## Times of Change

It seems I just started writing the President's Corner column, but here I am, writing my last column. Where did the time go? Hard to believe that almost a year has passed and Tye Mott will be the new President in July.

Our club has changed so much in the last year. I am so happy that even with all of the COVID problems, our club has moved forward and learned new ways to get things done. Change is never easy, but we are moving forward in a direction that should last for years to come. We've learned how to have Zoom meetings and socially distanced events. And we are stronger than ever in our membership numbers! COVID was a great excuse for folks to buy an Airstream and begin exploring our great land!

I want to thank all of the people that have helped me as President of a fantastic group. The volunteers of the club are great and have made my time as a leader pass by very quickly. When you have great people behind you, things get done! Running an organization like the Airstream International Club is like running a multi-year relay race. Mona Heath handed the baton to me, and I'm handing it off to Tye. None of us can run this relay without the ones who came before, and those who will come after us.

I am looking forward to being a PIP, Past International President. It has been a fun ride with a lot of fellow Airstreamers that I have traveled with and met along the way. Time to slow down and smell the roses in our new 30 ft. International trailer.

We still have our International Rally coming up in July in Lebanon, TN. We have had lots of people sign up in this last month. However, we still have room for you to sign up and enjoy a really awesome Rally. It's a great chance to learn about the club and make some new friends and do some much-needed traveling in our Airstreams.

I close with a big thanks to Kathy Carl. We met through the Airstream Club in August and got married May the first. This was a big change for both of us. You never know who you might meet in this great club - might be your future wife. Kathy and I are excited to meet you down the road at a rally or on a caravan.
