June 3-6: No Host Rally at Coachlight RV Park, Carthage, MO.

Thank You Rick and Marsha Keith for setting up the No Host Rally.

June 2nd Rick and Marsha Keith and John and Colette Krupco showed up a day early at the campground. They went to some antique shops and walked around the square. Carthage has a beautiful courthouse. They had dinner at Habanero's Mexican Grill in Carthage MO.

June 3rd Larry and Ann Barclay, Gary and Linda Rush, Steve and Jane Mathias showed up today for the rally, Region 8 President Mike and Cheryl Sisk drove in today staying at a motel in Carthage Mo. What a day some of us went to the J R Western Store in Diamond MO. We had a surprise there they have The World's Largest Small Appliance Museum in the world. It was really interesting going through the museum seeing how some of the appliances differ from today. Later in the day some of the women went to

Joplin Mo. to a quilt store. Tonight, we all went to the Lucky J Steakhouse in Carthage Mo. Then later in the evening Rick Keith started a fire at the community fire pit in the campground.

June 4th Today Mike and Joyce Allen drove in for part of the day. We ordered Domino's pizza for lunch today. We sat around and visited. Some of us went to check out some of the sites around town. Damon and Donna Longworth arrived this evening just in time for supper. We had a hamburger feed tonight (thank you Larry and Ann Barclay for supplying the hamburger) for supper where everyone dug through their cupboards to help make a meal. After supper we had another fire and we roasted twinkies (thank you Region 8 President Mike Sisk and 1st lady Cheryl for getting us hooked on roasted twinkies) and John and Colette Krupco brought gourmet (moonshine) cherries. All had a good time telling stories about their adventures around the fire.

June 5th We all gathered over at Larry and Ann Barclay, and Damon and Donna Longworth RV's and had donuts this morning (thank you Larry and Ann for the donuts). After that the men went to Carlaw's RV and some of the women went to a quilt store, and others went sightseeing. Places visited was Red Oak II and stores around the square. Then we all met back at camp to decide on lunch. Some went to the Circle E country market for lunch and others went to the Wood Shed for lunch. After lunch some of us stopped at Braums for ice cream. That evening we had a fire up at the community fire pit and visited.
