

The Right Coverage for Today's Traveler

Travel is fun and exciting, but the unexpected can happen.
Travel with confidence and peace of mind that comes with
having the right protection.

Why Travel Insurance

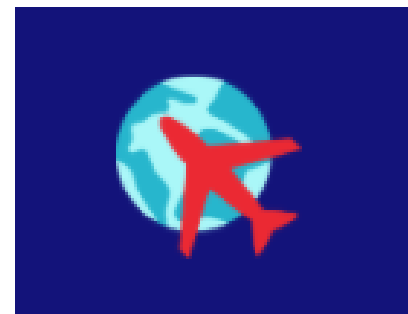

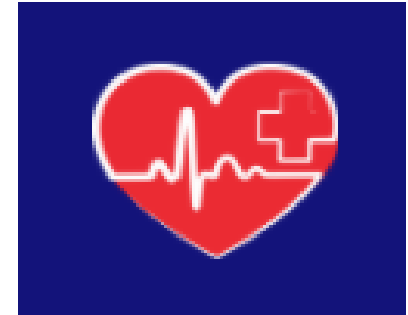

- Protect the cost of your trip and cover expenses for medical, emergency evacuation, and much more
- Health Insurance and Medicare may provide limited or no coverage
- Protect your health and finances
- Travel with peace of mind

Relevance for Today's Traveler

- **No Infectious Disease Exclusion:** Travel MedEvac policies cover COVID as any other illness – many plans do not
- International destinations are requiring evacuation and travel medical insurance that covers COVID-19
- COVID-19 has created new exposures – interrupted trips due to testing, costs related to quarantine, etc.
- “Cancel For Any Reason” (CFAR) coverage option on certain Trip Cancellation plans
- Domestic and International Coverage

The Right Plans for Today's Traveler
