Some of the rigs at the Vineyards of Fredericksburg RV Park for our September rally

## President's Message

What a great rally to start off our fall/winter rallies. We had a terrific time in Fredericksburg with members from the Texas Hill Country Unit and the Heart of Texas Camping Unit. One of the great things about this rally was how everyone pitched in to help Vicki and Tom with hosting duties. People offered to help prep, serve, set-up and clean up. As usual, Airstreamers filled in as needed. For more information on this rally please read Vicki Ketchum's rally report below.

On a sad note, Fred Walschburger has entered the Airstream rally eternal. From member to President to Agitator, Fred always made our rallies fun and entertaining. Please read Carol Goodwin's tribute to Fred in the Sunshine Corner. I think she did a great job of expressing how we all feel.

Our remaining rallies for 2021 are:

- October 8-10 at Galveston RV Resort and Marina hosted by Debbie Pfunder and Clark Gardner
- November 4-7 at Lake Livingston/Onalaska KOA hosted by Tracy and Rick Elkins
- December 2-5 at Lake Conroe KOA hosted by Joletta and Vernon Goodwin

Flyers for the next two rallies are included in this newsletter. As a reminder, we are using an online registration process for these rallies. Rally flyers include links for online registration. You will also need to reserve your camping site at the RV park. Registration for the December rally will also include a way to pay your rally fees when you register. More information about this process will be in future newsletters.

The 2022 Membership Renewal season has started for members who renew their memberships on a calendar year basis. That is everyone who joined WBCCI before July 1, 2021. Anyone who joined WBCCI on or after July 1 will have their membership come due 12 months after the date they joined.

Please welcome these new members:

- Gary & Pamela Alley joined August 27 and live in Kingwood, Texas
- John & Deborah Davis joined September 14 and live in Bellaire, Texas

Speaking of new members, in this issue we are introducing a new column – ‘Meet Our New Members’. For September, David and Louise Parry agreed to be asked some grueling questions by the “*Coyote Tales*” reporters. Their answers are provided on page 10.

Other additions to GHAC pertain to our 2021 Officers. Dan McNulty and Rick Elkins were both recently elected as 1<sup>st</sup> Vice President and 2<sup>nd</sup> Vice President, respectively and will be installed in December as such. Dan has agreed to complete this year as 2<sup>nd</sup> Vice President and Rick has agreed to serve as 3<sup>rd</sup> Vice President for the remainder of the year. Welcome aboard Dan and Rick!

I have just learned of another death of one of our GHAC former members, John Luker. John and his wife LaVaughn were members from 1993-2018.

Safe and enjoyable journeys

Bruce

## September Rally Report

By Vicki Ketchum

Labor Day is traditionally a time when we think of back to school, but for Airstreamers in Texas, it often means "Back to Camping". And that's just what we did over the Labor Day weekend in Fredericksburg, from September 2 - 6 in Fredericksburg. We invited the Texas Hill Country Unit (THCU) to join us at the Vineyards of Fredericksburg RV Park. Word spread about the event, and we had participants from Heart of Texas Camping Unit (HTCU), and a couple of prospective members checking us out as well.

The Vineyards of Fredericksburg was a wonderful site for the rally. Their rally room is quite spacious, and very well equipped. While the outdoor pavilion was being renovated and not available to us, we look forward to being able to use it during a future visit. The staff could not have been more attentive to our concerns.

Members attending the rally were:

Alan, Bernardine and Ashley Billard, Tom and Caren Bundy, Rick Cassani & LeAnn Hill (1<sup>st</sup> GHAC rally), Ally & Tim Ebbers (THCU), Rick & Tracy Elkins, Paul Evens & Natalie Garrett, James & Lisa Feine, Elexa Fischer & Austin Lucas (THCU), Bob & Jan Grimes (THCU), Bob & Lisa Hansen, Samantha & Robert Hogue (guest of the Lyddon's), Charlie & Cheryl Jacobs (THCU), Tom & Vicki Ketchum, Bruce Lee, Gerald & Irene Lyddon, Dan & Zephyr Marek (THCU), Jose & Val Melgares, Edward & Yvonne Michek (THCU), George & Jamie Nixon, Louise & David Parry (1<sup>st</sup> GHAC rally), Tom & Susan Raia (1<sup>st</sup> GHAC rally), John & Susan Sheridan, Phil Vasquez & Luci Digiorgio (THCU), Rick & Laurie Vice, Charlie Williams & Carol Wallace (THCU), Doug & Sheryl Wylie (THCU).

