## From the Prez!

It's April already and Easter is behind us, Covid vaccinations are becoming available to anyone over 16 year of age and we can see the restrictions on visiting friends and relatives starting to be relaxed. I am assuming the campgrounds will be like last year with more people than previous years, since camping has become more popular lately. We did several camping trips last year during the week where the campgrounds were relatively empty but started to fill up by Friday for the weekend.

It's time to start thinking about getting the camper ready for this year, checking tires, greasing wheel bearings, rinsing the anti-freeze from the water system and adding Clorox to the water to sanitize the system. Now is also a good time to wash and wax the outside of the camper, but usually I don't get around to the waxing part for another month or two since that is not one of my favorite things to do.

We are looking at having a picnic on either Sunday afternoon April 18 or 25 in Columbiana, I will let you know when and where when we have secured a location. Don't forget the Region 4 Rally in West Virginia May 19-22, they are really interesting. The Alum Creek Rally is June 11 to 14, sponsored by the Brett's. The International Rally is also coming in July. The Witmer's are planning a rally for August in Geneva Ohio. And the Brett's are planning a rally for October. The Club logo has been approved, now we need to come up with a club flag. Hope to see everyone at the picnic, it will be similar to the one we had last fall where everyone brings their own food.
