## President's Message

My Fellow Penn-Lehighers,

The 2021 camping season is passing quickly. We have had some great events: Lum's Pond, the International Rally and Jersey Shore Haven have come and gone. Sadly, the Region 2 Rally was not held in 2021, but plans are already in the works for a great 2022 Region 2 Rally. But there's still more ahead in 2021.

So, what's next? Central Penn Airstream Club will host this year's Pennsylvania State Rally. It will be held September 10<sup>th</sup> to 12<sup>th</sup> at the Grange Fairgrounds in Centre Hall, PA – a really nice place to camp near State College. A catered dinner and live entertainment are planned. Jim and I plan to visit the Nittany Antique Machinery Show (and flea market) which is the same weekend and just down the road from the Grange Fair. Look for the Rally coupon elsewhere in this issue, sign up today and come join us!

Penn-Lehigh Club will hold a buddy rally October 7<sup>th</sup> – 10<sup>th</sup> at one of our favorite camping locations – the Numidia Airport. Originally built in 1925 for airmail service, it was reopened in the early 1970's by Penn-Lehigh Unit Charter Member George Beaver. We camp on grass right next to the runway of this historic airport. It will be autumn leaf season and the views from the Airport hilltop are spectacular. Also, Knoebels Amusement Resort is just 7 miles from Numidia. Our Annual Meeting and Elections will be held here as well. Look for the Rally coupon elsewhere in this issue, sign up today and come join us! We encourage you to sign up soon as space is limited at this venue.

2021 has seen a tremendous growth in the International Airstream Club. We also have many new members in the Penn-Lehigh Airstream Club. Welcome! If you're new to the Club, we'd love to meet you and want you to feel welcome at any of our events. If you've yet to attend a Club event, now is a great time. Please come and join us for one or all.

Hope to see you down the road

*Marguerite*

### Summer at the Beach

**at Jersey Shore Haven Airstream Park**  
728 Dennisville Road, Cape May Courthouse, NJ  
**August 4<sup>th</sup> or 5<sup>th</sup> through August 8<sup>th</sup>.**

As expected, we had a really good time at Jersey Shore Haven. Avalon and Cape May and other beachy towns are very close to JSH. JSH has a pool, bathrooms and showers, and a nice building for activities. The weather was very cooperative.

This was a really special time for the Collisters. Their daughters (also Airstream owners) and their families joined us at JSH. In fact the Collisters, Kim and Cliff Feigles and sons Carter (12) and Kyle (10) and Becky and DJ and daughters Kaylee (15) and Autumn (8) arrived on Monday August 2<sup>nd</sup>. Of course our co-hosts from New Jersey AS Club, Patrick McFadden and Judy Coupe were already there (didn't see much of Judy, she wasn't feeling well) and we met a couple Fred and Ann Yocum also from New Jersey. Fred and Sharon Schultz arrived Wednesday. The Collisters met for the first time Penn Lehigh member Jim Covello who has a site at JSH. Ron and Toni Purdum arrived Thursday. Fred and Sharon hosted pancake and sausage breakfast on Friday morning. Friday evening we had potluck supper, with fried chicken provided. Then Saturday morning, we did the 'traditional' breakfast of bagel sandwiches, sweet rolls and coffee at Avalon beach.

On Tuesday, DJ arranged for a pontoon boat for them to go fishing. Only 8 could go, so Cindy and granddaughter Kaylee stayed behind; then decided to go to Stone Harbor Wetlands Institute and walked the trails. Then went to beach in Stone Harbor and stepped into the ocean. The fisherman came back with 13 crabs, couple clams and then purchased shrimp and scallops and had a magnificent seafood feast. They had a couple days at the beach. Feigles family did the "Tree-to-Tree" experience and quick visit to Cape May Zoo. DJ rented another boat and he and George went fishing and crabbing again. Hoshauers went to the zoo on Saturday. One day the gang went to Washington Street Mall in Cape May for a shopping excursion. The Collister clan went to Mike's Seafood

in Sea Isle City for seafood supper on Saturday. Wow, Parking in these beach towns is really a premium!! Would love to do it again next year.

## AIRSTREAM INTERNATIONAL RALLY 2021

Attending this year International Rally in Tennessee from Penn Lehigh Airstream Club were George and Cindy Collister and granddaughter Autumn (8), Glen and Donna Lippincott (with pets, Dixie and Daisy) and Fred and Sharon Schultz. Good friends from NJ club, Pat McFadden and Judy Coupe were parked directly behind us. Also met other old and new acquaintances. Glen carried our unit flag during the opening ceremony.

Donna, Cindy and granddaughter Autumn went to a horse show building on the fairgrounds to watch horses and riders "cutting" (the herd). They were talking about Cindy's granddaughters' and Donna's horse passion and experiences. A gentleman sitting in front of them heard their discussions. Being the owner of a couple horses performing, he offered for Autumn to mount the horse and then accompanied by one of his riders, took her for a ride. That most definitely made Autumn's day (the whole rally event, aside from dancing to the band).

Congratulations to Rich Short for your reign as Region 2 President. Also congratulations and best wishes to incoming Region 2 President RJ Marquette.

The pet show was outside with over 50 entries. Some of the tricks didn't go as well because it was hot and plenty of distractions.

