## **President's Corner**

**Hello to Region 4 members.**

**Oh Yeah. Looks like Spring will finally come! We thought that the sayings "Going South" or "Gone to Texas" were going to work for us this Winter. Not. The visiting has been great, the weather, not so good. We did have a great day with the Super Bowl (80 degrees). We're here in San Antonio waiting to see if we get a break from the cold for a short caravan through the Texas BBQ trail country. It's looking good so far.**

**Making our post Winter Business Meeting jaunt is becoming a habit. It's fun and good to see friends and relatives on the loop through Florida and Texas, then home.**

**What we're really looking forward to this fun filled year, is our first Region 4 Rally as President. We are still massaging the schedule and expect to have a fairly solid version shortly, but there is still time to help us fill in some of the blocks on the schedule of events. At a high level we expect to have a couple days of exciting**

and interesting on-site activities including our traditional flag ceremony, flea market/hobby show, Unit Officer training seminar, hopefully a maintenance seminar (need a volunteer or two for this), an “Ancestry” primer, a variety of entertainment and finish with dinner and a band on Saturday night before we depart for home. We haven’t finalized the tour schedules and attractions lists yet but our planning team is well on their way in defining some nice things to do in the Cincinnati area, around town and the countryside. Expect to have a free day on Friday for either impromptu on-site fun stuff or your Cincinnati adventure. We can use your ideas.

Something that is concerning to me though, during planning for the rally, is the lag in registrations. This is kind of scary. I know everyone wants to have fun and we definitely have a great crew of committee leaders and folks helping to put it together, most are already engaged with figuring out what will be going on for that week, but, and it is kind of a big but, we need sign-ups for the rally so that we can proceed with some of the primary events like entertainment and catering.

This is a volunteer operated event and must pay for itself. To get a viable venue at a reasonable price we’ve contracted for the venue. What that means to us is that we can have as many (up to around 200+ rigs) campers as we want. That’s a good thing!!

Marian and I are really excited to see you all so please get your reservations in right away. We invite all Airstreamers to join us. If you can’t make it to the West coast for the International Rally please grab your friends and plan a caravan to Cincinnati and see what the Queen City has to offer. See you there.

### Under the Big Top

#### 2018 Mid-Winter IBT Meeting and Rally

January 8-12, 2018, saw a gathering of Wally Byam Airstream Club members in Sarasota, Florida, for the Mid-Winter IBT. There were 187 people in attendance and 83 rigs parked at the Sarasota County Fairgrounds for this great event.

Seminars included Advanced Airstreaming by John Leake and How to Park Your Rig by Dennis and Carol Ober. Greg Blue from Zip Dee Awnings demonstrated proper care and handling of your awning as well as providing service where needed. Musical entertainment was provided one evening by “64 to Grayson” (you may remember them from the Swiss Festival Rally) and two nights of entertainment was provided by the Nock Circus family whose involvement as circus performers goes back to 19<sup>th</sup> century Germany.

The rally started with a “Red Nose Welcome Reception” with everyone wearing a red nose provided by Walgreens Red Nose charity. A total of \$410 was collected for the charity. Decorations included clown portraits on the walls, circus popcorn and peanuts on the tables and even live clowns to welcome everyone.

But the real purpose of the gathering was to conduct business for the club.

There were 37 motions that were brought before the IBT. All motions were approved.

- Presented by the Constitution & Bylaws Standing Committee
  - The motion allowed all International Standing Committees and Special Committees appointed by the International President to conduct business electronically.
  - The motion made several updates to the Model Constitution & Bylaws. NOTE: Every unit must review and update, if needed, their unit Constitution and Bylaws at least every 5 years. Please refer to the WBCCI Blue Book Appendix 6, Model Constitution & Bylaws, to insure your Constitution & Bylaws meet all current requirements. The current copy of the entire Blue Book can be found at <https://wbcci.org/blue-book/club-info/general-info-and-forms/blue-book>.
- Presented by the Ethics & Grievance Standing Committee
  - The motion made updates to the Ethics & Grievance Policy adopted in Escanaba to clarify the role of the Ethics & Grievance Standing Committee

and directs the International, Region, and Unit Presidents to send a copy of every grievance to the Committee.

- **Presented by the Historical Standing Committee**
  - The motion added to the Historical Standing Committee General Duties to responsibility for Heritage Number research and nomination responsibility.
  - The motion provided clarification to the Bylaws as to the numbers reserved as Heritage Numbers and how nominations for Heritage Number status are to be handled.
  - The motion required the listing of approved Heritage Numbers with the corresponding owner name at the time of the historically significant event and qualifying criteria in the Annual Membership Directory.
- **General Motions**
  - The motion allows the International President to hold the IBT meetings at the beginning and end of their term during the International Rally.

    - Arkansas Razorback Unit to Arkansas Razorback Airstream Club
    - Nashville Music City Tennessee Unit to Music City Airstream Club

## We're Not Going to Take This Sitting Down

### A-List: Blue Ridge Chair Works

March 22, 2018

As lovers of the wild, we understand the importance of getting more from less – to pack lighter, for instance, and still have everything we need for a great time out. Our Airstreams, with their space-efficient utility and design, embody this concept. When it comes to equipment, we look for the same things. The best gear for outdoor...

Nosing around on the Airstream website you may stumble across this page:

<https://www.airstream.com/blog/a-list-blue-ridge-chair-works/>

It's part of an area they call the A-List, where they feature hi-quality products that are of interest to Airstreamers. This particular posting features a series of wood framed portable chairs from the Blue Ridge Chair Works. The chair pictured is just one of several folding chairs the company makes. ## Region 4 is on Facebook

President Don Hetzler recently set up a Facebook page for Region 4 and as you can see, one of the first postings is a video of the Cincinnati area and the venue for the Region 4 Rally. So, tear yourself away from those cat videos and swing by our Facebook page and let Don know you like it.

## Michigan Calling

## There Really is a Sugar Creek

**According to Wikipedia, the Sugar Creek is a tributary of the Tuscarawas River in northeastern Ohio in the United States. It is 45 miles long. Of course, we all know that Sugarcreek is the home of the annual Swiss Festival National Rally coming up in September. No time like now to mark your calendar. You can find the registration coupon later in this newsletter.**
