## Summertime Fun

Summer is here! Hopefully, this means you have travel plans in your future. Since many of us are traveling independently over the summer, this newsletter is for June and July. So, if you don't see a newsletter in your inbox in July, you are not losing your mind.

With independent summertime travel, our club does not typically plan many rallies during the summer. However, this year we have a July rally in Big Bear Lake, California. For our club, this is a new location that we are looking forward to exploring.

At the end of summer, we will be gathering in Lake Tahoe. If you were unable to get a reservation,

## RV TIPS

### FLEA COLLARS ARE NOT JUST FOR DOGS!

If you've noticed spiders and mud daubers or other flying insects making their home in your trailer, you might try placing a dog flea collar in the storage compartments and appliance access compartments (refrigerator vent and water heater vents areas). Many seasoned RV'ers swear by this trick!

### DISCOUNTS \$\$\$

Don't forget to log into your [airstreamclub.org](http://airstreamclub.org) account to check out all of the discounts available to us. Discounts range from camping club discount memberships, Airstream products, car care products and even tires!

You can find the discount information by logging in and selecting the "Shortcuts" tab at the top left corner of the page. Then select the "Member Portal". Scroll down and discount information will be on the right side.

there are RV parks very close to the rally site. Also, you might try looking for site cancellations in the state park through [WanderingLabs.com](http://WanderingLabs.com) (as mentioned in last month's newsletter).

Later this year, we hope to have a club meeting at a member's home. If you have been unable to camp with the club, this will be an opportunity to visit and get to know club members. Information on a possible club gathering will be sent out as soon as it is available.

I'm looking forward to hopefully, seeing everyone either at a rally or at a club meeting later this year. It's been too long since we've all been together!

Safe travels,

Cheryl Musser

## Region 12 Rally, Oct. 6th - 10th

The 2021 Region 12 Rally will be held at the new, beautiful Cava Robles Resort in Paso Robles from October 6 - 10, 2021. Registration for this rally is now open at [airstreamclub.org/2021-region-12-rally](http://airstreamclub.org/2021-region-12-rally). This is always a fun rally with opportunities to catch up with Airstream friends or make new friends!

The last I heard about the rally, there were already 70+ Airstreams signed up. So, if you are contemplating on attending the rally, please don't hesitate, as I do not know how many trailers will be allowed. This looks like it will be a fun rally, so don't delay!

Before we know it, election season will be upon us. Don't fret. I'm only talking about our local club elections. I know it might sound early, but we need to have a slate of officers ready to vote on in November. In reality, November is not that far away. Remember that the club is served by volunteers who wish to make this a fun club to belong to. Please consider holding a position. If you are interested, please notify Cheryl Musser.

We are looking to fill the following positions;

**President** - Chair meetings, help facilitate rallies, communicate with Airstream Club Int'l. (1-2 hrs/month)

**Vice President** - Fill in for President and assist President (Less than 1 hr/month)

**Treasurer** - Manage Club finances, assist in fundraising (Less than 1 hr/month)

**Secretary** - Take minutes of meetings and assist in correspondences (1 hr/month)

**Newsletter Editor/Webmaster** - Produce newsletter, with club member assistance, Update rally and officer information on website (2 hours/month)

Training/guidance for each position is available, if needed.

## **AIRSTREAM FAMILY**

Our Las Vegas Airstream Club is a great little family. Don't forget that we are part of a larger Airstream family, though. If you are looking for a rally to attend and our club doesn't have one scheduled for when you want to go camping or if you are traveling and miss the company of other Airstreamers, feel free to check out the rally schedule at [Airstreamclub.org](http://Airstreamclub.org).

At the top of the website is an "Events" tab. Select that and you can search for rallies by date, club or state. The results can be displayed in map view or list view. Map view is especially helpful when you are traveling out of your club area. It allows you to see where events are taking place and you can check along your route.

Of course, you need to reach out to the contact person for the rally in order to express your interest in joining them. Please note, some rallies have limited space, so don't be disappointed if you are unable to join them. But don't be surprised if you are told to come along.

Airstreamers are a wonderful group of people. When at a rally with another group, or when camping alone and we just happen to be at a campground or RV park with other Airstreamers, we've always felt welcome to join in the fun!

## Camper Chef

Camper Chef has two major keywords; Camping and cooking! All along the byways and forgotten highways in this amazing country that he calls home since 2012. Traveling in his vintage Airstream quickly made him find out that we are looking at an endless source of beautiful and honest products from local farmers and farmers markets around us. Bart is born and raised in Belgium Europe and that is what they do out there, sourcing eggs from a farmer, buying fresh honey from the local beehive and yes, picking up live chickens and create a fresh meal.

Camping and cooking go hand in hand like salt and pepper. We all need to eat and Bart looks at it from a social perspective as well. Him and his girlfriend Iris raise a family of 4 young kids and he is all about getting the kids involved in cooking meals. Even cleaning veggies and doing dishes, Bart and Iris teach them how to cut a carrot, dice an onion and sear a beautiful steak like it should be done. Those are the memories that last forever at campgrounds in front of their beloved 1964 Airstream Globetrotter.

### **Well, here you have it! Some Belgian Fries and Beer mussels**

Time:  
30 min - 2 servings

#### Ingredients:

4-5 large golden potatoes to cut fries  
1 large onion  
1 garlic clove  
1 bottle of beer (Stella Artois works well)  
1/2 cup of mayonnaise  
1/2 stack of celery  
3/4 pounds of cultivated large as possible mussels  
1/4 cup heavy cream

Cook Belgian fries twice. First 6 minutes, let them rest while you prepare mussels.  
Cook fries a second time until they “float” in the oil.  
Shake them off and season with salt if you prefer that.

## Mussels

Easy peasy:  
Start with a good spoon of butter on the bottom of your pot.  
Rinse mussels 3-4 times and add them on top of your butter.  
Cut onion and celery in small half inch dices/chunks. Add garlic, heavy cream, bottle of beer, salt and pepper.

Keep covered with a lid and turn the heat up as high as possible. Now watch until you see steam coming up. That is the exact moment when you pick up the pot with two kitchen towels and shake it around. Back on the stove and now cook your fries for the second time. At this point wait until you see steam again and that indicates roughly when your fries are cooked as well. Take mussels off the stove, add another chunk of butter and shake them again, put the lid back on and serve asap.

The mussels opened up and that is when they are ready to be served

Dress your plate with fries on one side, mussels and veggies on the other side and mayo on your fries.

Enjoy dinner and don't forget to check out @camperchef on Instagram!