Collisters and Schultzs took a tour bus in Nashville. Parking was a challenge; had to walk several blocks to get to the bus station. So, after the tour which included visit to Country Music Hall of Fame and Museum and also Ryman Auditorium, George and Fred decided they would go and get the vehicle and come pick up the ladies. When it seemed like longer time than expected, and George had called that he didn't find the car yet. Cindy decided to go the way they came and find the Suburban and the guys. Meanwhile, Cindy received a phone call from George that he had called the parking lot office and found out there were two 'identical' parking lots and he was in

the wrong one. But worse, he and Fred separated and he could not get in touch with Fred. Fred had turned his phone off during the tour. It just so happened as Cindy was going to find the guys she passed a police vehicle and horse trailer; so she addressed the officers with the missing Fred situation and if they could be on the look-out for him. The police officers were on assignment, but gave Cindy the phone number for the precinct. They advised her to go back with Sharon and Autumn for a while, that people usually find each other. Well, the police were correct Fred and George found each other.

## AIRSTREAM INTERNATIONAL RALLY 2021 (continued)

The dance band "Top Tier" were really top notch.

*While George Collister talked with Jim Beaver about our use of Numidia Airport, he learned that George Beaver (Age 91) had a stroke in May and is now in a wheelchair. Jim mentioned George Beaver had stroke after 2<sup>nd</sup> vaccine. Jim advised us that there is some Penn Lehigh equipment still stored in the hanger that should be removed and stored elsewhere.*

### REGION 2 Notes from RJ Marquette

Hello, everyone! I'm writing this about two weeks before we leave for International. I'm looking forward to a great International, but I'm sorry our Canadian members won't be able to make it. We'll miss you!

I hope that the hot weather we're experiencing now is not a preview for Lebanon. A 30' trailer with one air conditioner is not a great setup in extreme heat, as we learned in Doswell. Therefore, I am predicting a well-timed Polar Vortex that will keep the highs in the 70s each day.

We have about 70 people signed up for the luncheon at International. If you are going to International and haven't signed up, please consider joining us; there's still time! We'll have food from a local restaurant, giveaways from places like Colonial Airstream, and we'll thank Rich and Kathi for their service to the region and the entire WBCCI. Erica and I are looking forward to meeting members from around the region.

After International ends, I want to start planning a Region 2 rally for next year. If you have a recommendation for a location, or if you want to volunteer to help with the planning, please let me know!

My goal is to visit each of the 15 local clubs at least once during my term. At the moment we've planned outings with Keystone, Penn-Lehigh, Central Penn, Delmarva, and Washington DC this fall or next spring. We'll get more on our schedule as rally plans are finalized.

I'm already looking forward to the 2022 International Rally in Maine. Erica and I briefly visited Maine for a wedding a few years ago, and we knew immediately we wanted to see more of that beautiful state. Signup begins during International this year.

## REGION 2 NEWS

I'm writing this at a KOA on our trip home from Lebanon. Several other Airstreams are at the same campground, including a few couples from the Central Pennsylvania club. There's so much to talk about, and I hope I'm not blowing up everyone's newsletters. First, thank you, everyone, for the support you've shown Erica and I already, and it was nice to meet so many of you and reconnect with old friends. We're looking forward to being able to sit down with you around a campfire.

Unfortunately, our Canadian members were unable to attend the rally. The Region 10 flag wasn't present; there was an empty spot in the flagpole holder. It was a constant reminder of our missing friends in Canada.

My prediction for a polar vortex didn't pan out, but at least we didn't see extreme temperatures like we had during the 2019 Doswell rally. Most days topped out around 90°F (~32°C), so it was hot, but survivable. Mornings tended to be in the high 60s (16°C), though the humidity was always over 90%. The electrical system at the rally site was excellent; we had no problems with the air conditioner shutting off unexpectedly.

The rally was great – I heard the final count was around 780 Airstreams, and many people were first-time International attendees (something like 30% of the people there were first timers). We met many new people and caught up with old friends, and we found some time to explore Nashville. Our dog Sulley had a great time with long walks, visits to the dog park, and meeting many other Airstreamers and their dogs. I think he loves Airstream rallies as much as we do...maybe more.

Our Region 2 luncheon was a huge success. We had great food and great giveaways. The raffle for the biggest prizes generated \$675 for the local animal shelter "A New Leash on Life". Your generosity really came through. The shelter was thrilled with the donation, and, as animal lovers, Erica and I thank you, too.

Please join me again in thanking Rich for his efforts; in addition to his efforts for our region, he chaired a committee to improve membership benefits – the Michelin tire discount, for example – so his work has improved the club's offerings for everyone. We presented Rich and Kathi with a gift and plaque at the luncheon.

Various motions were passed during the International Board of Trustees (IBT) meetings; most of them were not controversial and passed easily. Probably the most exciting was that the 2023 International Rally will be held in Rock Springs, Wyoming, from about June 24 to about July 2. (Speaking of International rallies, registration for next year's rally in Fryeburg, Maine is now open. The dates of the rally are July 23-29, 2022.)

The one controversial topic was a motion to prevent the WBCCI from requiring proof of vaccination (or proof of exemption) for any event. This mostly affected caravans that are traveling between multiple jurisdictions and dealing with differing local requirements. Members submitted valid arguments for and against the policy, and although the motion passed, it was not a unanimous decision. The IBT felt that they had to clarify as much as they could, to avoid having the burden fall on event planners. The caravans will follow local or CDC guidelines, whichever is more restrictive.

One item brought for discussion (only – not voted upon) was changing the International positions to two years, instead of the current one-year term, and eliminating the 3rd VP position. Various members of the club had great arguments for and against this suggestion, so it wasn't immediately clear what was best for the club. President Tye Mott will appoint a committee to look into it and report back.

Now that International has ended, I am turning my attention to other things, including the Region 2 rally for 2022. Multiple people have offered suggestions and preferences, and I thank you for that feedback. My first goal is to nail down the dates and location, so that we can get them on everyone's calendars. More information will be forthcoming in my future notes.

There's so much more I could say about the last week or two, but I've taken up enough space in everyone's newsletters. Thanks for your time, and we'll see you down the road!