We started Thursday with a Happy Hour hosted by Phil Vasquez & Luci Digiorgio of the Texas Hill Country Unit. Individual Charcuterie cups and a variety of wine and spirits, were accompanied by an amazing variety of foods contributed by rally attendees. It was a great opportunity to mingle and meet members from respective units. Get to Know You Bingo cards had us scurrying around the rally hall trying to find out details about each other.

Friday was Fredericksburg History Exploration Day. We were encouraged to check out the local museums and historic sites. The Pioneer Museum tells the story of the German immigrants who settled Fredericksburg in the early days. The National Museum of the Pacific War provides a comprehensive account of the World War II in the Pacific; the museum was originally named for Admiral Chester Nimitz, who was born in Fredericksburg and spent his early years here.

Friday night's dinner was a pasta and salad bar, where we mixed up lots of combinations of pasta and sauces, greens and veggies! Following dinner, we enjoyed a dance party with song requests, and karaoke. We may have discovered some new talent among our members!!

Saturday was Fredericksburg shopping day. The variety of shops in Fredericksburg guarantees there is something for everyone: antiques, retro five-and-dimes, kitchen wares, wineries, breweries, distilleries, and foodie shops (with lots of samples!). Everyone was encouraged to bring something back from town to "show and share" at happy hour. What a variety, from sweet jams, to jalapeño peanut butter, cheeses and salamis, wines and beers, we all got to try something new! Following a dinner of pork ribs and chicken, we had a laid-back game night, and campfire with S'mores.

Plans were to have some outdoor games on Sunday, but the heat mostly kept us indoors. We set up the balloon volleyball - we convinced some new players that it really isn't that easy to keep your butts in the chair (without falling out of it!). Tom and his crew of grillers had the entire campground smelling yummy as they grilled hamburgers and hot dogs for dinner, which was accompanied by potato salad, cole slaw and watermelon.

There was a double feature at the movies Sunday night, complete with popcorn and ice cream at intermission. First up was the always hilarious "Long, Long Trailer," the classic with Luci and Desi as newbie RVers, followed by "We're the Miller's" about a small-time drug dealer who gets forced into smuggling a large shipment of drugs across the Mexico/US border in a motorhome, along with his fictitious "family" made up of a broke stripper, a loser nerd neighbor boy and a homeless runaway girl.

Everyone agreed that having a joint rally with another unit was a tremendously good idea. We all left with terrific memories, and new friends. We are looking forward to doing it again!!

Photos from the rally are toward the back of this newsletter.

## **MUSEUMS**

### **Stop by Sam Houston Memorial Museum for interesting facts**

Other than Huntsville being known for piney woods and rolling hills of East Texas, this little city is also famous because of General Sam Houston. Known for living in Huntsville on many occasions, the best place to learn about General Sam Houston - considered one of the greatest Texans who have ever lived - is at Sam Houston Memorial Museum in Huntsville. The museum is filled with artifacts and lessons on every chapter of his life. At the back of the museum, you'll find Woodland home that was built by Houston where his family lived, and a Steamboat House where he was found dead. For exciting things to do around Huntsville, check this place out!

### **See prison artifacts at Texas Prison Museum**

Do you want to know what went about behind the scenes or how Texas prison system worked? Now, you can learn all about it at the Texas Prison Museum. The museum features exhibits that include the Texas Prison Rodeo, also known as Wildest Show Behind Bars and the infamous American criminals, Bonnie and Clyde. While walking around the prison, you will get to understand or feel how the inmates lived behind the fenced walls of the prison. It is a feeling unlike any other you may imagine. Texas Prison Museum should most definitely be on your must-see list.

### **Gibbs Powell Home Museum**

The Gibbs-Powell Home, also known as the Walker County Historical Museum, was built in 1862 by Thomas Gibbs, an early Huntsville businessman. It is built in the Greek Revival style popular in Huntsville and in the South at that time. The Gibbs family was often visited at the home by personal friend Sam Houston. The house has been the home to several generations of Gibbs and Powell families. Female boarders attending Sam Houston Normal Institute in the Nineteenth Century roomed upstairs. Through the interest of Judge and Mrs. Ben H. Powell III, this home has remained unchanged, and the interior as well as the furniture and furnishings were preserved to be used as a museum.

