

How to access @airstreamclub.net and @wbcci.net email

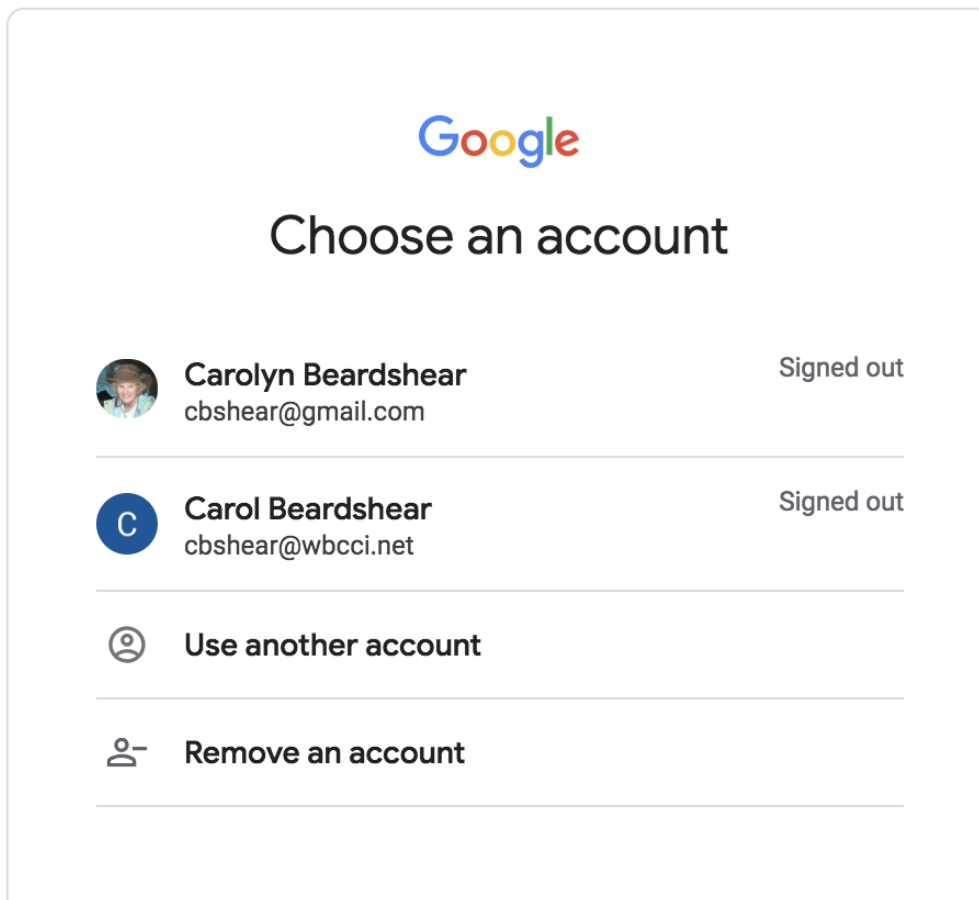

All of the Airstream Club emails are actually GMAIL accounts, so you'll work through Google to add them to your list of accounts.

If you already have Gmail accounts, AND after you have added your account to the Gmail list

use this access URL: mail.google.com/a/wbcci.net

If you do not already have a Gmail account, follow these steps:

- Open your browser to the Google landing page: google.com
- In the upper right hand corner you will see the "Gmail" link. Click on it.
- If you already have a Gmail account you will see a list with your address(es).

- Click on "Use another account" or "Add an account." You will see the following screen appear.
