President's Message

Greetings Friends

As the new president of Unit 22, Palmetto State Airstream Club, I would like to introduce myself, Bob Wilson and my wife, Jan. We've lived in Taylors, SC for 25 years and have been members of WBCCI and Unit 22 for 6 years. We have a 1976 Argosy that I have restored and a 2010 Flying Cloud. We first became aware of the club when we saw an invitation in the Greenville News to an Open House at Palmetto Cove RV Park where we could tour Airstreams. We were hooked! Friendly folks sharing a common interest and ALL THAT SILVER! Since then we have learned a lot, traveled a lot and rallied a lot. Made life long friends and had a great time! And plan to as long as we are able!

We hope that 2019 will be a great year for the club! Our unit membership is increasing and Rich has some great rallies planned. If you haven't been to one of our rallies we hope you will make plans to join us next year. The 2019 rally schedule will be on our website (palmettostate.wbcci.net) and our Facebook page (Palmetto State Airstream Club) soon.

Also, Robert and Arlene Puryear have graciously offered to host our Christmas gathering this December 8th from 11:00 to 2:00 at their home. The address is 552 Holly Ferry Rd, Leesville, SC 29070. Everyone is asked to bring a dish to share. Rather than drive down and back the same day, Jan and I plan to camp Friday and Saturday nights at Dreyher Island State Park. We would love some company. I think there will be plenty of room in the campground! And according to Google, it is only about 30 minutes from the Puryear's.

Lastly, Jan and I would like to wish everyone a blessed holiday season with family and friends!

Cheerfully,

Bob and Jan

Christmas Lunch

Saturday, December 8, 2018 | Rob & Arlene Puryear 552 Holly Ferry Road, Leesville, SC

Once again Robert and Arlene Puryear will be hosting the unit Christmas lunch on Saturday, December 8. The hours are 11 AM to 2 PM.

They ask that everyone bring a dish to share. The Puryears will have beverage stations set up like last year.

Last year several rigs overnighted at the Barnyard the night before. The Barnyard is not available this year, but we can look at other campground options in the area. If interested, contact Bob Wilson so arrangements can be made.
