

To Add/Change Webmasters or Assistant Webmasters

The ITC is not authorized to make a change in the database for local club leadership.

If there is an Officer change of any kind (including webmasters or assistant webmasters), the information needs to go to info@airstreamclub.org.

The **President or Vice President** can email the change to info@airstreamclub.org or fill out the online Officer Reporting Form.

<https://airstreamclub.org/form/officer-reporting-form>

If there is a change in the communication list for new members, renewals, etc. that change needs to go to membership@airstreamclub.org.
