rally to **let me know of your attendance**. Our Club will be responsible for some of the activities there so I will need to know who is going. Please send me an email at [jeckar52@gmail.com](mailto:jeckar52@gmail.com). - **John**

**The Count Is In!**

The Mo-Kan Club’s official 2021 member count has been received from ACI headquarters. **All together we have 67 memberships!** That’s pretty good considering all we’ve gone through in 2020. *Please take a look at the member contact list* (sent with this newsletter) and if any of your info needs to be updated, contact **Linda Poage** at [lpodge@kc.rr.com](mailto:lpodge@kc.rr.com)

**RV “Self Park” opens near Sullivan, MO**

Last month, Rvlife.com posted a story on their website introducing the **“Worlds First Automated RV Park”**, and it’s here in Missouri! The proprietors offer a safe, affordable, turnkey overnight RV Parking Lot with full-hookups just off I-44 near West Sullivan, Missouri. Maybe it’s a good one-nighter on your way to the International Rally?
