Vision and Mission Statement

The WBCCI Foundation invests in the charitable and educational needs of the communities, states, and nations of WBCCI members.

Other Activities

A Grant Request process and Grant/Scholarship Application form were recently approved. More information on how to request funds and how the money can be used will be sent to Regions and Local Clubs in the next few months.

Investigation is started into how the Foundation can support the education and training of RV repair technicians to support the local Airstream dealers. We are continuing to move forward on this process.

Donations were made to organizations in the Lebanon area at the 64th International Rally which support our goals of education and youth programs. Details were announced at the rally. Donations to local 501(c)3 organizations can be made through the WBCCI Foundation as a designated gift.
