## *Kay's Kommunique*

Greetings fellow MN Airstream Club Members and friends!

Well, Installation Rally, and the end of our camping year is over. Many things happened at the Business Meeting this fall. We have a new slate of officers, including a new 3<sup>rd</sup> VP, new Corresponding Secretary, and new Trustee! Thank you, Jim Andrews, Joy Dodd, and Kathy Yanke for stepping up to the plate. Now, if we just had a Recording Secretary...

I was given permission to spend a little money on new equipment, and we now officially have 3 new electric griddles to supplement the propane ones. By the next rally in the spring, we will have some new coffee pots and a hot water dispenser too. (I haven't bought those yet - waiting for a good sale.) There'll be some changes to our website including new email addresses for some of the officers - part of International's suggestions - that will be office specific instead of personal. The new Constitution was ratified, and is posted on our website with updates to multiple areas, but nothing world shattering. I will be continuing as President for another year. While I'm sorry to see the end of camping season for us, I love fall and look forward to more time at home. (A little warmer would be nice...)

# Silver Times

I've already started making plans for the Spring Rally, including a Chili Contest! So, get your best recipe out and start refining it - there'll be stiff competition! The November activity is Old Log Theatre on Nov. 11. Then there's Christmas Party on Dec. 2, and Valentine's Day get together on Feb. 2. Stay tuned for more. See you on the road!

Kay

## Old Log THEATRE

### *Lend Me A Tenor*

*This Tony Award winning madcap screwball comedy, set in 1934,  
will keep you laughing all night long!*

Come experience the Golden Age of Hollywood at the Old Log Theatre! Set in 1934, the wacky story and hilarious shenanigans in Lend Me a Tenor provide an escape into laugh out loud comedy land. The mistaken identities, one-liners, and slapstick transport you directly into the films of Charlie Chaplin, Harold Lloyd, and the Marx Brothers. Passionate yearnings and sentimentality will harken back to romantic comedies like It Happened One Night and Bringing Up Baby. We'll make you feel as though you're at an Art Deco movie house from the 1930s. Black and white will become Technicolor right before your eyes! Come early and catch glimpses of some of your favorite comedies from Hollywood's greatest era. Nostalgia and reminiscing will ensue at the Old Log's hybrid theatrical and cinematic production of Lend Me a Tenor.

*"Non-stop laughter." "Uproarious! Hysterical!" "A rib-tickling comedy."  
"The most inventive, original farce in a long time"*

## *Fall Installation Rally*

Our Fall Installation Rally was held at Autumn RV Park in Rochester, MN on Sep 20<sup>th</sup> - 23<sup>rd</sup>. We had 12 number of units attend, and we had a wonderful time. We tried our hands at an arts and crafts project, making whirligigs. I (Chris) was pleasantly surprised by how much fun everyone had! Maybe I'll have to do that again at a future rally. We spent a good part of Friday afternoon taking a trolley tour of Rochester. Learned quite a bit about Rochester's history and some history of the Mayo Clinic. Saturday started with a pancake breakfast, and then was a free day until dinner and our Installation meeting. Installation was followed by a Unit Business meeting, where the highlight was re-ratifying our MN Airstream Club Constitution (which needs to be re-ratified every five years).

Making whirligigs. And discussing something important...

The trolley tour stopped at a couple of spots worth noting. "Worth noting" means that I took pictures... 😊

One stop was an Apple Orchard. The food trailer was closed on Friday, but open on Saturday when we went back and bought a bushels of apples. Which is now applesause.

## Silver Times

We also stopped at the Sister of St. Francis. One of the Sisters, Sister Marlys Jax came onto the tour bus and talked with us for several minutes. She has had some fascinating experiences in her life!

Saturday morning was our pancake breakfast. Steve Pflagher took the honors of making pancakes, including a hot dog pancake for himself. 😊

# Silver Times

Saturday evening, we held the Installation of the 2018/2019 Officers. Don Thomson, Region 7 President, performed the Installation Ceremony.

## *Newsletter Editor Ramblings*

Saturday at the Fall Rally was a free day. Kay and I went to see the Soldiers Field Veterans Memorial. As it turns out, it was a popular destination for many of us.

The Memorial is very impressive, with scenes and historic events etched into the stone all around the outside and inside of the granite walls.

# Silver Times

Although it's kinda hard to see, I found an etched Spruance Class Destroyer on the Memorial. This is the type of destroyer the USS Fletcher was (which is the ship on my ball cap for those of you that have not met me yet).

It is now mid-October, and it snowed this morning! Snowed enough to start sticking to the trees and grass, but not enough to stick to the roads.

We winterized Little Girl this afternoon after most of the snow melted away, but it was still pretty brisk outside. Clothes, food, and other supplies are back in the house, and she's all settled in for her winter nap. I also blew out the outside lines to the faucets we have around the yard.

For those of you heading to warmer places for the winter, safe travels. Drop a note and picture about where you're at and I will share in the Newsletter.

For those of us left behind, we have four get togethers so we can stay connected. Please come join us!

Safe travels,

Chris