The house is both a Texas Archaeological Landmark and a recorded Texas Historical Landmark and is operated by the Walker County Historical Commission as a county museum. Furniture, furnishings, books, newspapers, and documents have also been donated by other local families to help accentuate the atmosphere of a gracious family home.

### **Big Sam Statue Visitor Center**

A visit to the world's tallest statue of an American hero offers a great perspective of Huntsville. A tribute to courage, the Sam Houston Statue was designed and constructed by artist David Adickes. He dedicated the statue to the City of Huntsville on October 22, 1994. It is the world's tallest statue of an American Hero at 67 feet tall on a 10-foot sunset granite base.

**Sam Houston State Football** at 12-noon vs Dixie State

**Football watch in clubhouse** – Times still TBD (Auburn vs TAMU) / (Texas vs Iowa St.)

## Three New National Road Caravans to Check Out

Come with us, as we explore the historic National Road, on a journey through the lives and fortunes of the men and women who built America.

The National Road runs from Baltimore, MD to Vandalia, IL

There are three caravans covering this route, with each a nine-day format. This will allow younger club members with jobs and families to experience what the Airstream Club was founded to do. The former name, Wally Byam Caravan Club International says it all - the Caravan experience, traveling to enjoy the history, hospitality, and friendship of our host communities, and making new friendships as part of Airstream ownership.

Old National Road East starts in Baltimore and ends in Washington, PA.  
Start April 29, 2022 End May 7, 2022

Old National Road Central starts in Washington and ends in Richmond, IN.  
Start May 7, 2022 End May 15, 2022

Old National Road West starts in Richmond and ends near Vandalia, IL.  
Start May 15, 2022 End May 23, 2022

The segments are each a full nine-day caravan, and run consecutively, making it possible to enjoy just one segment, two segments, or all three.

Register online at <https://airstreamclub.org/current-members/caravans>! There are a total of only 22 units for each segment, and the online enrollment process time stamp decides the order of the wait list after the available spots are filled.

Once you register online, you will be contacted by email regarding kitty fee payment dates and amounts. Please note, the \$25 caravan administration fee the club charges will be charged once if you are booking two or all three segments as the administration fee, and credited to the kitty fee for the other segment(s).

## THE SUNSHINE CORNER

By Carol Goodwin

Long-time and beloved member of our club, Fred Walschburger, died August 31, 2021, after losing his battle with cancer. He and his late wife, Patty, joined our club in 1984 and traveled extensively to all the States, Canada, and Europe. They were elected as President and First Lady of our club in 1994. My memories of Fred include him hosting rallies, entertaining us with his vintage records, and participating in skits. There was always lots of laughter around him. I'm sure that many others remember him fondly as well.

Fred was Marine and a Houston Police Officer. He was also a member of the Civil Air Patrol. During his lifetime, he played football, rode motorcycles, and flew planes.

Fred's Funeral Visitation and Service was held at The Woodlawn Funeral Home and was well-attended by our club and retired police officers as well as friends and family. Some of our members who could not attend in person, were able to watch his service virtually. During the service, Honor Guards from the Marines and the Houston Police quietly saluted. Music included three Elvis Presley songs. Fred was buried with Honors in The Woodlawn Garden of Memories nearby.

Sue Gaines, Fred's lady friend, traveled with him in later years. She (also a hospice volunteer) spent many hours with Fred during his hospice care.

Condolences can be sent to his daughter, Deborah Clendennen; son, Frederick Walschburger II; and granddaughter, Taylor Clendennen; at Fred's address listed in our club directory. Condolences can also be sent to Sue Gaines. Please contact me by text at 713-598-1063 or email at [cgoodwin7@comcast.net](mailto:cgoodwin7@comcast.net). for her information.

Fred Walschburger leaves a big hole in the heart of our membership.

## Message from Bob Jones

Hello to all our Greater Houston Airstream Club members from the gang at BOB JONES RV!

We would like to express our excitement about an advanced service we are providing. BOB JONES RV has invested in a SEAL TECH machine that will pressurize the interior cabin of any coach, allowing us to detect leaks by soaping the complete exterior. It will identify efficiently any breaches in the exterior seal that will cause water leaks ultimately causing damage.

Our service team will pinpoint problem areas on a chart and consult with the customer a plan for corrective action. This is a true cost saving & preventive measure to protect your RV investment. The cost is \$230 - \$345 depending on your coach configuration. So, give us a call to discuss how we can protect your RV, we think you'll be glad you did!

**Get out there and enjoy your  
Airstream adventures!**
